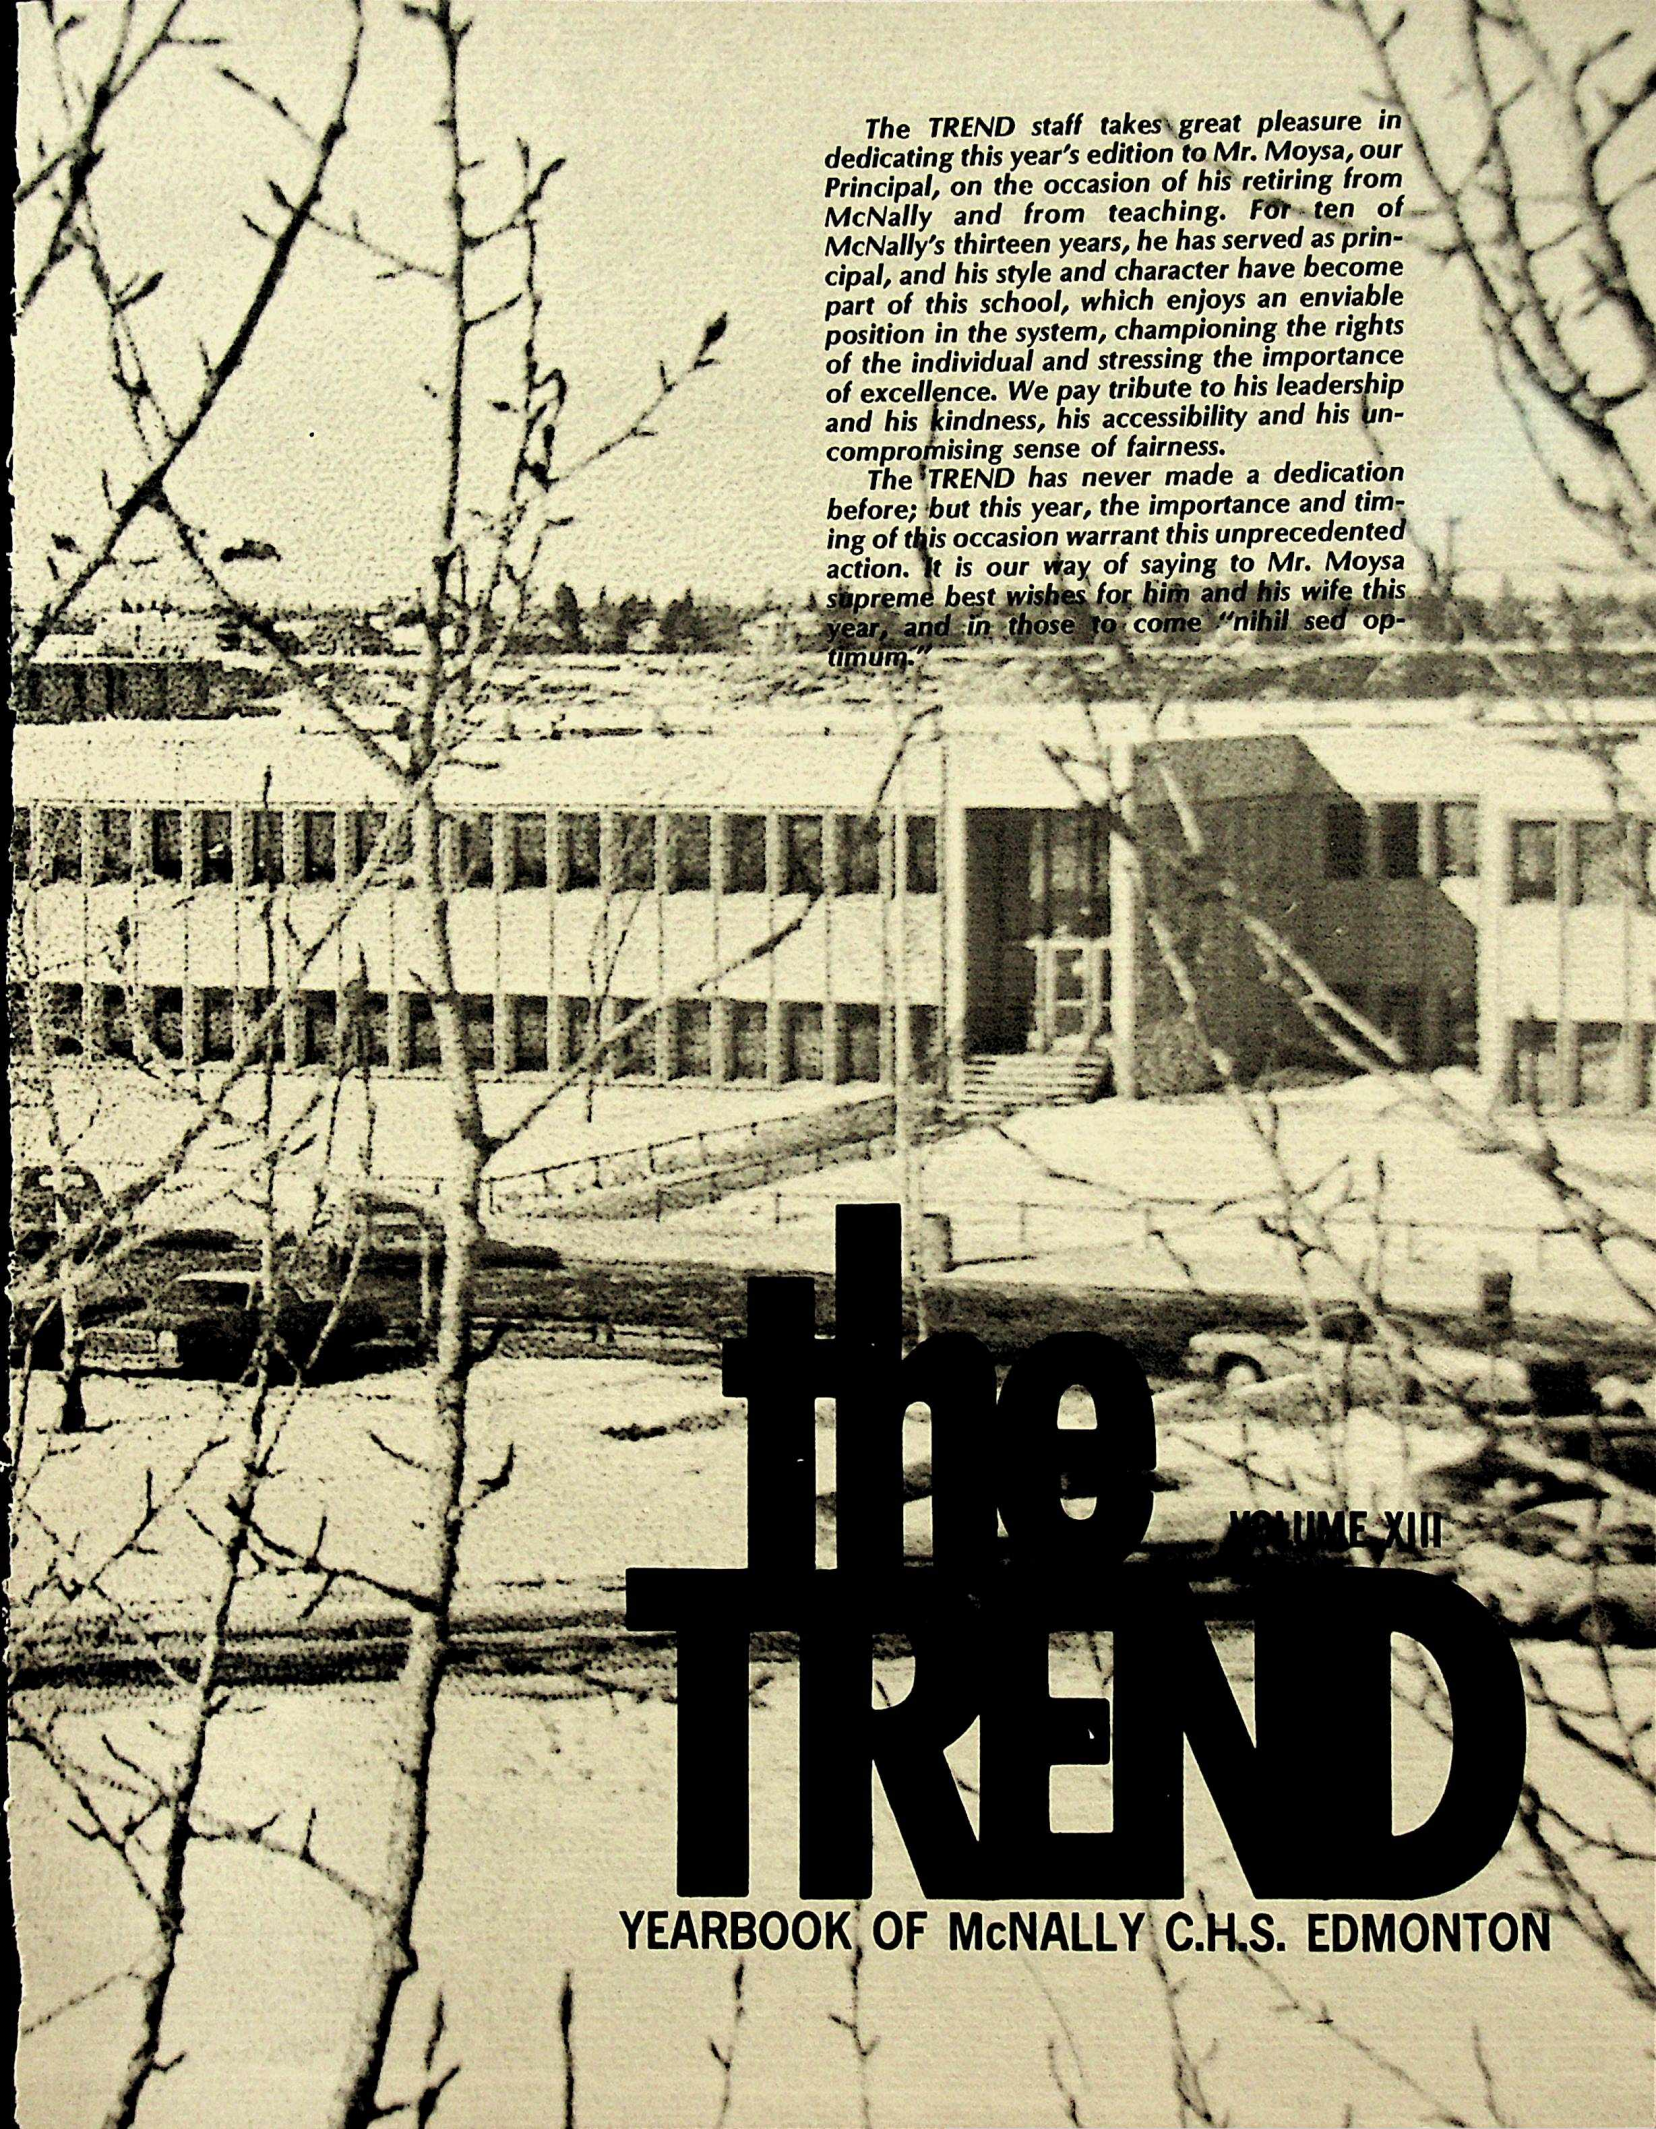
NIHIL SED OPTIMUM
the
TREND



The TREND staff takes great pleasure in dedicating this year's edition to Mr. Moysa, our Principal, on the occasion of his retiring from McNally and from teaching. For ten of McNally's thirteen years, he has served as principal, and his style and character have become part of this school, which enjoys an enviable position in the system, championing the rights of the individual and stressing the importance of excellence. We pay tribute to his leadership and his kindness, his accessibility and his uncompromising sense of fairness.

The TREND has never made a dedication before; but this year, the importance and timing of this occasion warrant this unprecedented action. It is our way of saying to Mr. Moysa supreme best wishes for him and his wife this year, and in those to come "nihil sed optimum."

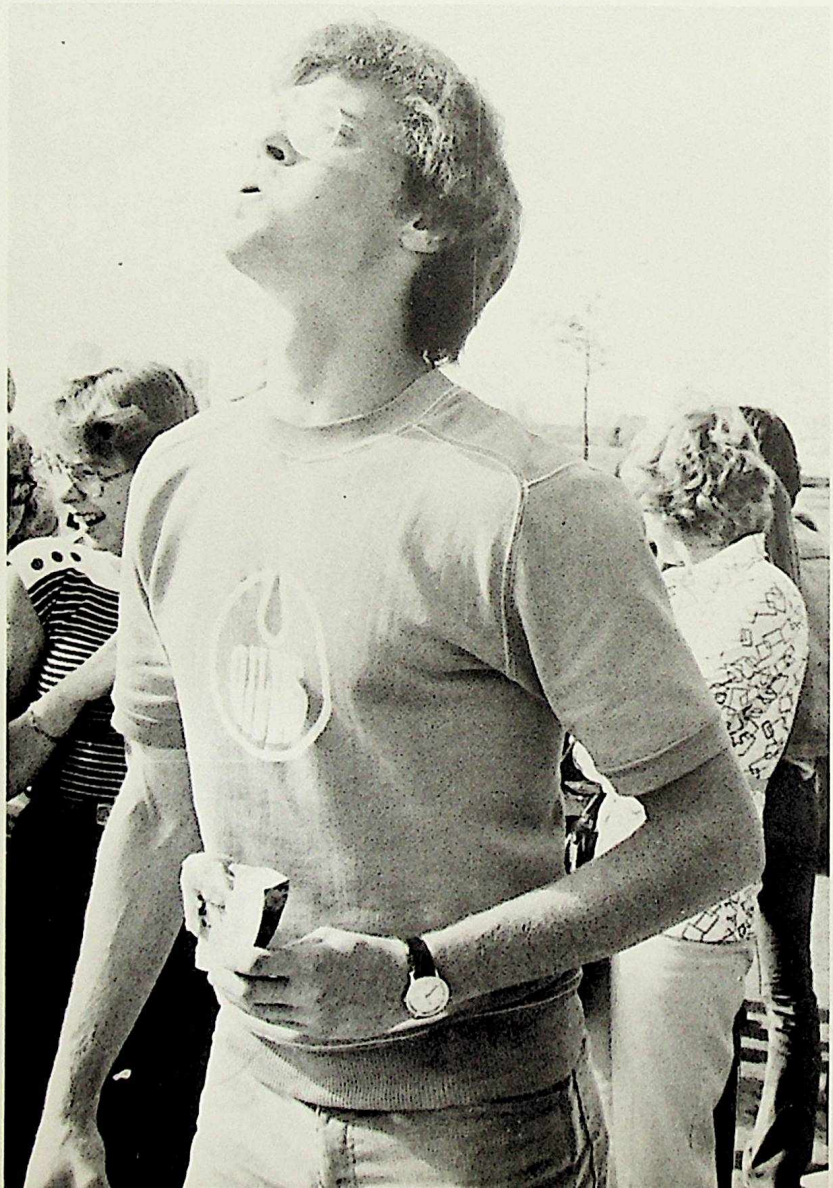
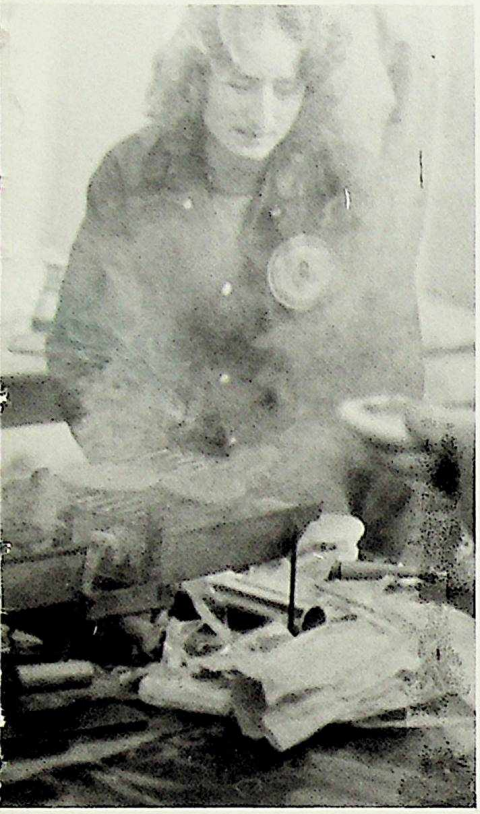
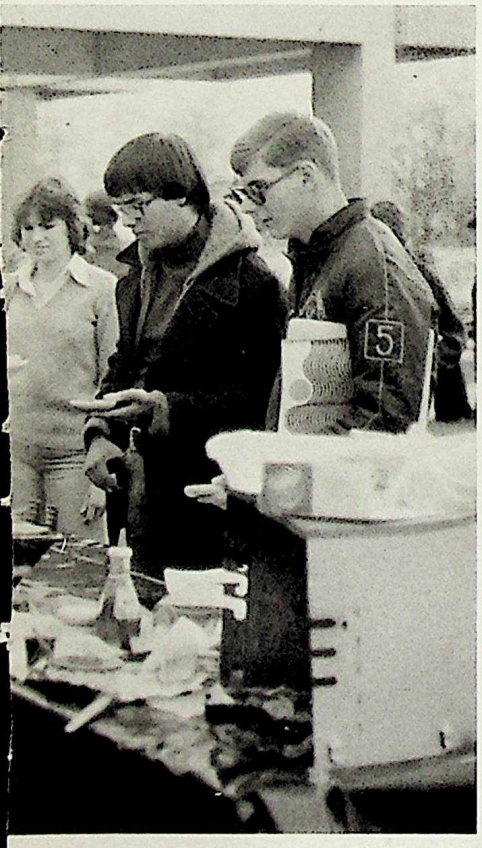
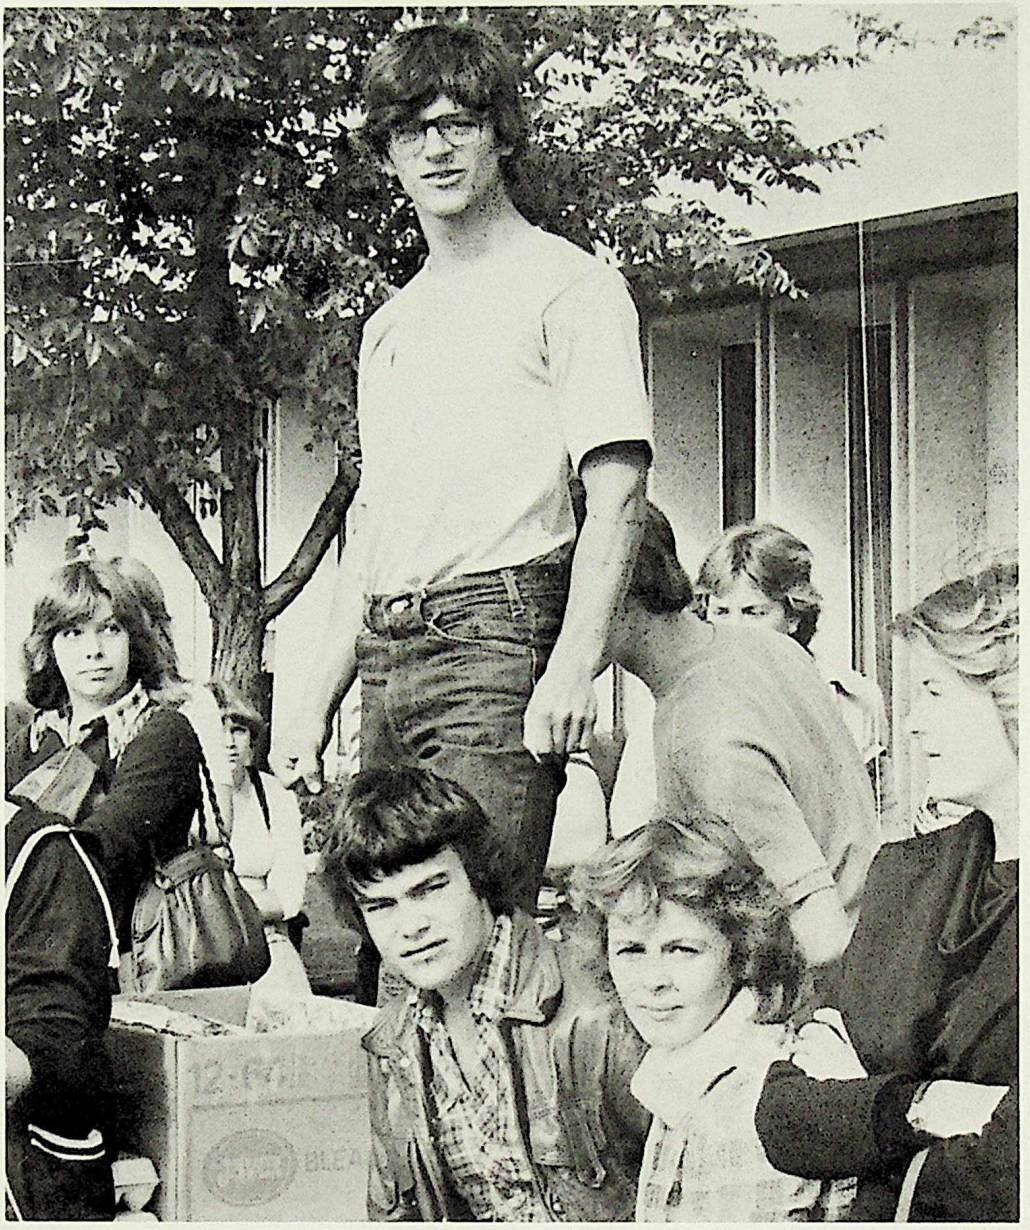
ACTIVITIES



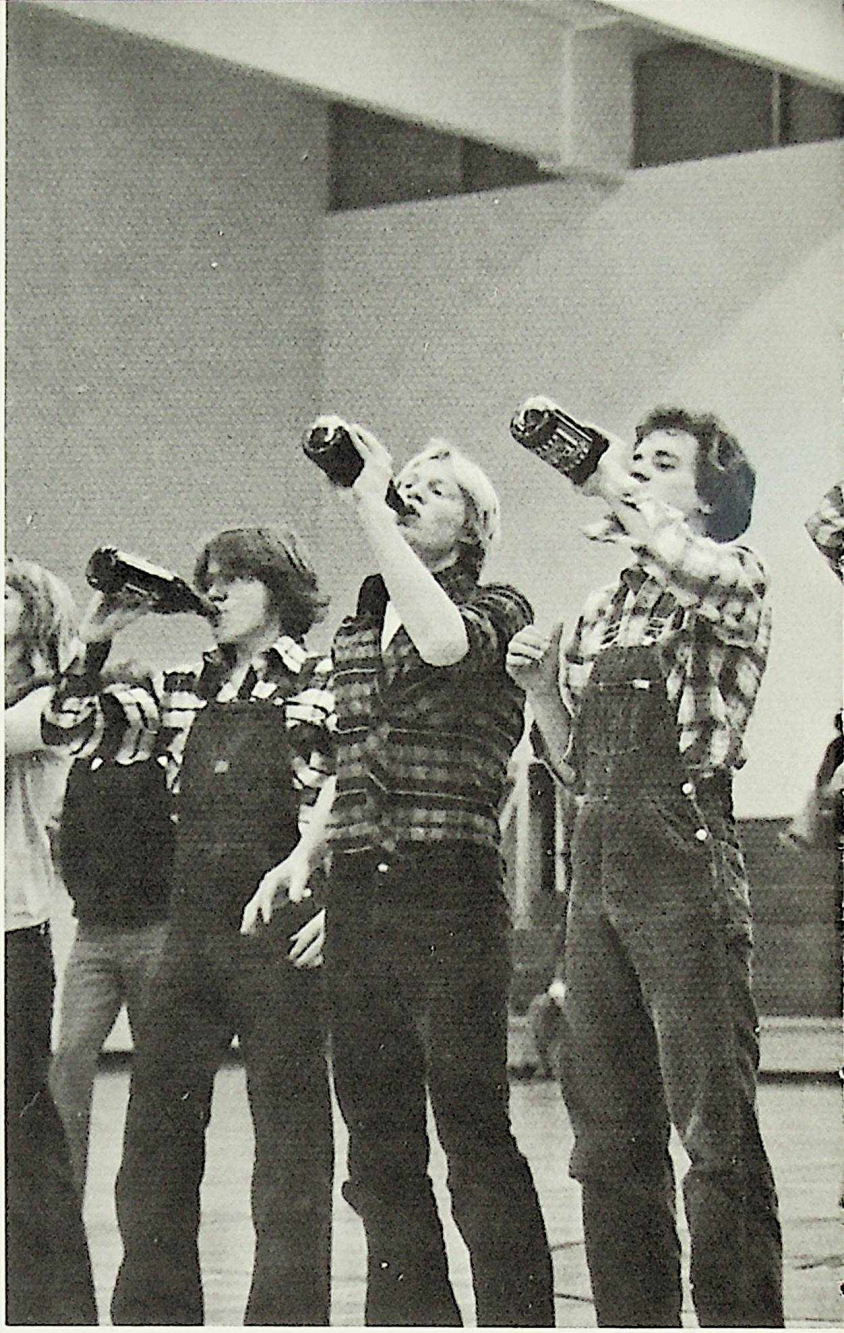


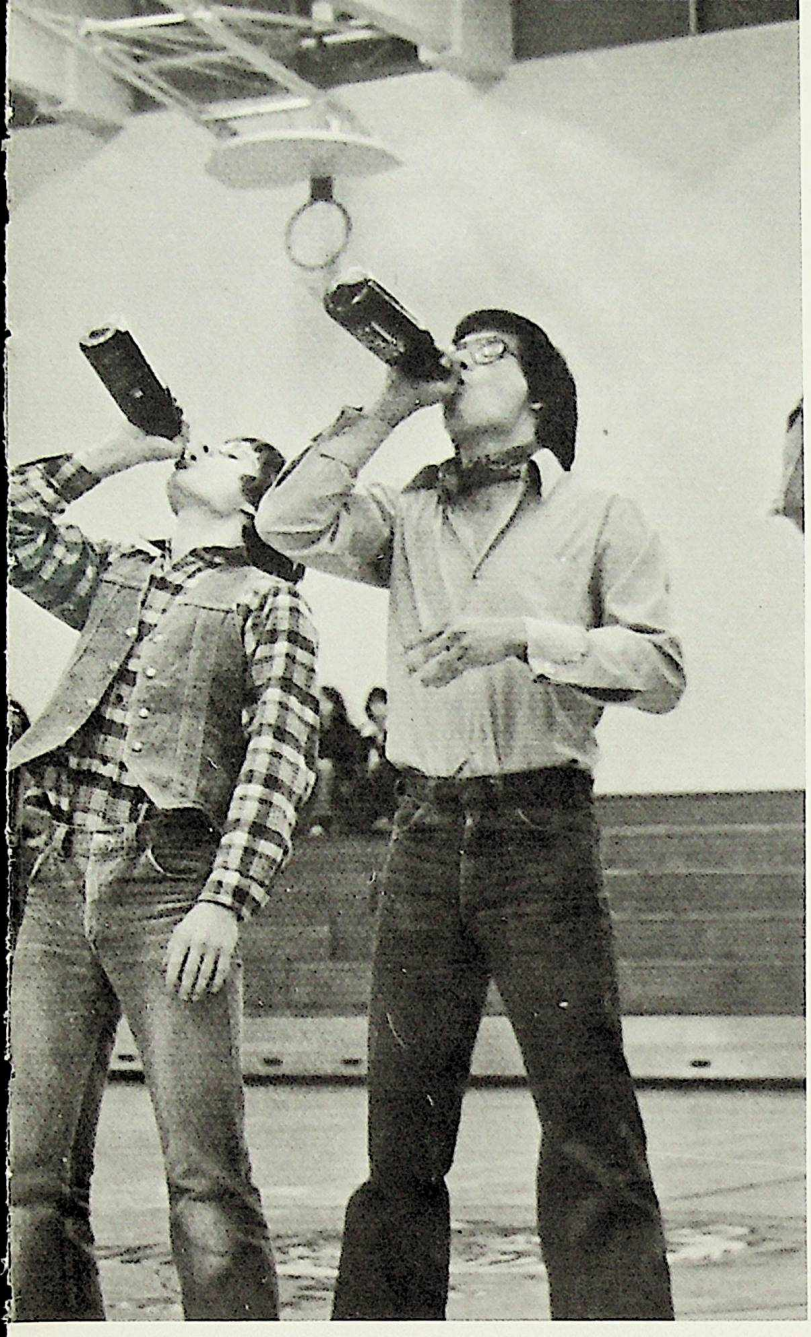


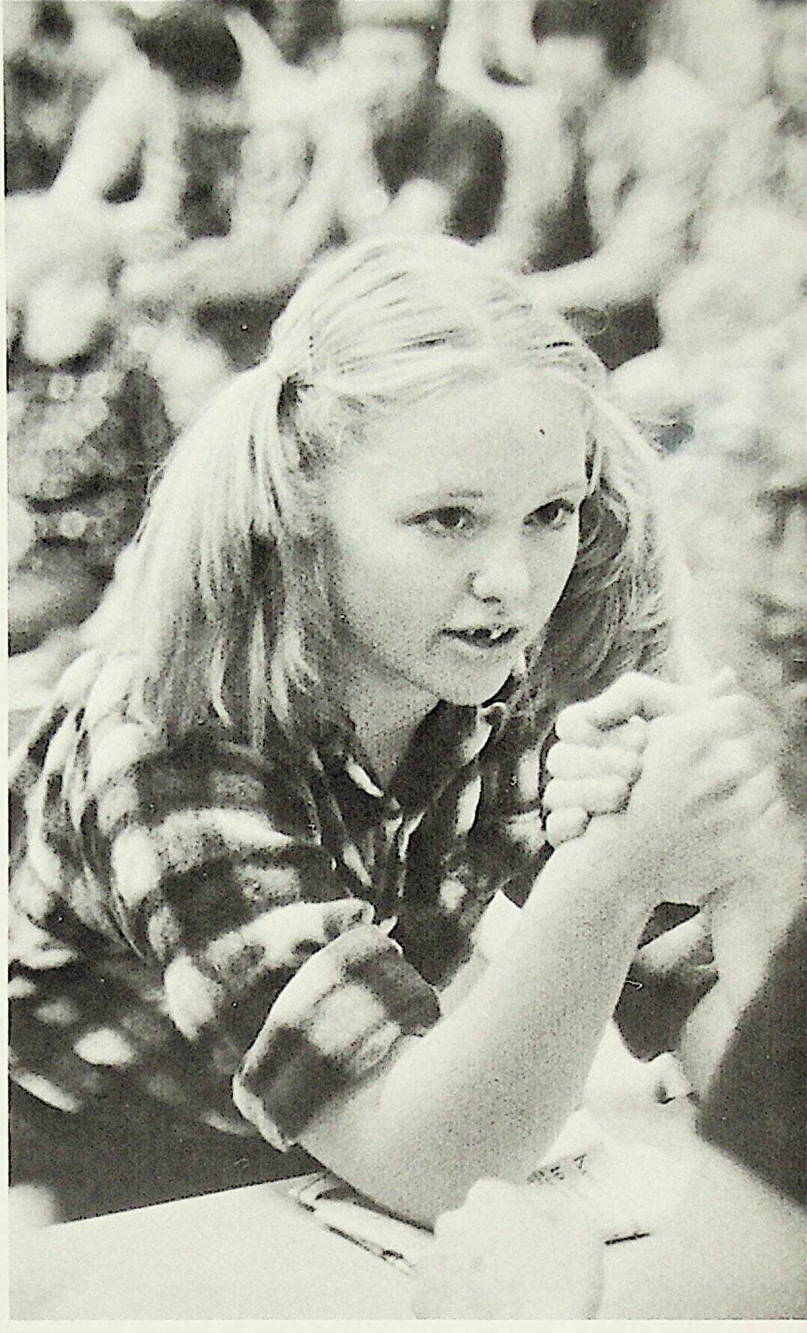


WATERMELON, EGG THROW, AND BARBEQUE

Along with the other numerous Frosh activities, McNally again held its annual Watermelon Seed Spitting Contest and Eggthrow (although the eggthrow is new to the Frosh activities). Later on in the year the S.U. put on a noon hour barbecue — a nice change from stale sandwiches to barbecued hamburgers.



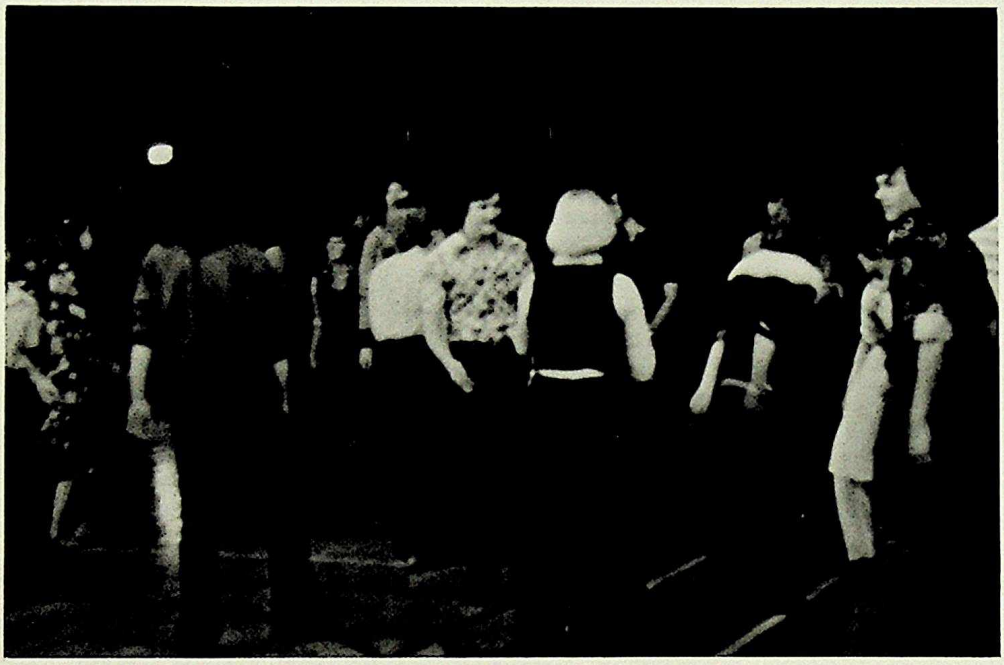


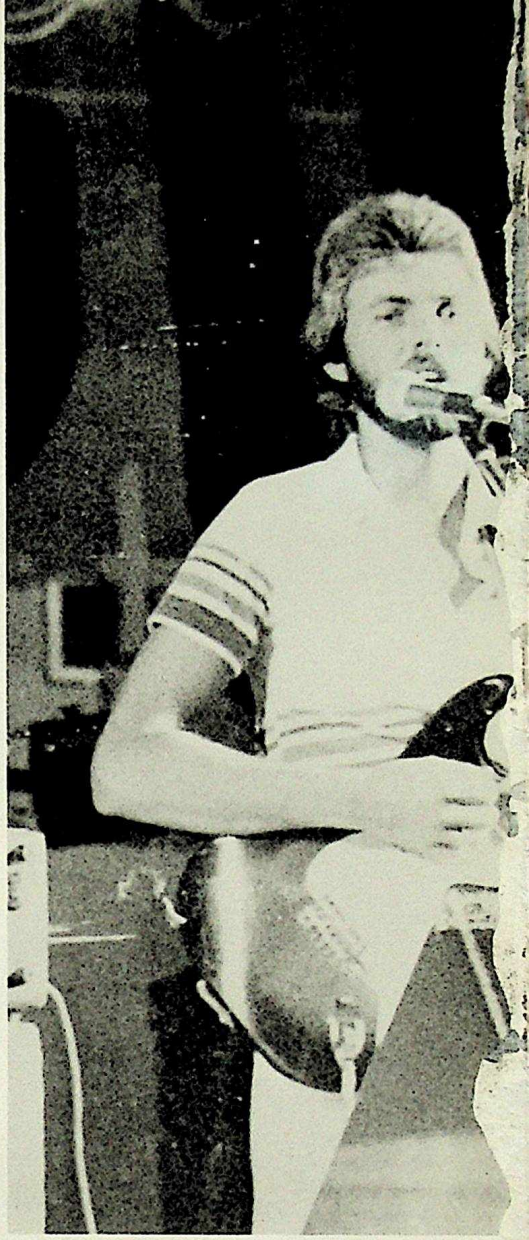


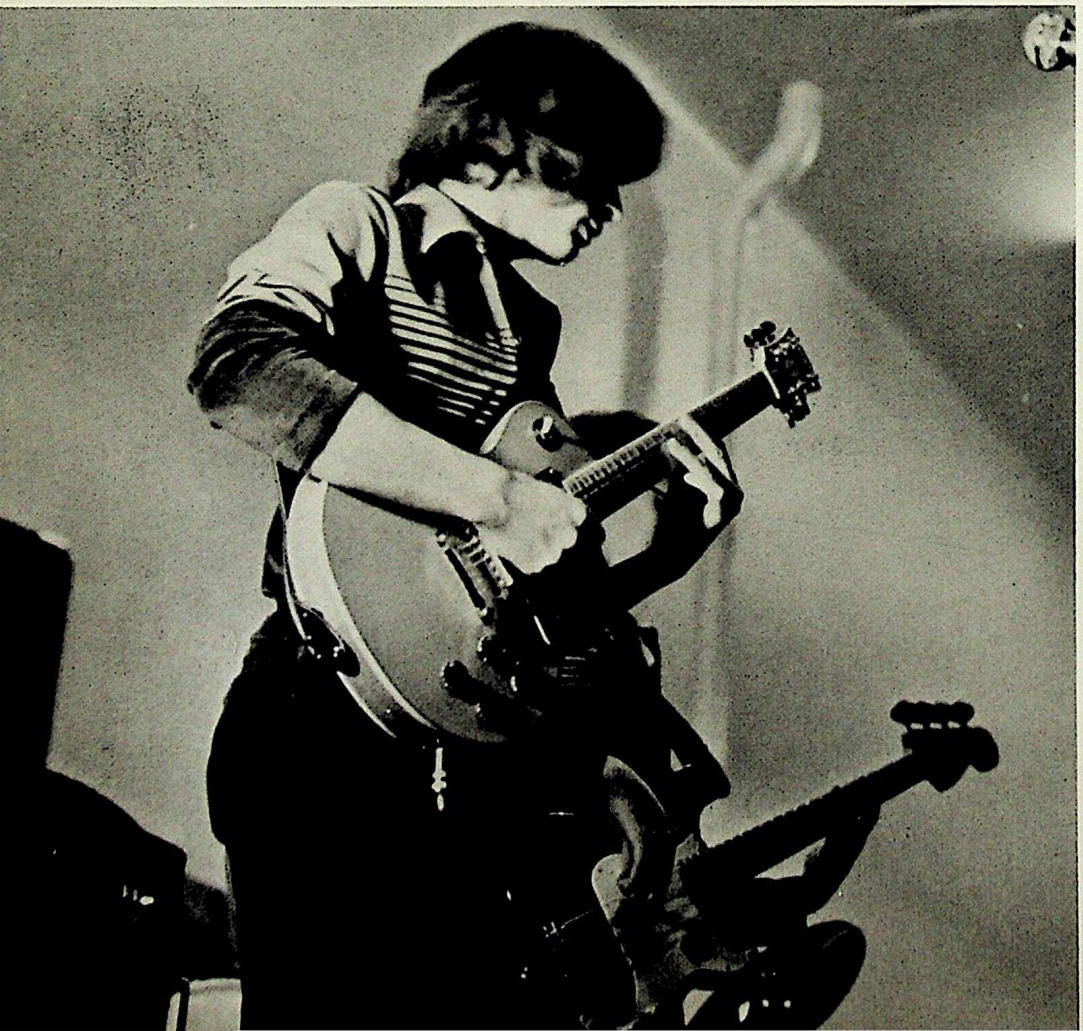
SADIE HAWKINS

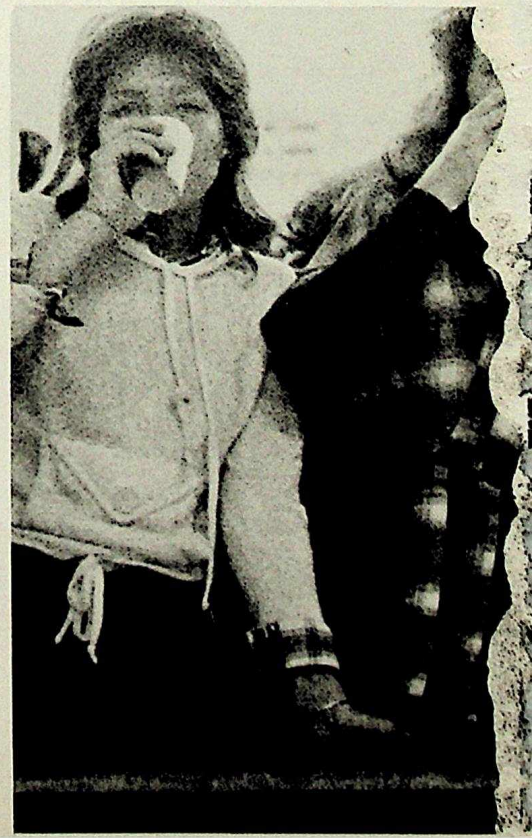
Sadie Hawkins was the chance of the year for the girls to get their man. The events of the day began at the noon hour, when the guys had a chance to prove their masculinity in the cake baking contest. Along with the cake baking there was ladies' arm wrestling, balloon shaving, boat racing, and of course the chug-alug. A kissing booth was set up and a small fee was charged for each kiss. The day ended with a Sadie Hawkins dance.

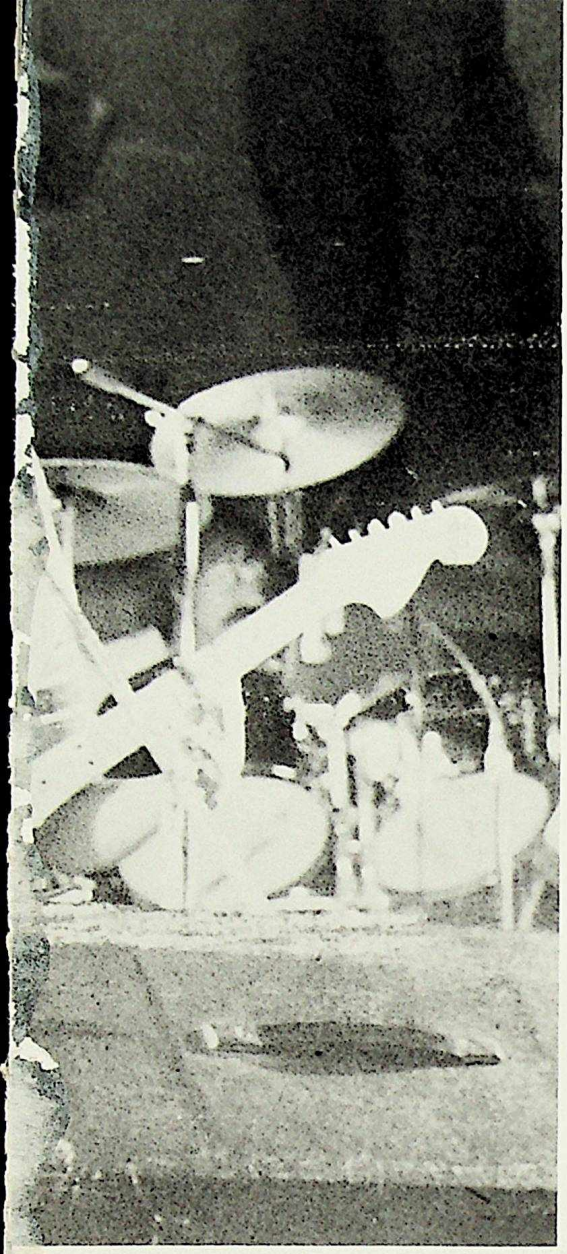
DANCES

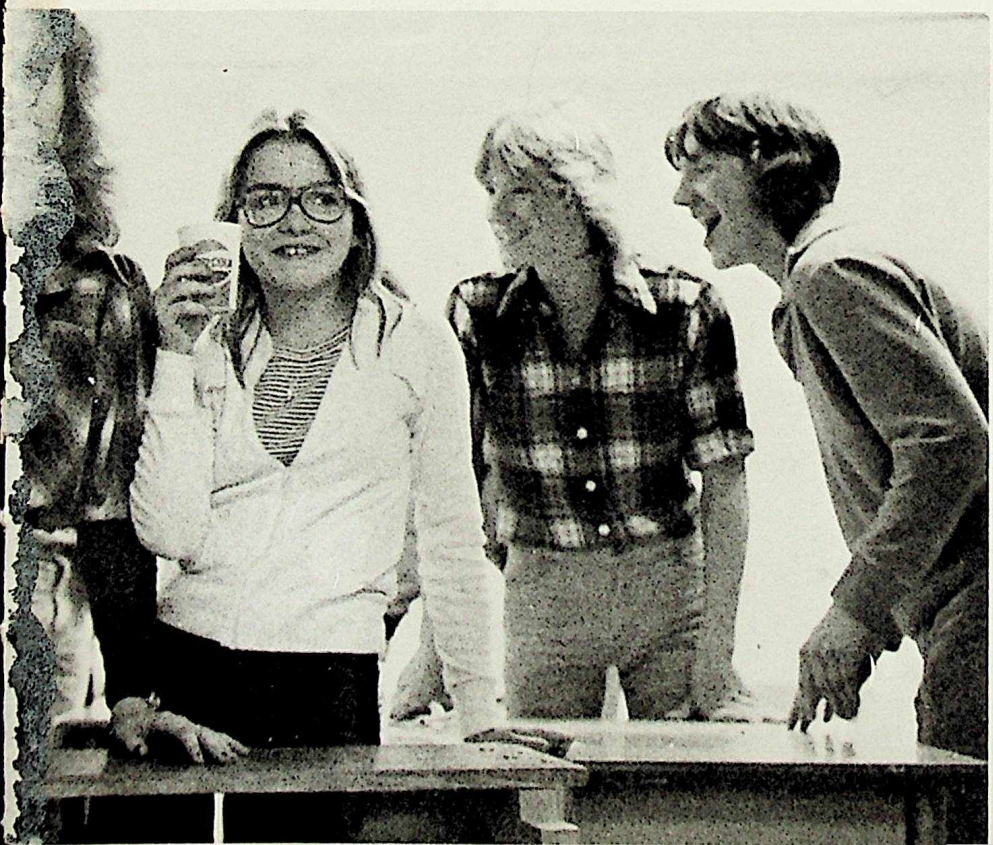






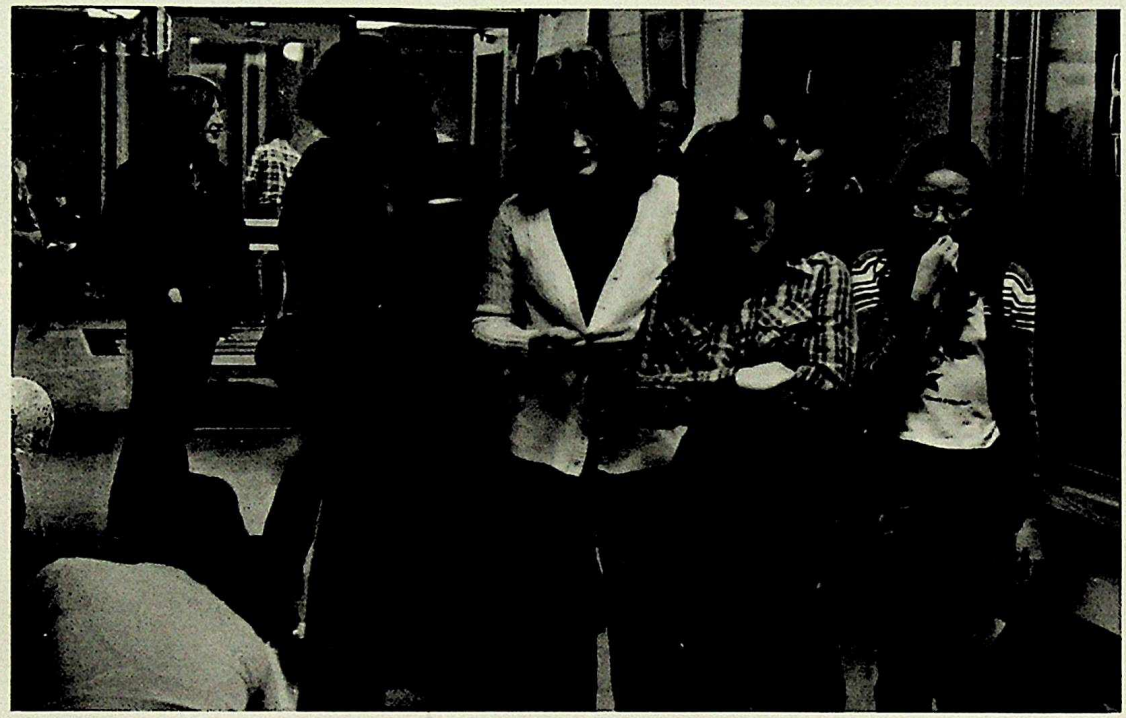


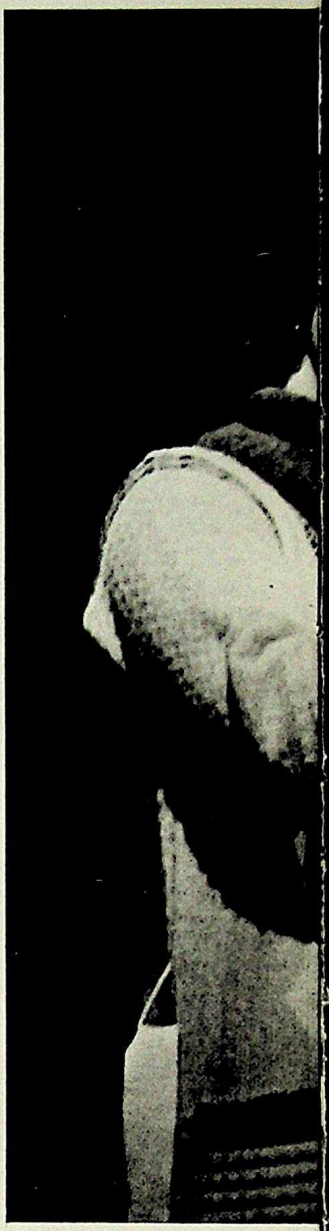




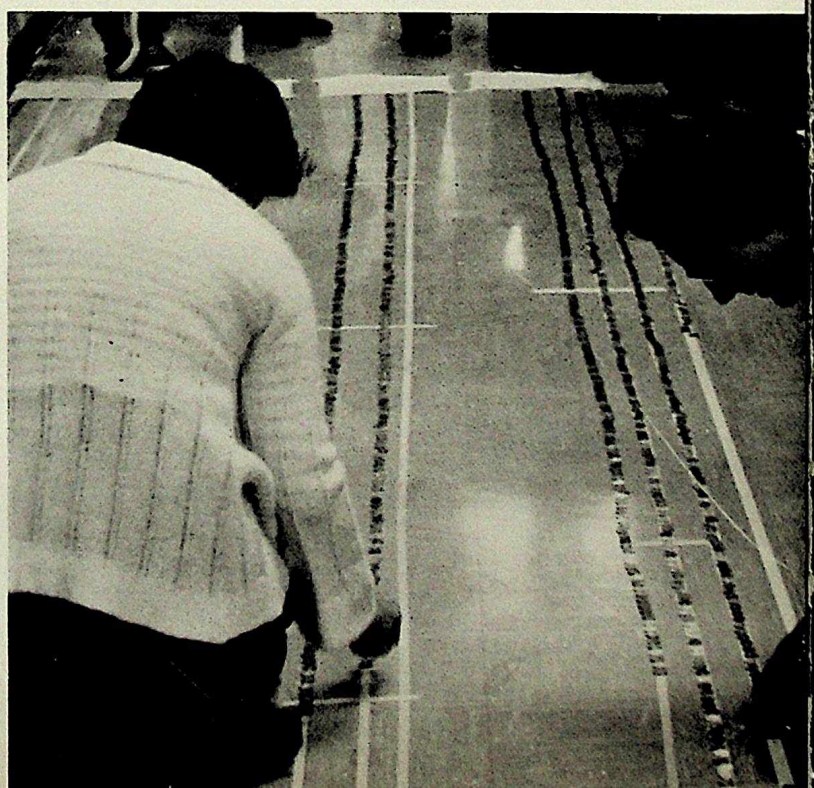
This year the students of McNally shook their booties to such bands as 5th Avenue All Stars, Hickory, and Main Street etc., and as usual the walls were held up by numerous people with Dance-a-phobia, but the few that got up and boogied had a good time.

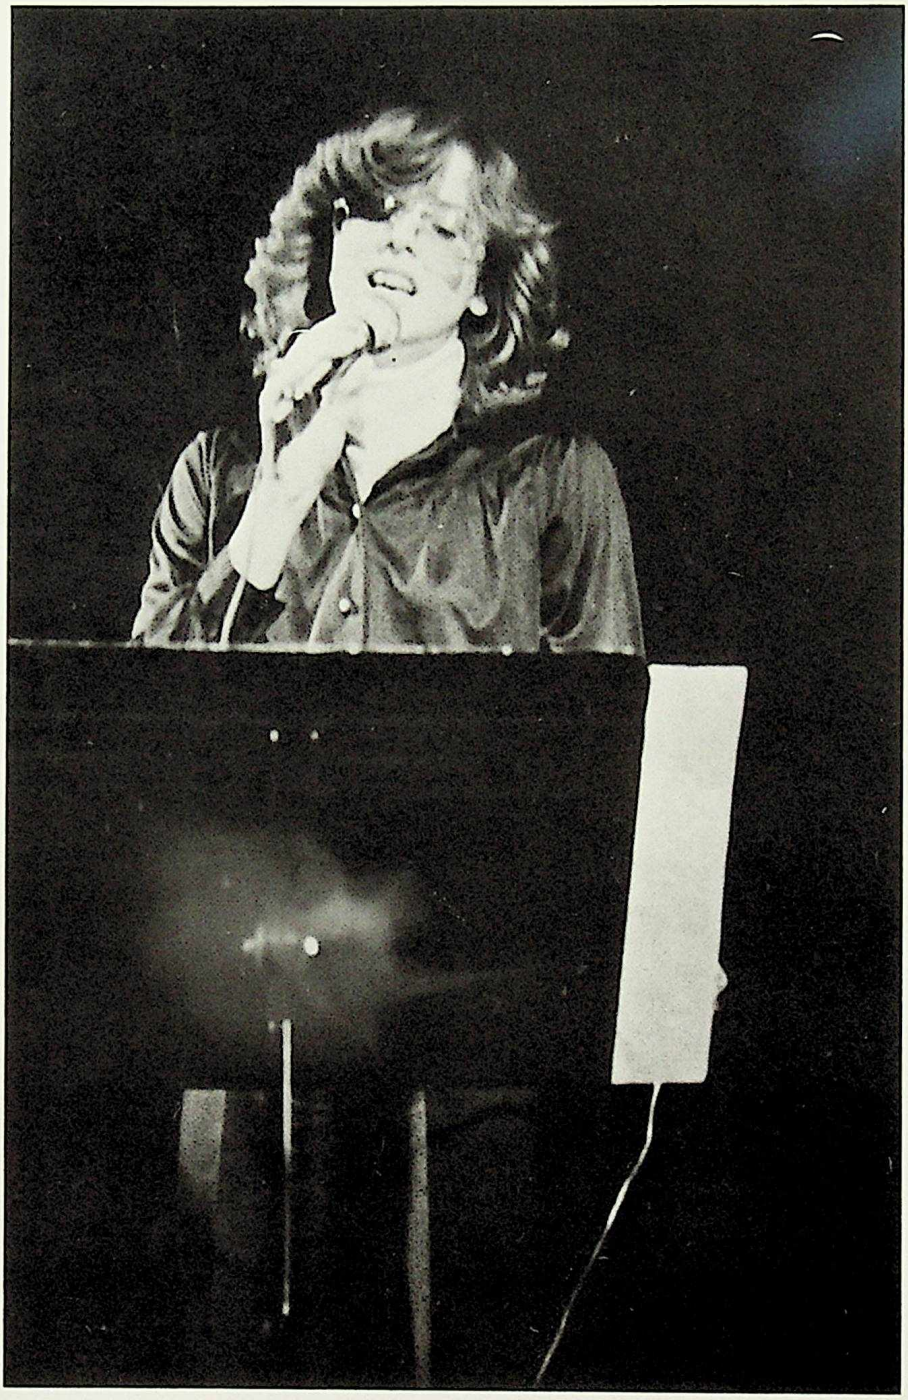
SANTA'S ANONYMOUS

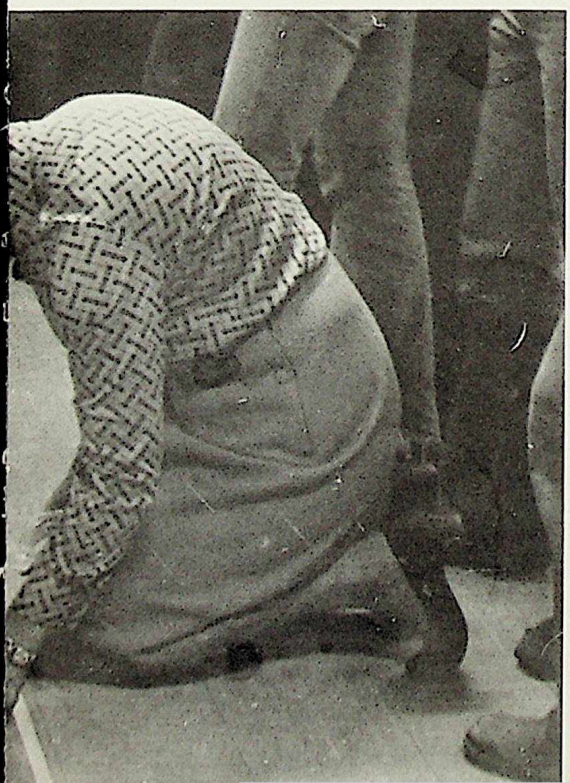


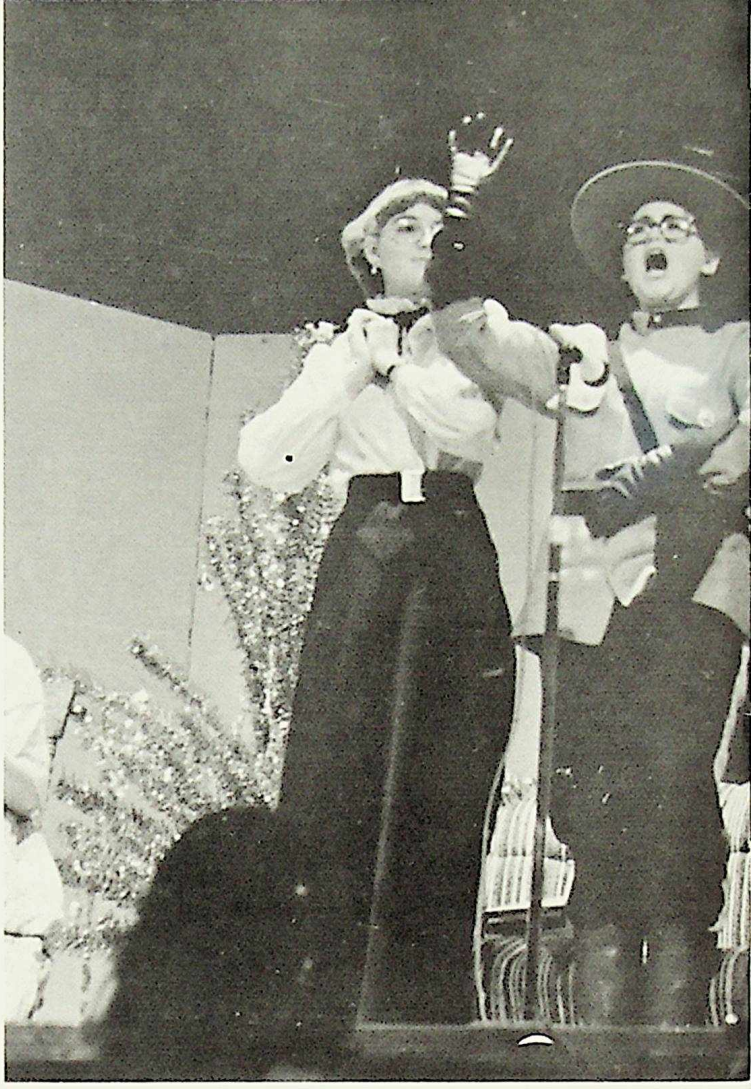


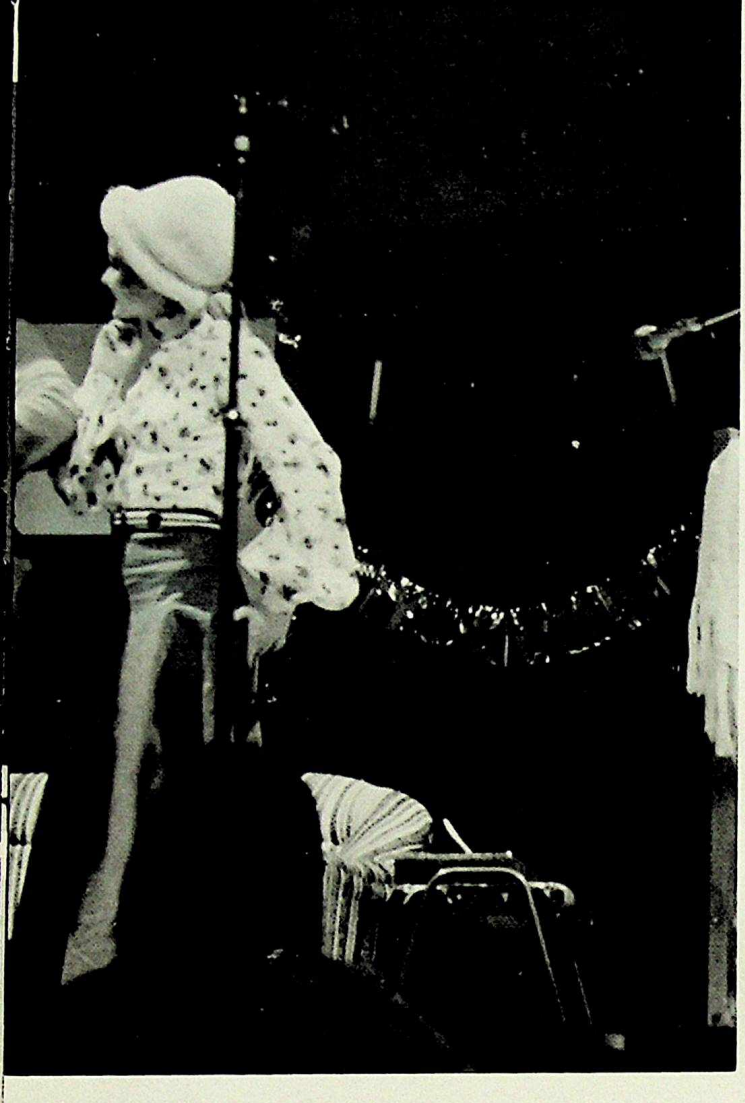
Over $600 was raised this year during McNally's annual Santa's Anonymous activities. A penny race was put on in front of the office to see which grade could raise the most amount of money. There was also activities like the candy cane sale and a musical production put on by Linda Love and Wendy Jervis.





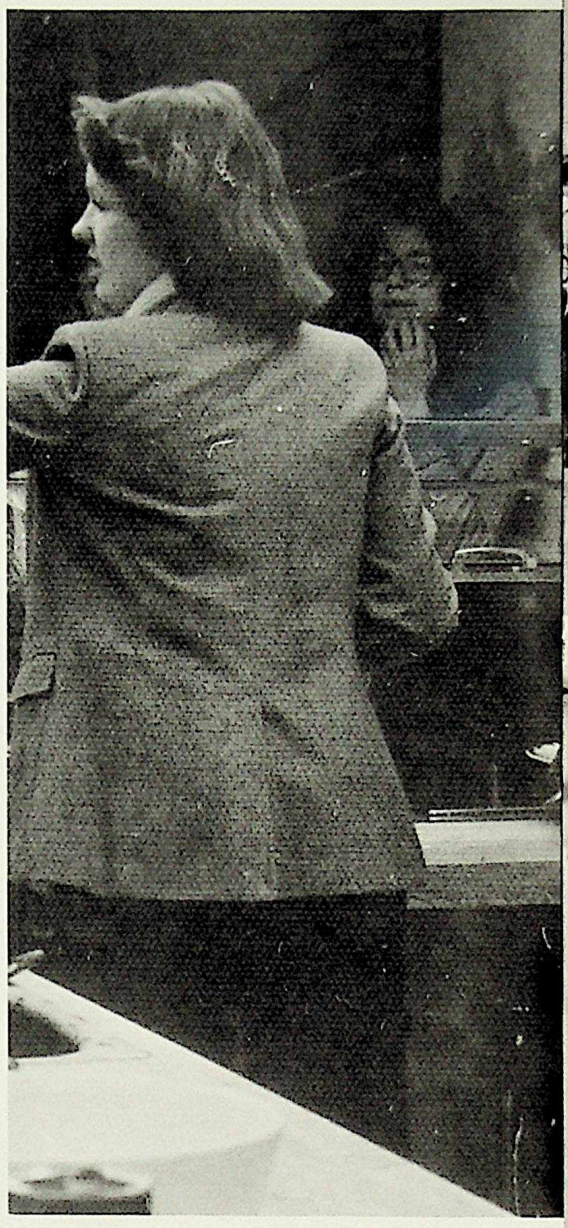




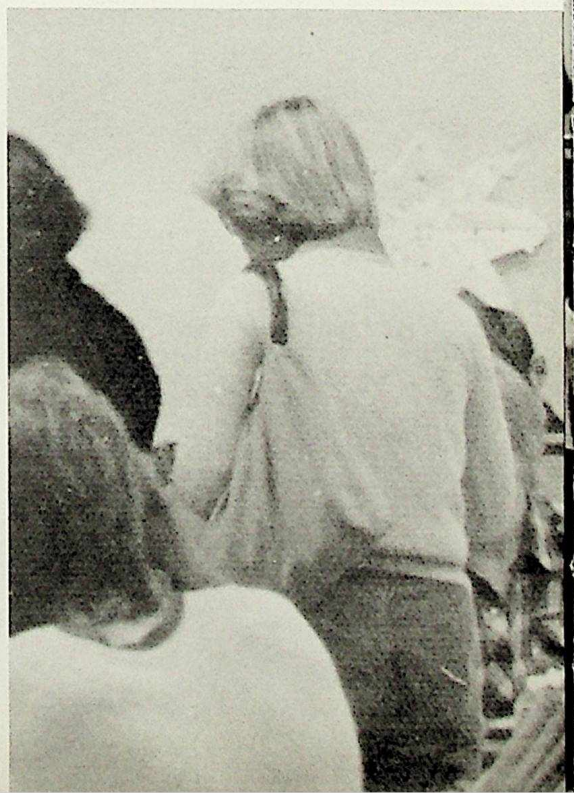


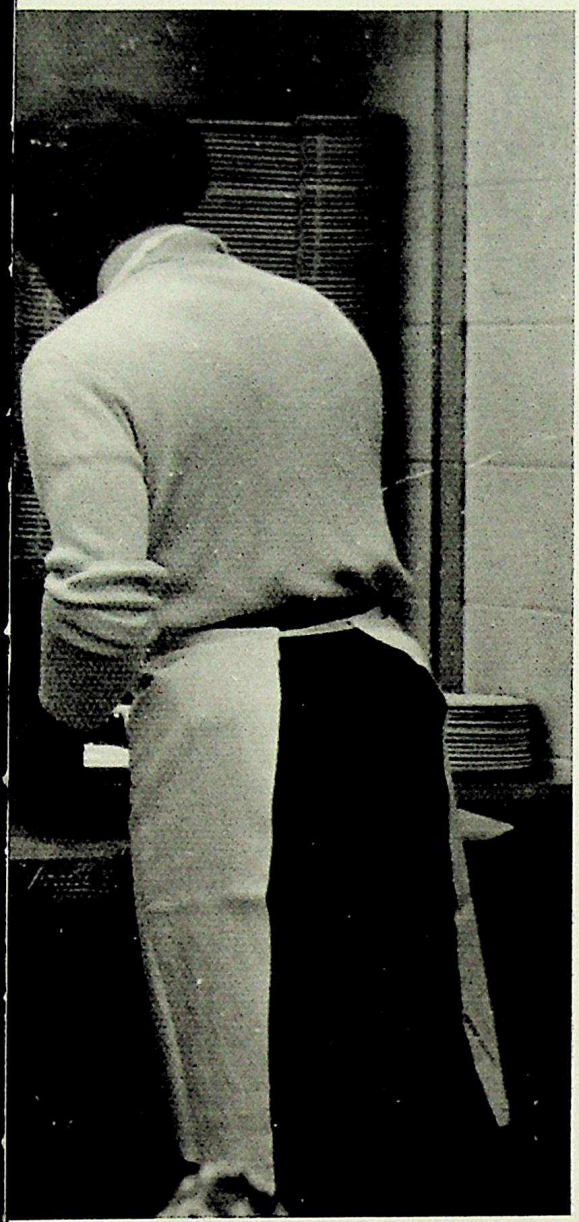
CHRISTMAS LIT

Following the pancake breakfast came the Lit. It opened with the B.B.B.B.B.B.B.B. Band. With Jim Walker as our MC, he introduced the Beach Bums, Perils of Penelope Purewhite, the Stage Band, and the S.U. production of "The Twelve Days Of Ukrainian Christmas". The highlight of the morning was the arts department's farce of Shakespeare, otherwise known as Hamlet. *After it was all over, everybody left full of Christmas cheer and anxious to start their Christmas holidays.*



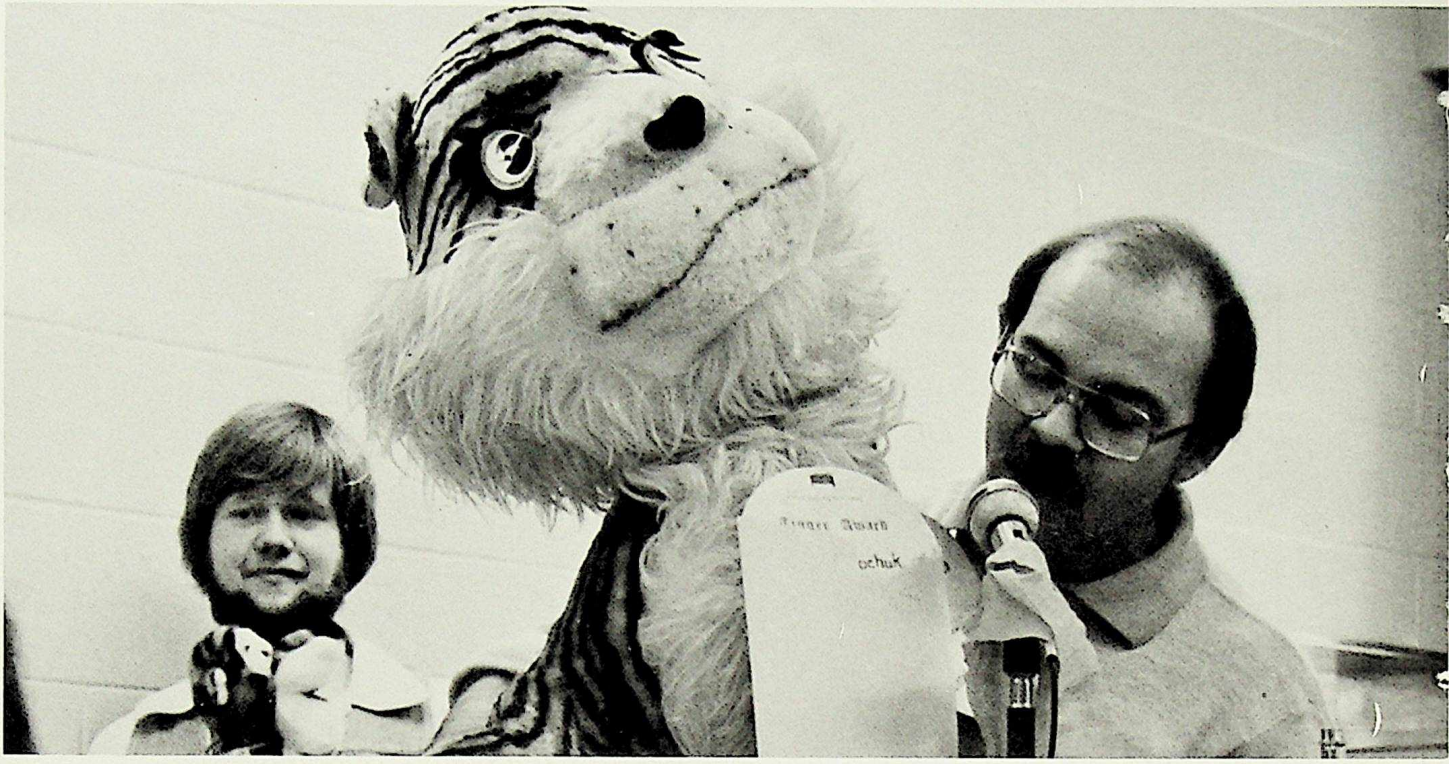
It started with a gourmet pancake breakfast, cooked by the teaching staff and guest Larry Highbaugh. During the latter part of the breakfast, we were entertained by Santa Claus, Mrs. Claus, and their reindeer. After the breakfast everyone proceeded to the small gym to enjoy 3 hours of all-round good humour and music, put on by various people within the school.

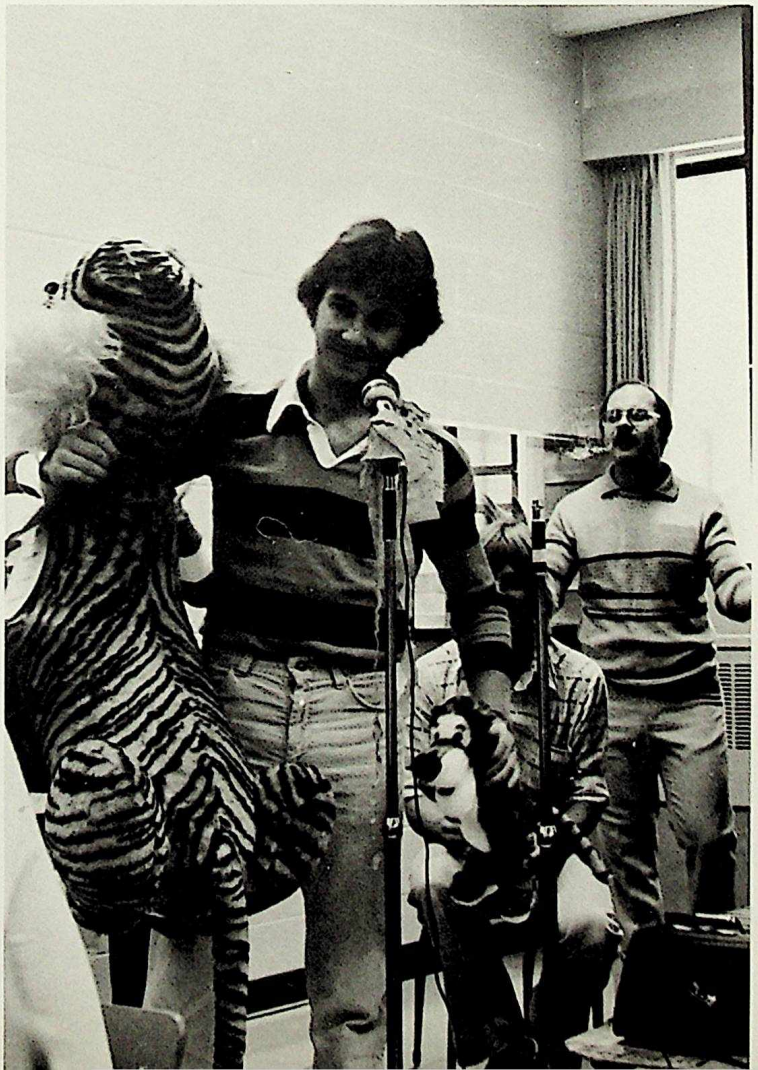


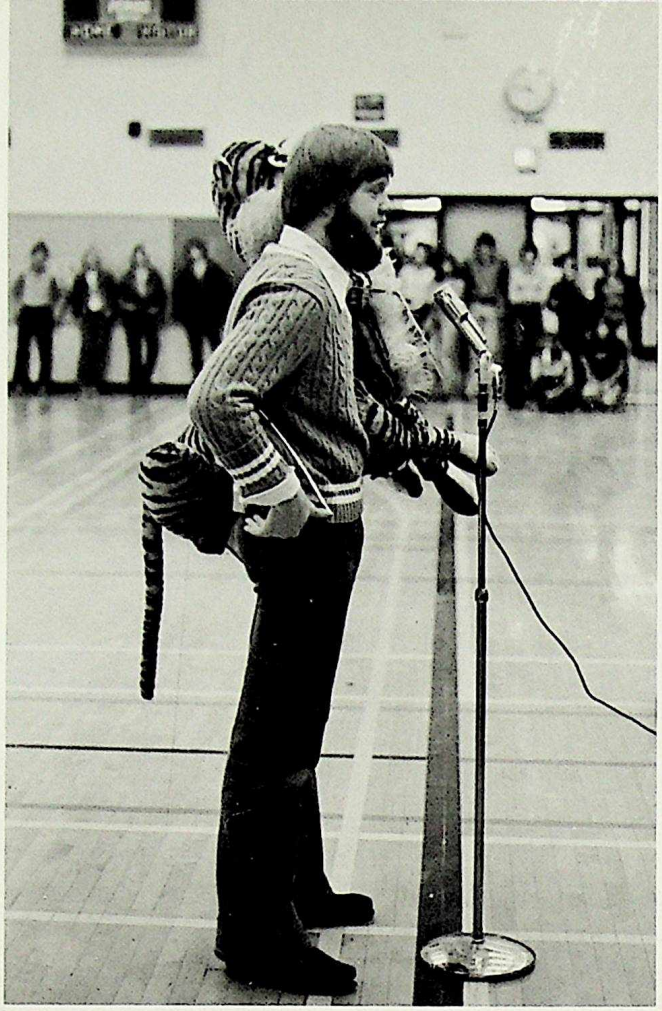


PANCAKE BREAKFAST

TIGGER AWARDS

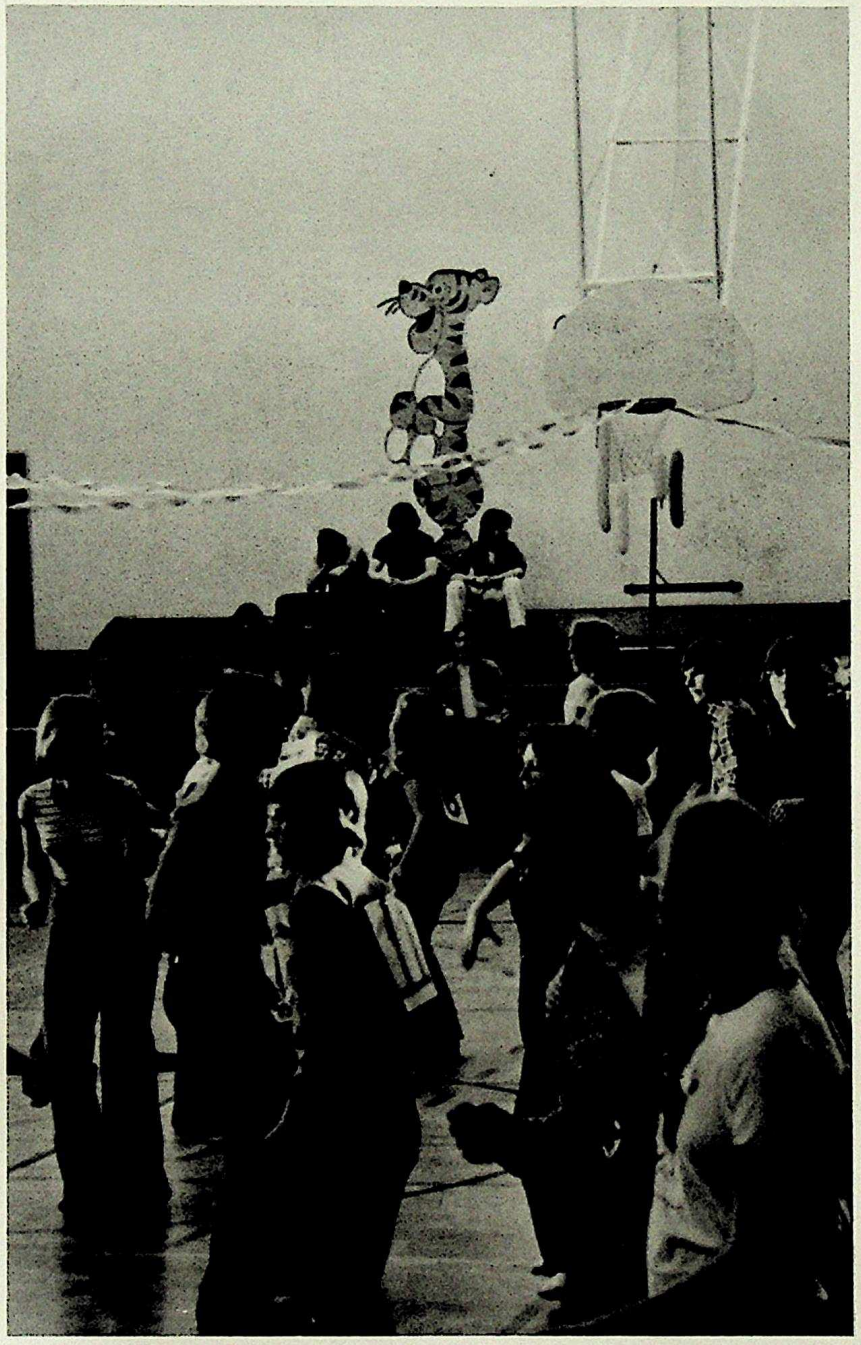


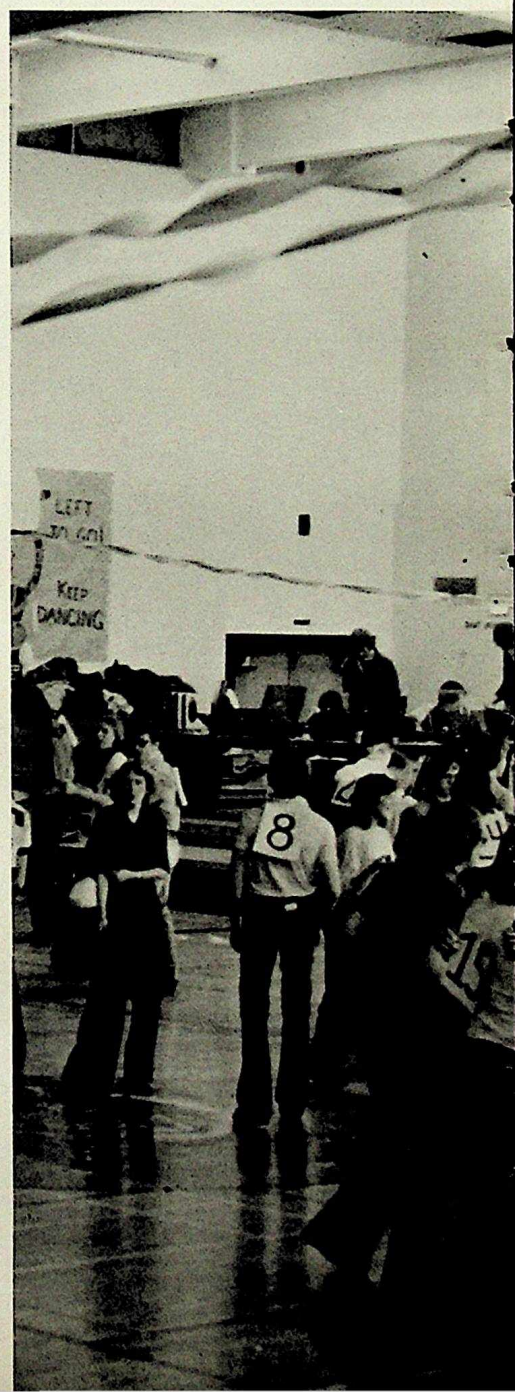


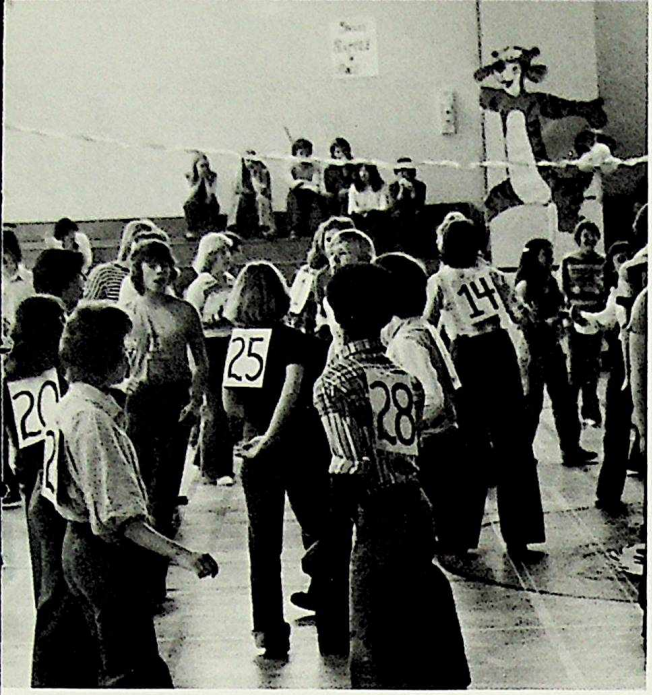


Every month nominations are accepted for McNally's Tigger award. This award is presented to students or staff who have significantly contributed to McNally's school spirit. So far this year awards have been given to: Mr. B. McWilliam, Rob Kruhlak, Jim Repchuk, Wendy Fisher.

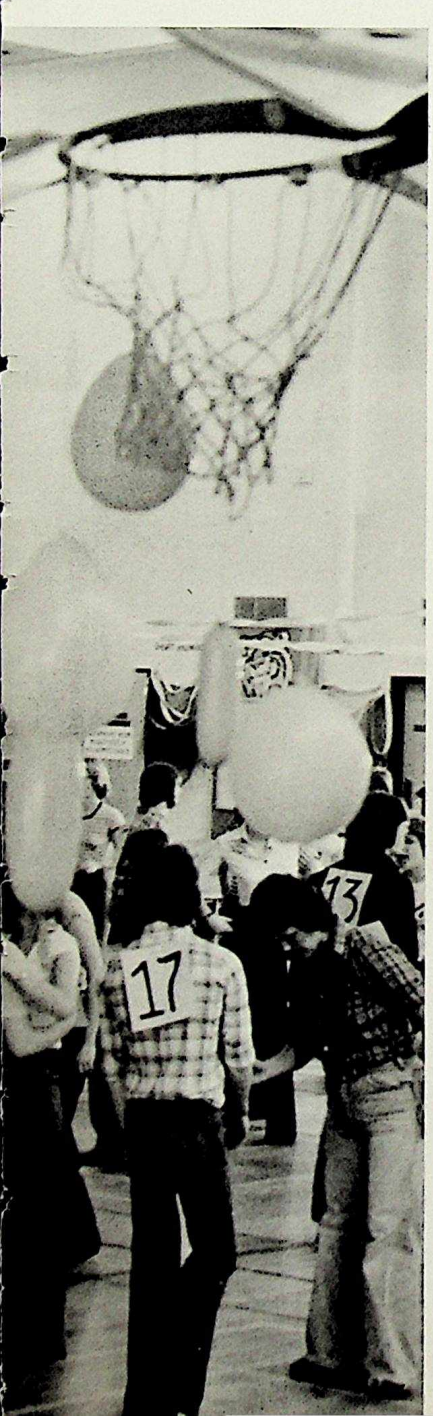
DANCE-A-THON

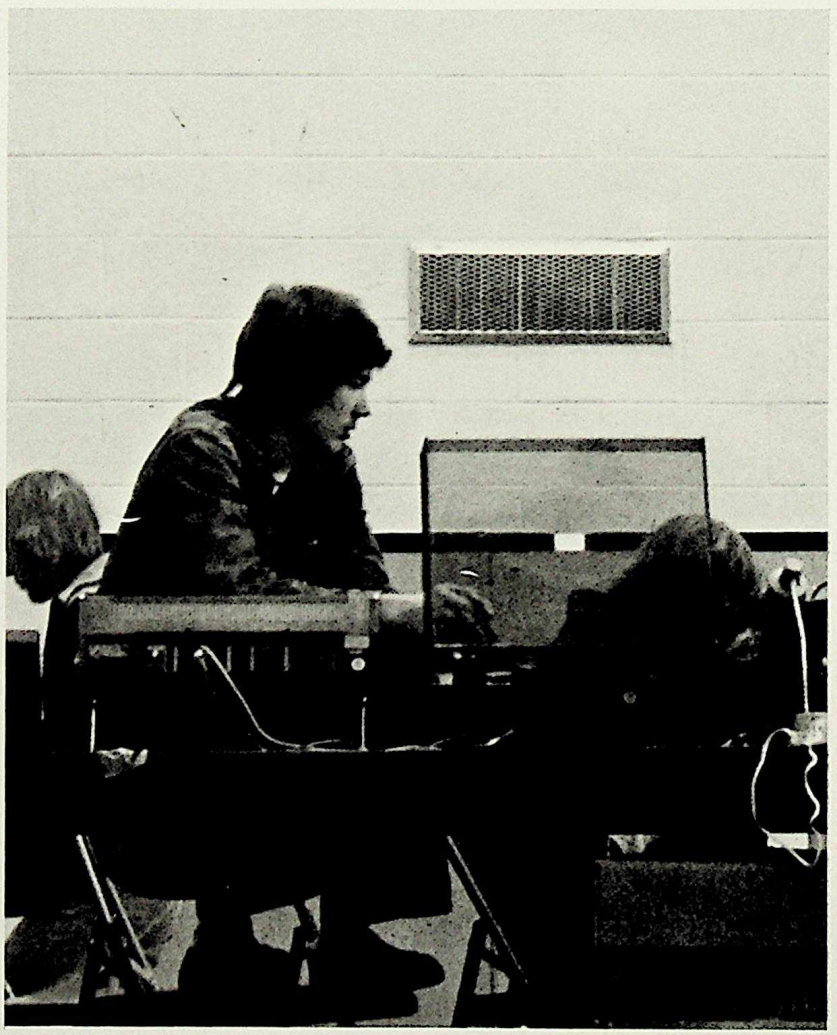




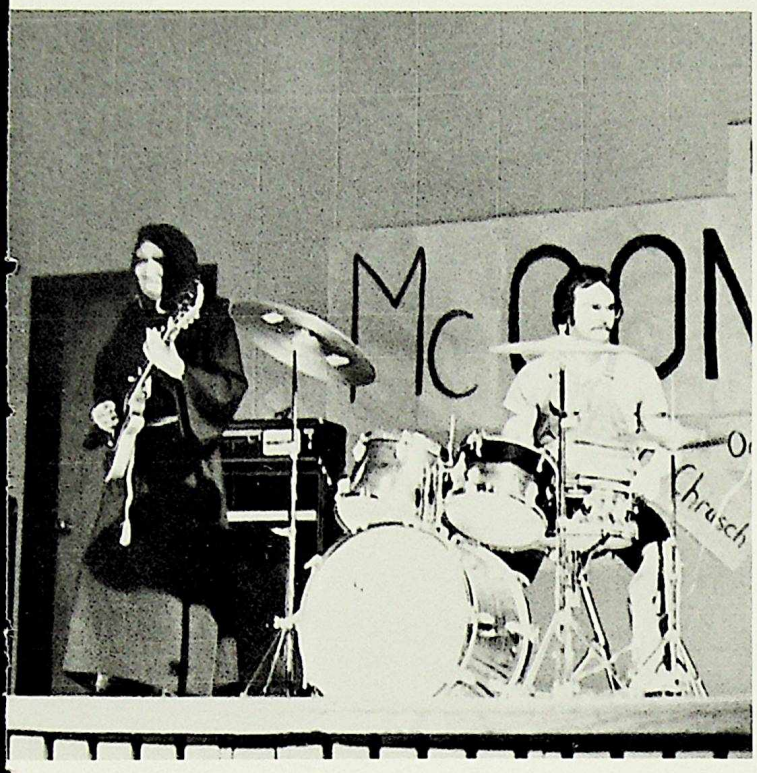


Establishing a tradition McNally's second annual Dance-a-thon was a great success approx. $1500 was raised. The winning couple, Patty Davies and Darcy Readman, raised $180 and won themselves a dinner for 2 at the Overlander.

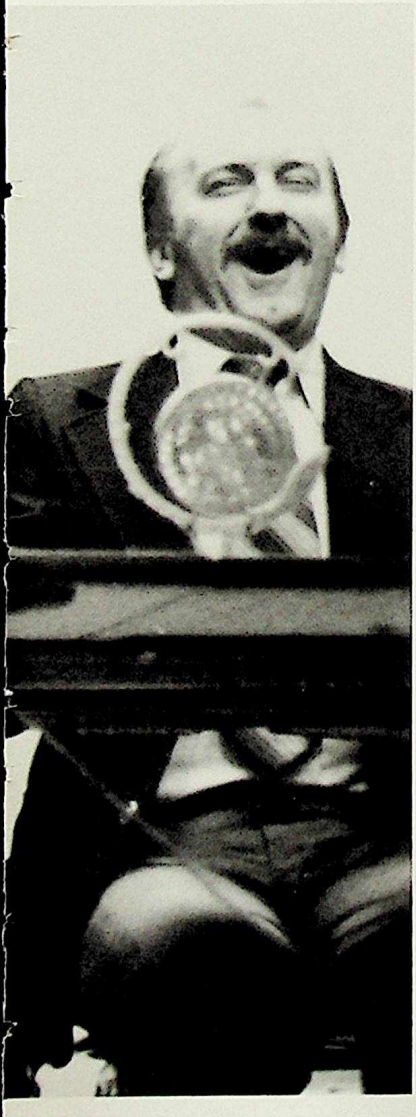


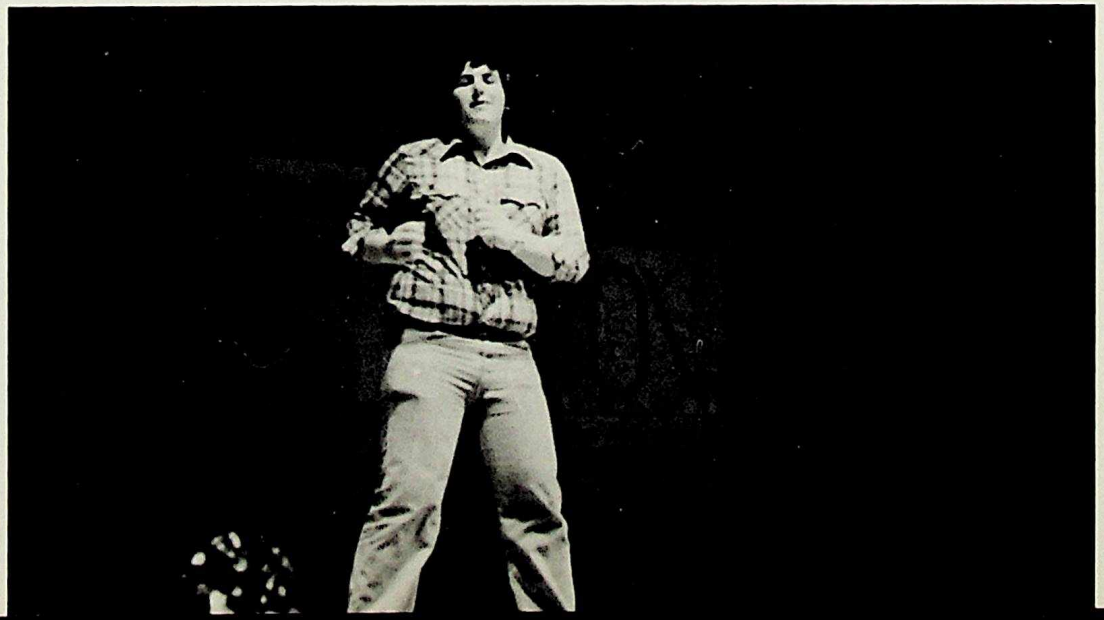


McGONG SHOW

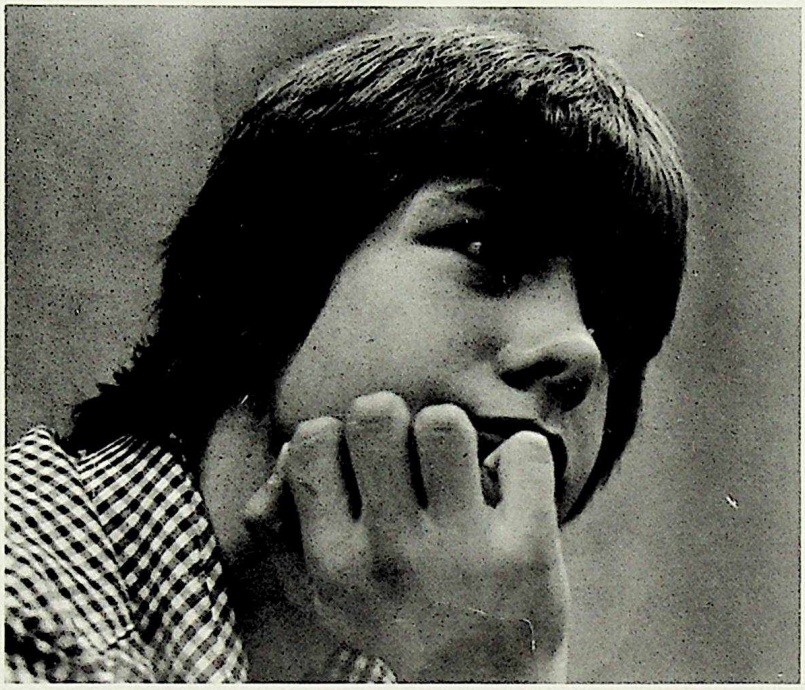


As usual, McNally comes up with something unusual! The first annual McGong Show was presented in the small gym. With acts like the RBBB, Short People, The Ping Pong Heads, and other imaginative acts. This show was right up to the unusual standards of unusualness. The acts were judged by Mr. Crusch, Mr. Kachuk, and special guest, Larry Highbaugh. The winning RBBBAND was presented with a miniature gong.





PAPER TIGER



Back Row: Henry Henschel, Mr. Oberholtzer, Brian Holme, Peter Dyck, Jack Chu. Front Row: Connie Benson, Don Millar, Wendy Fisher, Sandy Popowich, Cathy Starring, Sue Melnychuk.

RADIO SHOW

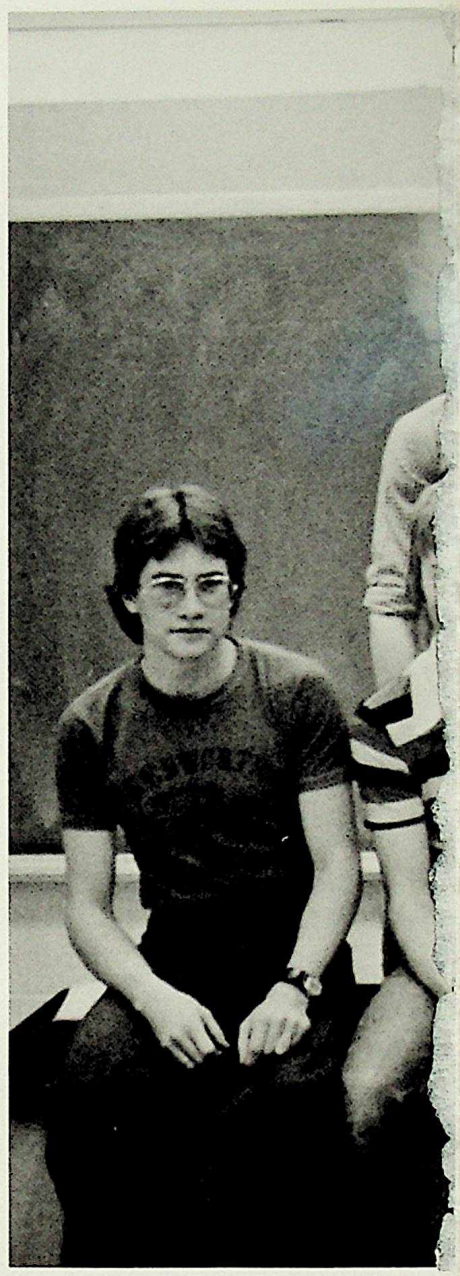
"We Will Rock You," "You Light Up My Life," and other such well known hits are just a few examples of the music put on by McNally's noon hour Radio Show. The members of this club rocked the noon hours by playing the year's top hits.

Sue Melnychuk, Kathy Mulka.

The Paper Tiger, with its hard-working staff, expressed students' views in four editions this year. From Hench on the Bench to Frank Glutton, the paper not only entertained, but informed the students of McNally of past events.

HIKING CLUB

During the year, the McNally Hiking Club discusses equipment and various trails in the Canadian Rockies. Twice a year, in the spring and in the fall, the club goes on hikes on trails that they have looked at during the year. This fall they went to Lake O'Hara in Yoho National Park. This spring there will be an expedition to Jasper National Park.



Back Row: Brian McTurk, Barry Wiskel, Mr. Dahl, Mr. Dzwiniel, Darryl McTurk. Front Row: Gordon Moorhouse, Don Pierce, Bruno Wiskel, Grant Litke, Robert Riemer, Wade Shipka, David Dyrbye.

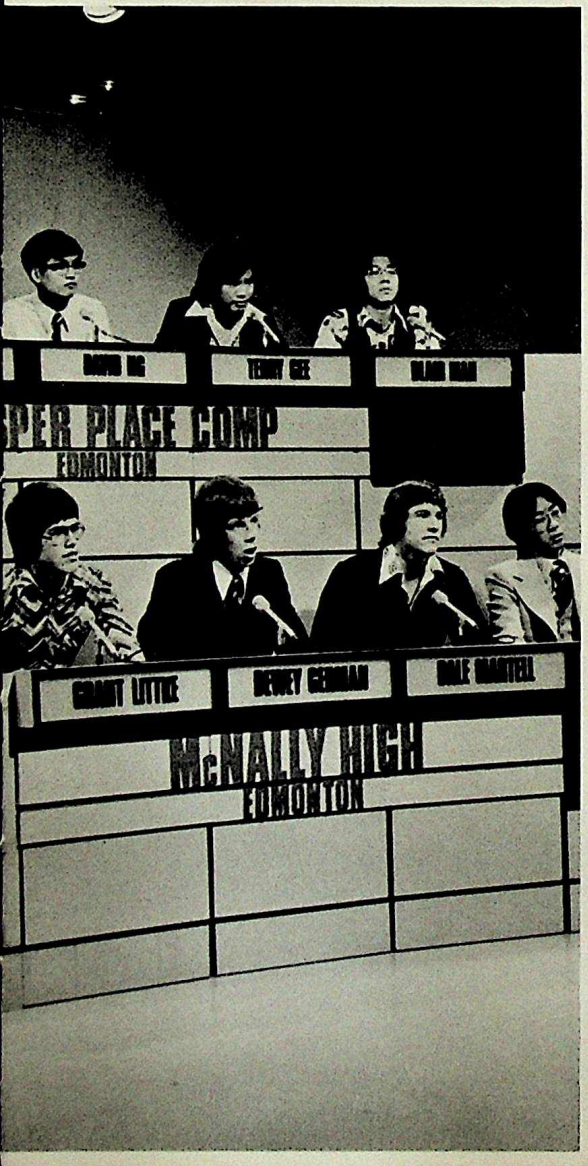
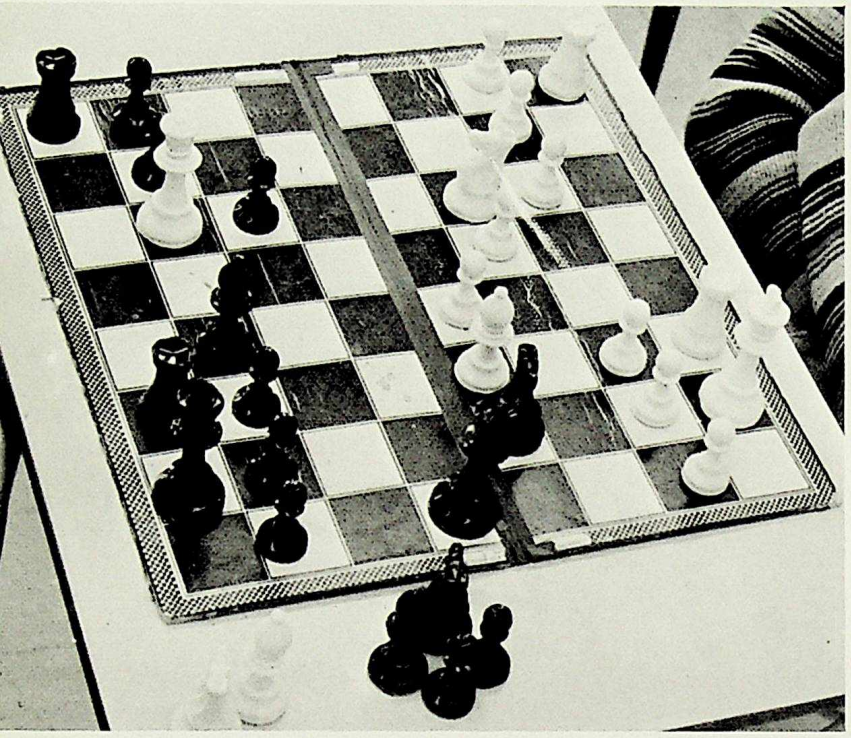
REACH FOR THE TOP

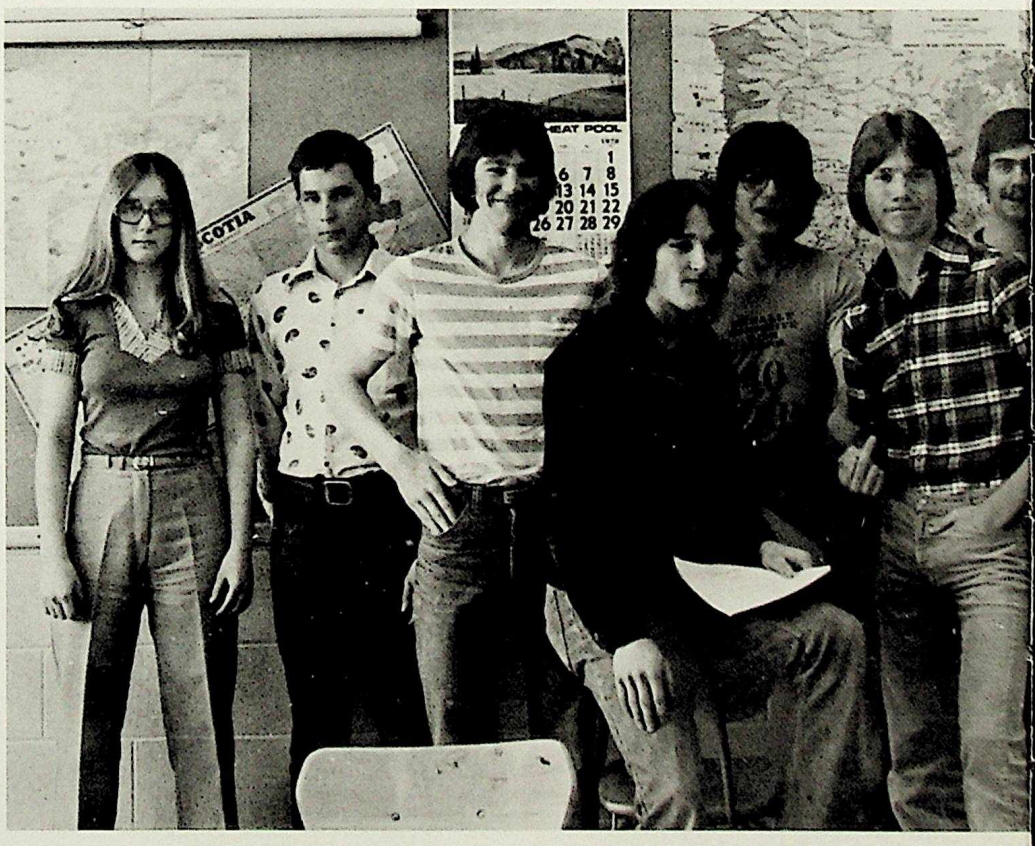
Did you know that the capital of Botswana is Cabarone? Also did you know that the largest single dish in the world is roast camel? Prepared occasionally for Bedoin wedding feasts! If you did you would probably have been one of the four exceptionally intelligent people who made up McNally's Reach for the Top team. McNally had the best showing in recent years, totally annihilating J.P. in their first game, crushing Salisbury in their second and being narrowly defeated by Saint Francis Xavier in their final game. Maybe next year McNally will finally Reach the Top!!!!

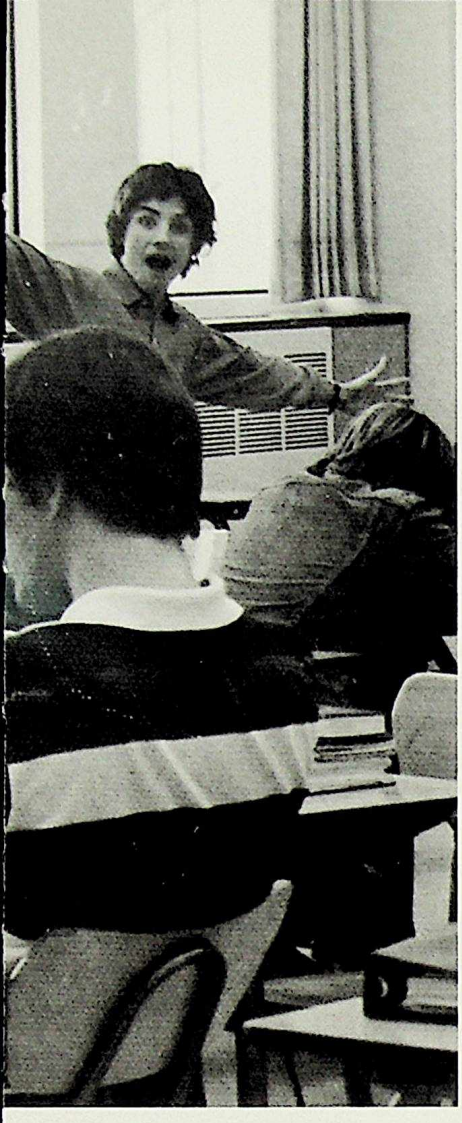


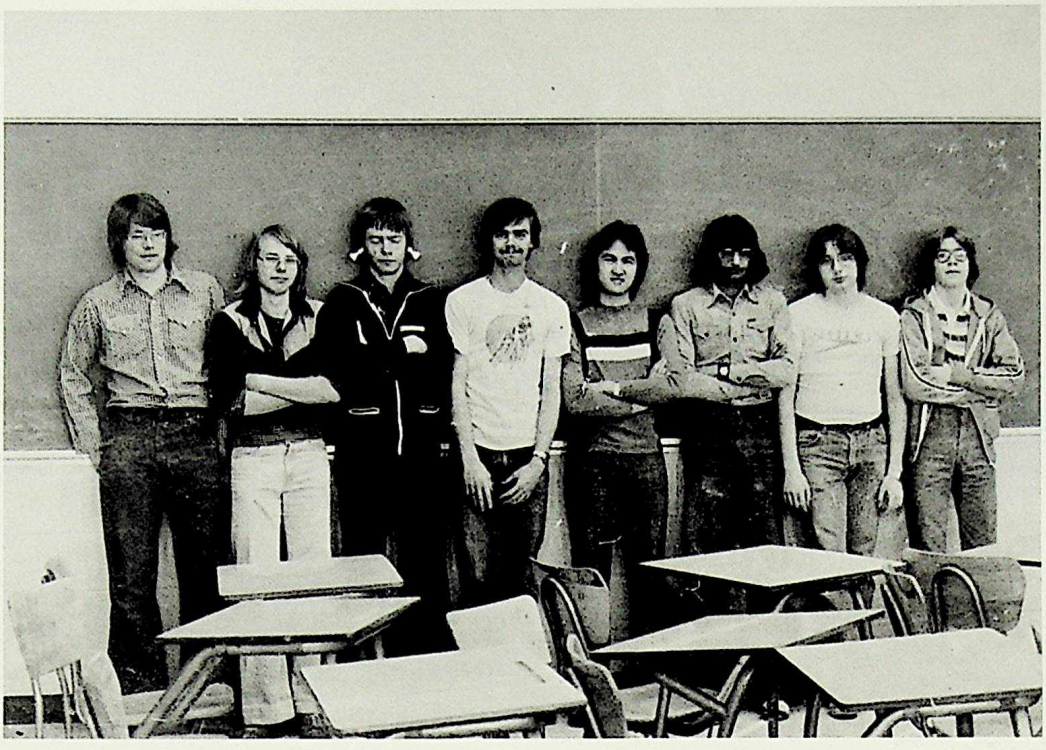
DEBATING CLUB



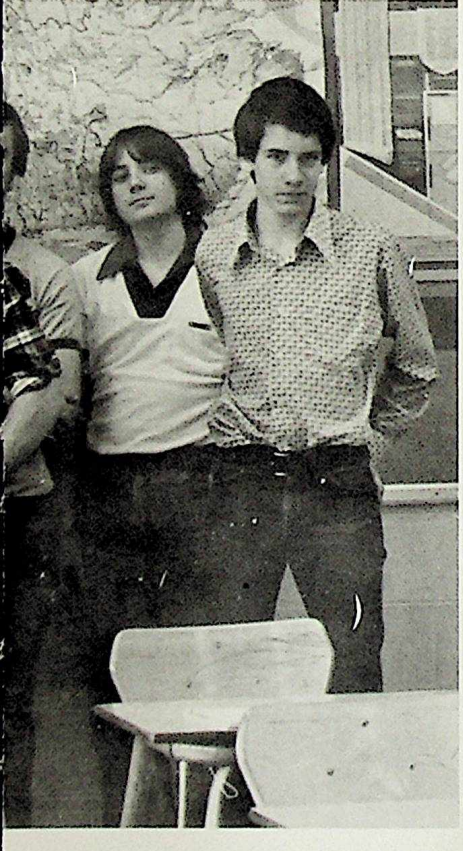
The Debating Club consisted of about 15 members. This year they held a Law Seminar and Debate; as McNally was the host team they didn't debate. Some of the teams that attended were Ft. Sask., Ross Shep, Saskatoon, and Calgary.





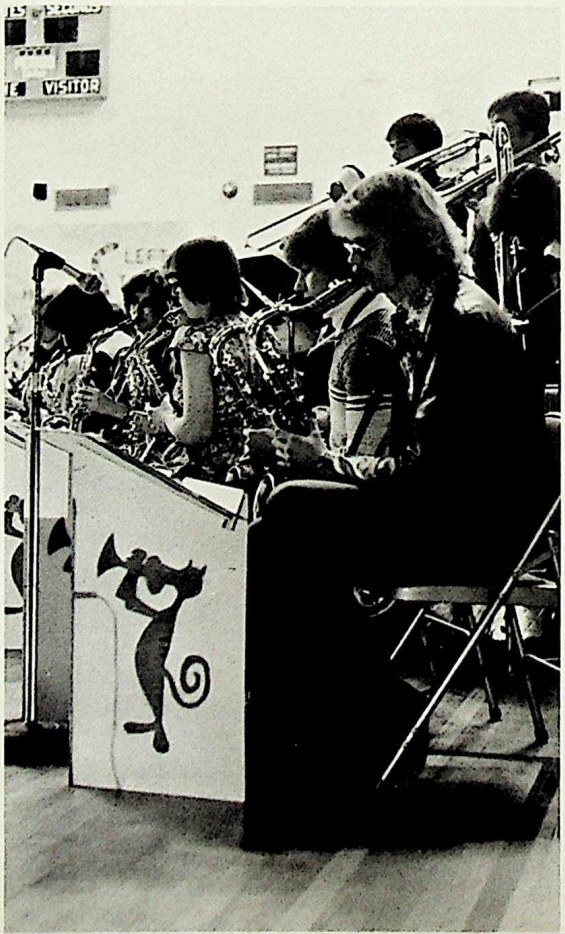


Left to right: Roger Skirrow, Dave Stuart, Don Pearce, Jim Walker, Ming Lee, Kuldeep Neote, Keith Blackwell, Ian Hanson.



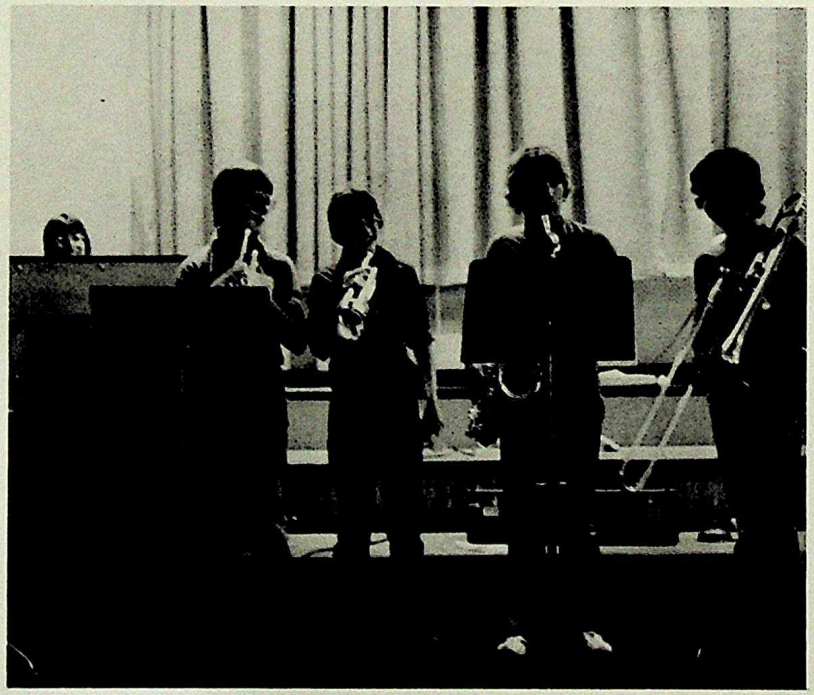
CHESS CLUB

Because the chess club got off to a late start this year, there were no big tournaments held. However, next year there might be more in the way of organized tournaments. They play not only chess, but checkers, backgammon, othello, etc. . .



VISITOR

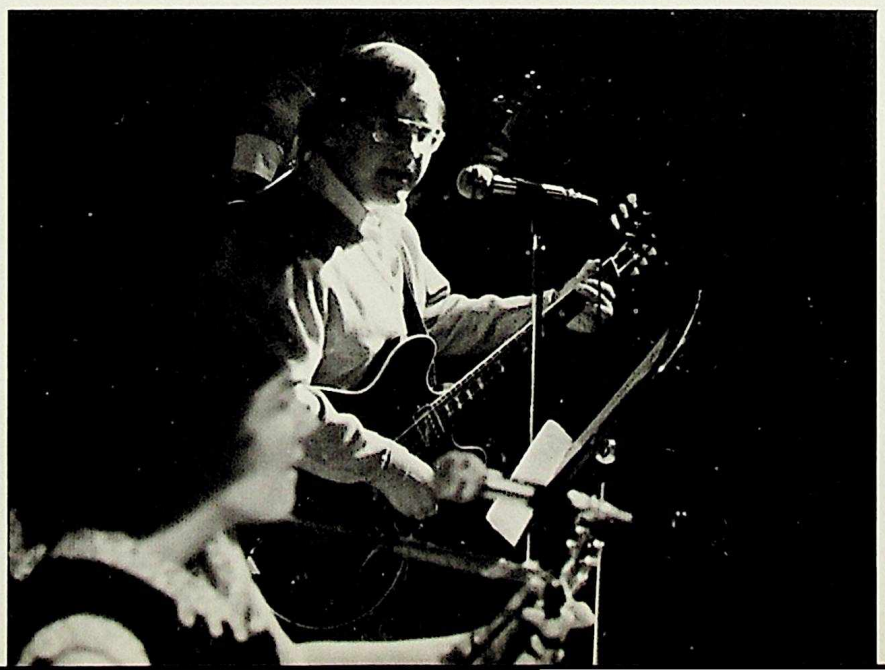
MUSIC

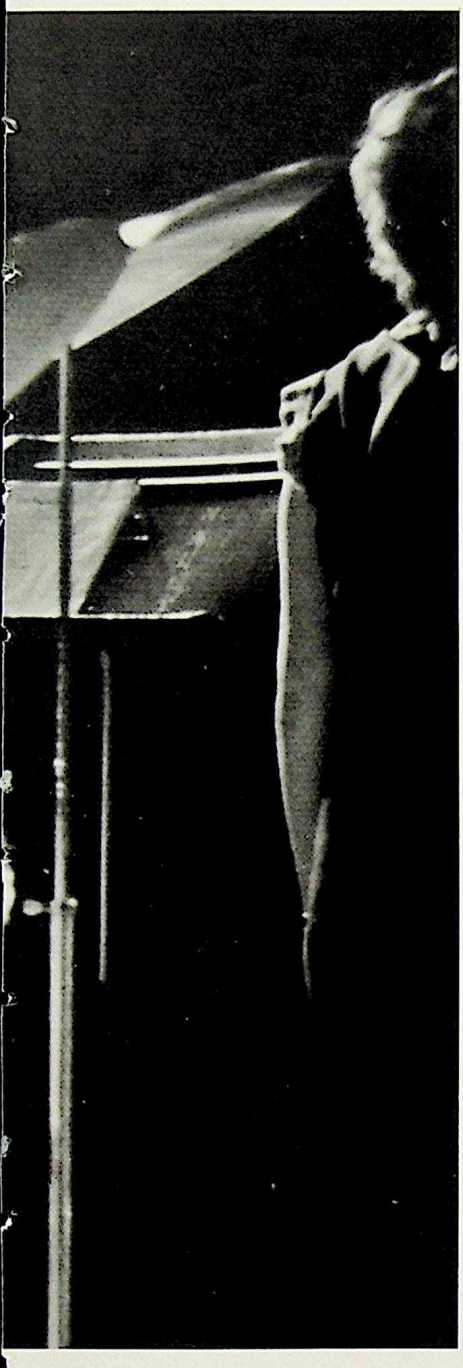


Concert band has put on two concerts so far this year; one in November, and on in March. At Christmas, the band played at the Jubilee and Hardisty nursing homes. In mid-April, the band will be competing in the Kiwanis Music Festival. Later this year, they will be going to Moose Jaw to participate in the International Band Festival, and they will also be going to Red Deer to compete in the Canadian Band Director's Association competition.

Stage band participated in the two band concerts, and will be competing in Kiwanis, Moose Jaw, and Red Deer, also. In addition, they played in the Canadian Stage Band Festival, where they advanced to the Provincials level.

The 1977/78 year marks the formation of a band boosters club. This group aids the band in matters of budget and finance. The group decided at the beginning of the year that their main goal of this year was to get uniforms for the band. Towards this end, the boosters club sponsored an evening of dinner and dance. Stage band played dance music for four hours following a gourmet dinner served by members of the concert band.





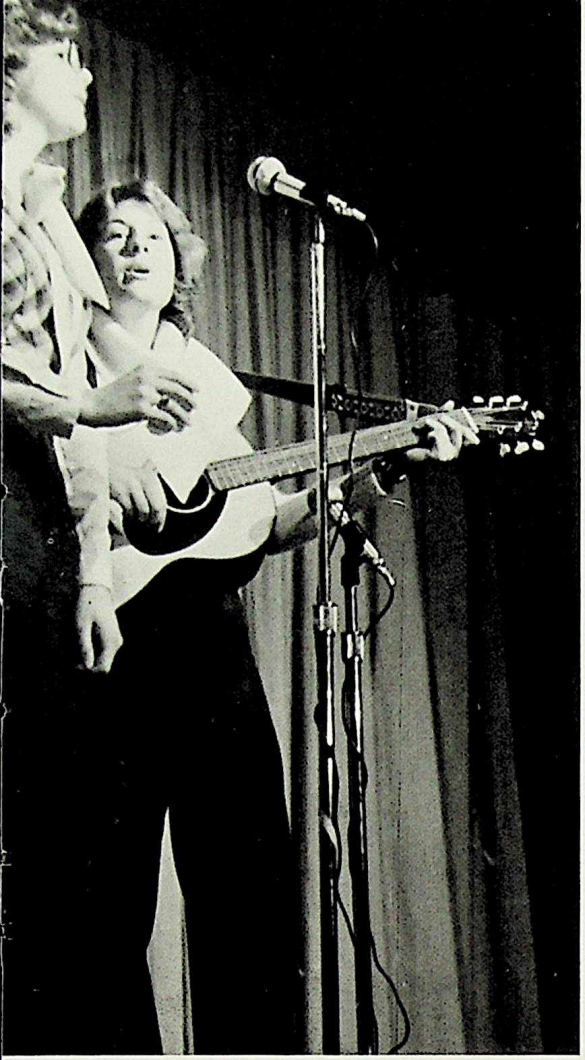
Standing: Pat McManus, Dean Clarke, Kerry Cameron, Mr. R. Davies, Lynne MacLean, Sandra McTavish, Al Stroich, Jim Dinwoodie. Sitting: Gary Sedgwick, Kevin Dennis, Dawn Cameron, Doug McNeill. Missing: Harold Petrich, Andy Hill, Wendy Jervis.

The C.A.C. entered its second year of successful operation at McNally. Productions included: "Words and Music: Bob Dylan," "Son of Horrorama" (Halloween), "Remembrance Day: Anti-War Message," "The Great Milk Skit," "Christmas Lit Variety Show," "Robbie Burns's Show," "Rhymes and Valentines," and "Hare Wars." It is unfortunate that this very active club will be losing key members (many of whom are grade 12 students) next year. Any students interested in adding life and fun to McNally's noon hours might consider this organization.

I.S.C.F.

Back Row: Kevin Dennis, Don Pedde, Peter Dyck, Dan Hollemeyer. Middle Row: Dawn Cameron, Joanne Pollard, Chung, Janet Campbell, Peggy Anderson. Front Row: Ruth Callander, Mrs. Adolph.

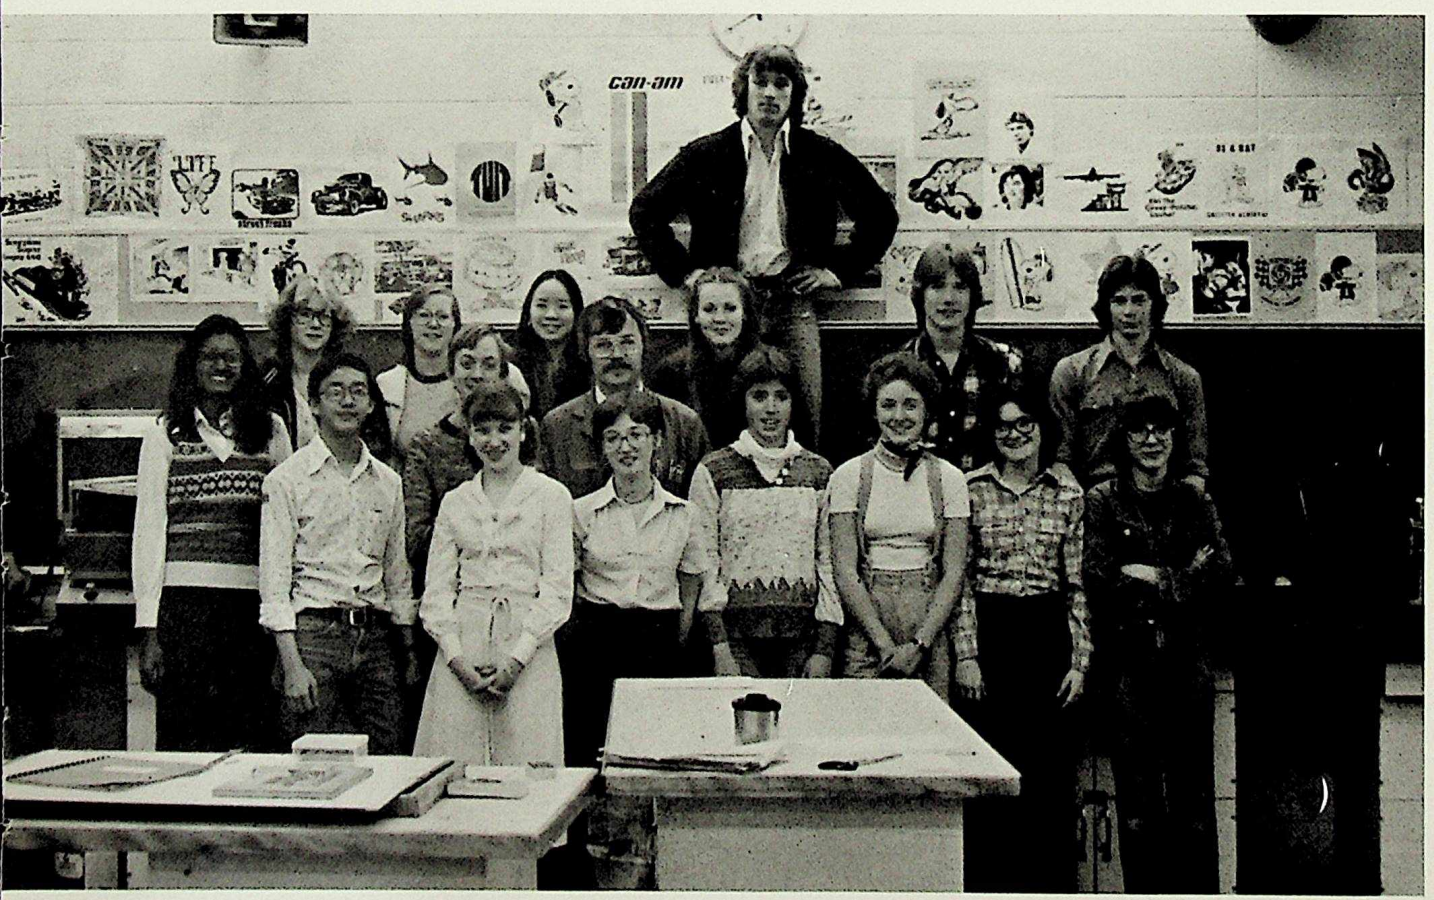
Yes, that's what we're called. Most of us are christians. We did try to get together every week to provide some fun and fellowship. One of the main purposes of I.S.C.F. is to reach out to people and let them know about Jesus and God. This was done through music, film, and the bible studies that we've been having on Friday noon hours. The topics covered so far have been "What is a Christian!" and "How to come Alive as a Christian". We generally have good discussions during the bible studies even when they were at 7:00 a.m. One last and very important way we have tried to reach out to people is through our camps. At these camps you can go horseback riding, swimming, mountain climbing, skiing, tubing, join in the hay rides, and also have a few bible studies. A lot of people have really enjoyed themselves this year, so next year maybe you can join and have some fun too!

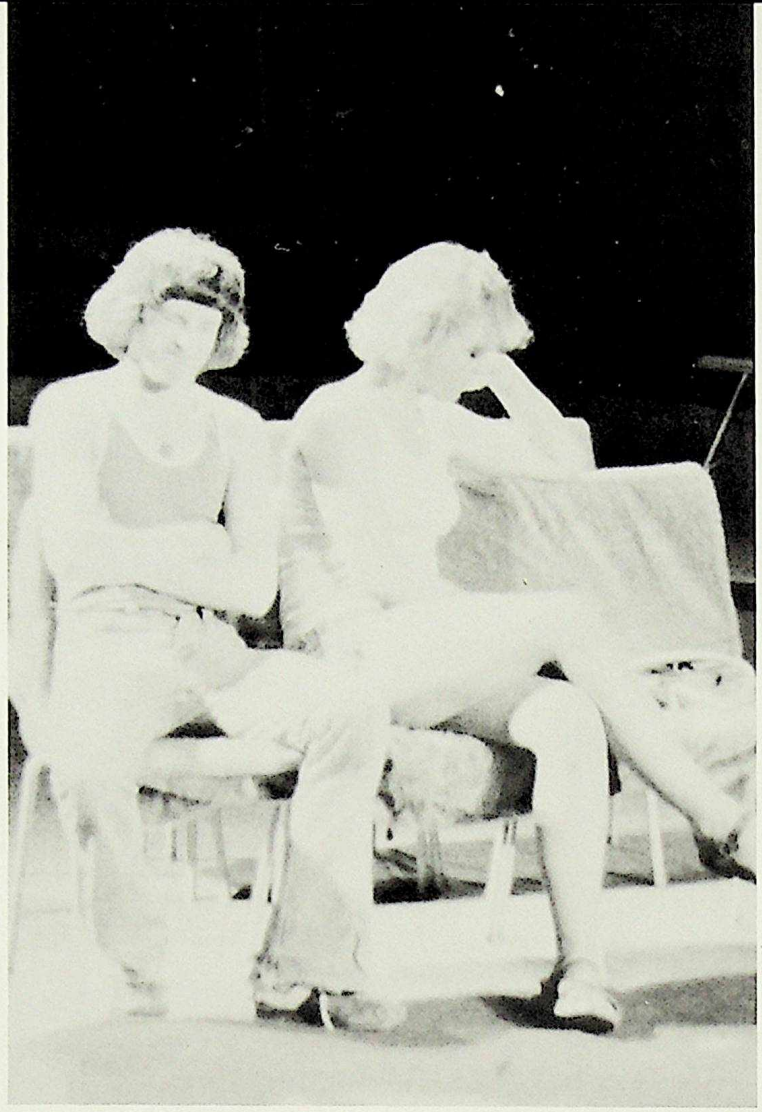


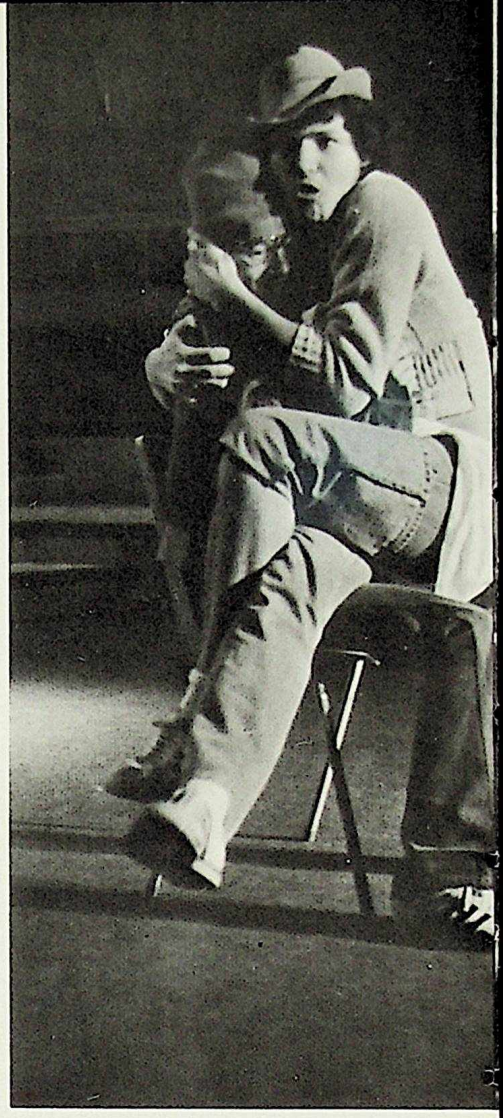
GRAPHICS CLUB

Top: Bruno Wiskel. Middle Row: Sadiyeh Ibrahim, Carol Elstone, Karen Maine, Larry Baur, Jenny Poon, Mr. Leenheer, Vicki Sutton, Wade Shipka, Brian McTurk. Front Row: Jack Chu, Michele Wygera, Lori Sokoluk, Carol Littke, Judy Chambers, Marcia Gorgichuk, Scott Metz.

Some joined to find out what it was all about. Others joined because they wanted to do graphics projects, but weren't in a graphics class. Whatever their reasons, a lot of people became members of the graphics club this year. With alot of co-operation, the more experienced members helped out those less experienced and everyone came out with many interesting projects. Aside from personal projects, the graphics club was also asked to make up McNally T-shirts for sale to the Students.

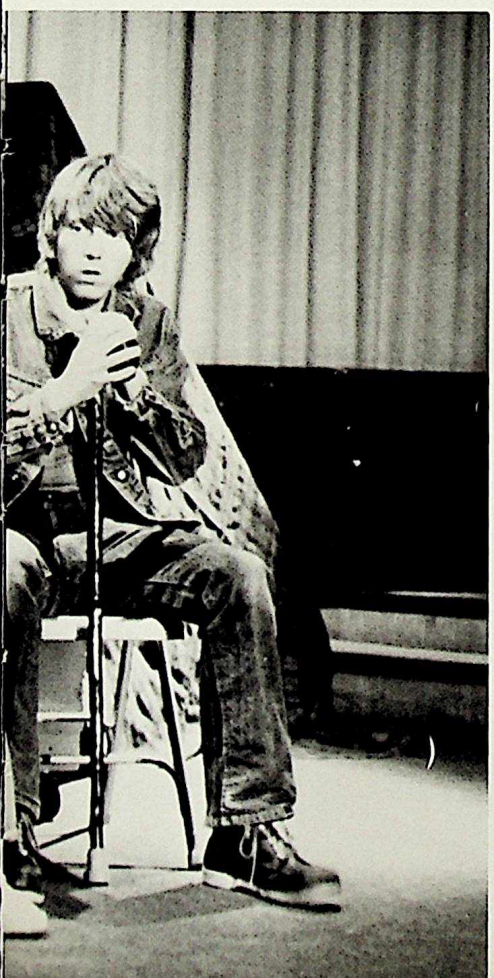


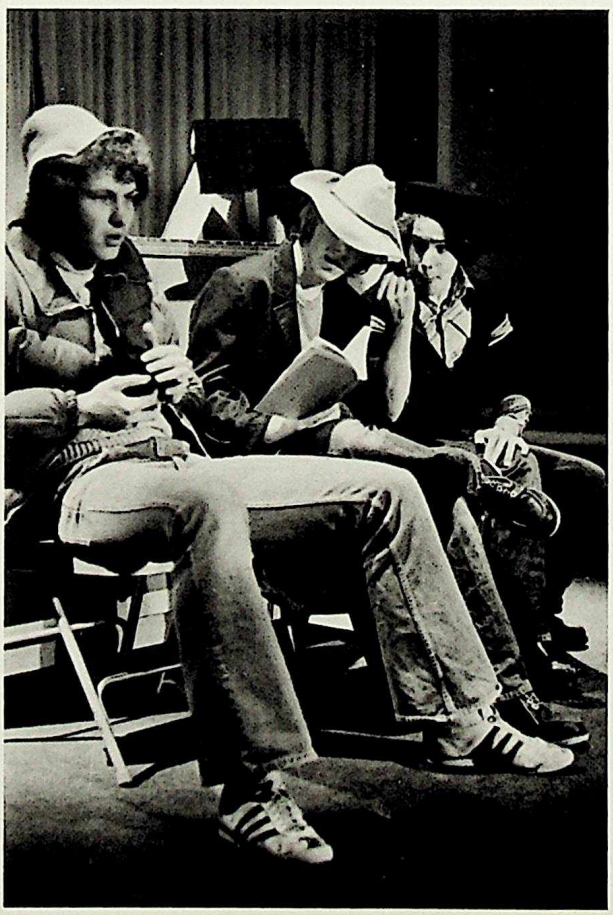




DRAMA

Put a group of unusual, weird, crazy, and creative people together — and you have our Drama Club. In their presentations you got to see what McNally students are really like. Each presentation was a collection of skits thought up by the members of the club.

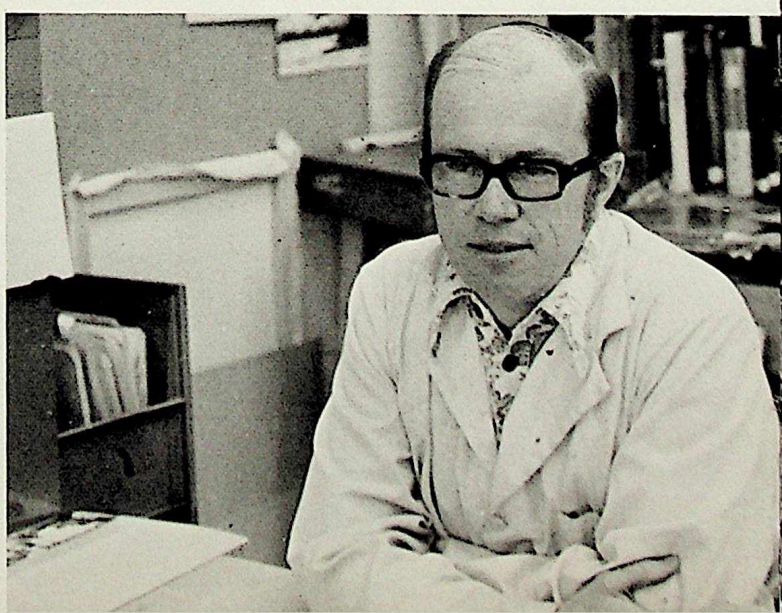




TREND STAFF

Working on this year's Trend has been a year of headaches, arguments, good times and eventually meeting the famed deadline. Through piles of layouts, pictures, sacrificed noon hours, missed suppers, and other such frustrations, we were able to complete an almost impossible task. There were times when we wanted to just forget it all, but "something" (our Friesen Rep.) was always there to push us on. We hope you enjoy this yearbook as much as we enjoyed working on it.

Barb Stretch



Back Row: Lorna Fox, Karin Ditschun, Judy Chambers, Lori Sokoluk, Jim Young, Lynne MacLean. Front Row: Janice Micheals, Sherry Hill, Allyson Lyne, Wendy Farris.

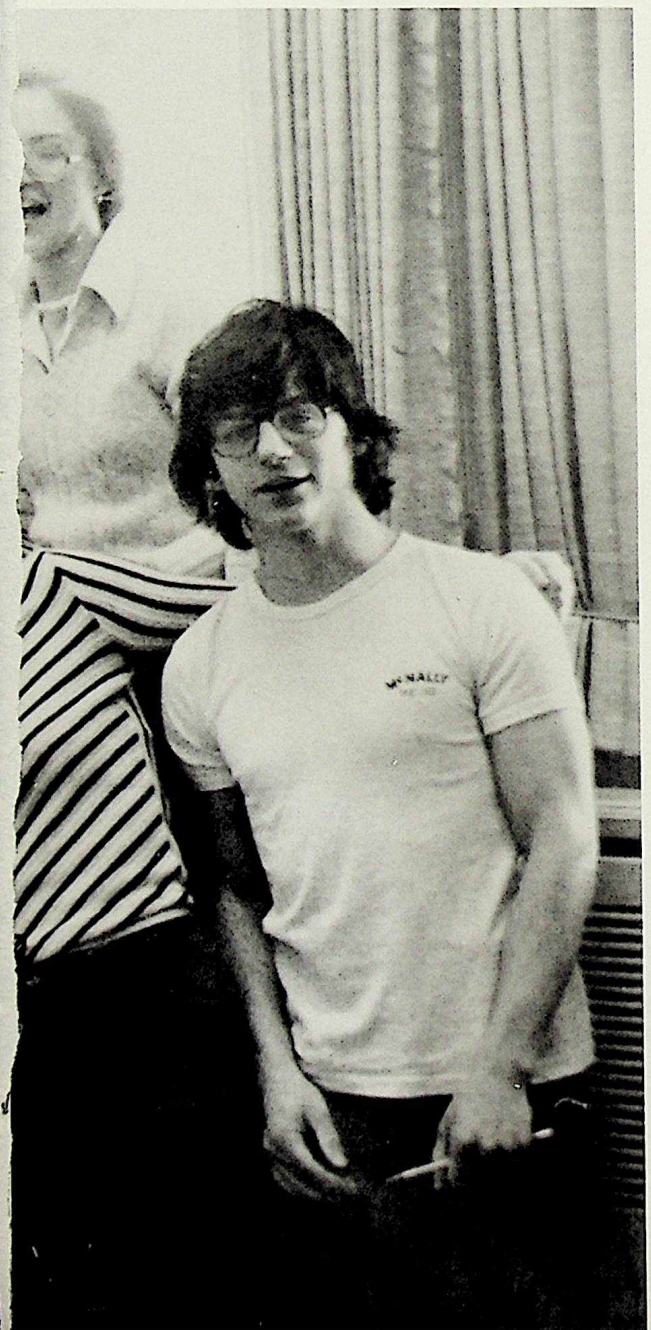
STUDENTS' UNION



Although they keep a low profile, McNally's Students' Union keeps themselves busy with various things that affect the student body. This year was an especially busy one for them, what with the myriad of activities and entertainment projects that went on. SU was behind the noon hour soc hops, the Snowfeast, the Santa's Anonymous activities that went on before Christmas, and the Count the Jelly Beans contest. Animated cartoons and silent movies were shown, and also a full-length feature was shown one evening. To continue, there were the dances, the Dance-a-thon, booksale week, the water melon Seed, egg throw, barbecue, national blue jean day, and Sadie Hawkins day. SU was also responsible for the half-hour radio show that was broadcast on CHED. At the moment of writing, McNally is looking forward to Western Days, and the possibility of a live band playing at noon. Our Student's U has also sponsored sales of poppies, visors, school sweaters, crest, candy canes, and daffodils, and our thanks go out to them for getting us an extra dance (5 instead of 4), and obtaining a coffee machine. That portion of the school population which smokes, appreciates the effort that went into keeping the smoking areas open, although they are now going to be closed. There was one activity that SU put on to keep students from writing on the wall. We all thank our Students' Union for the time put in to make our year a bit more bearable.

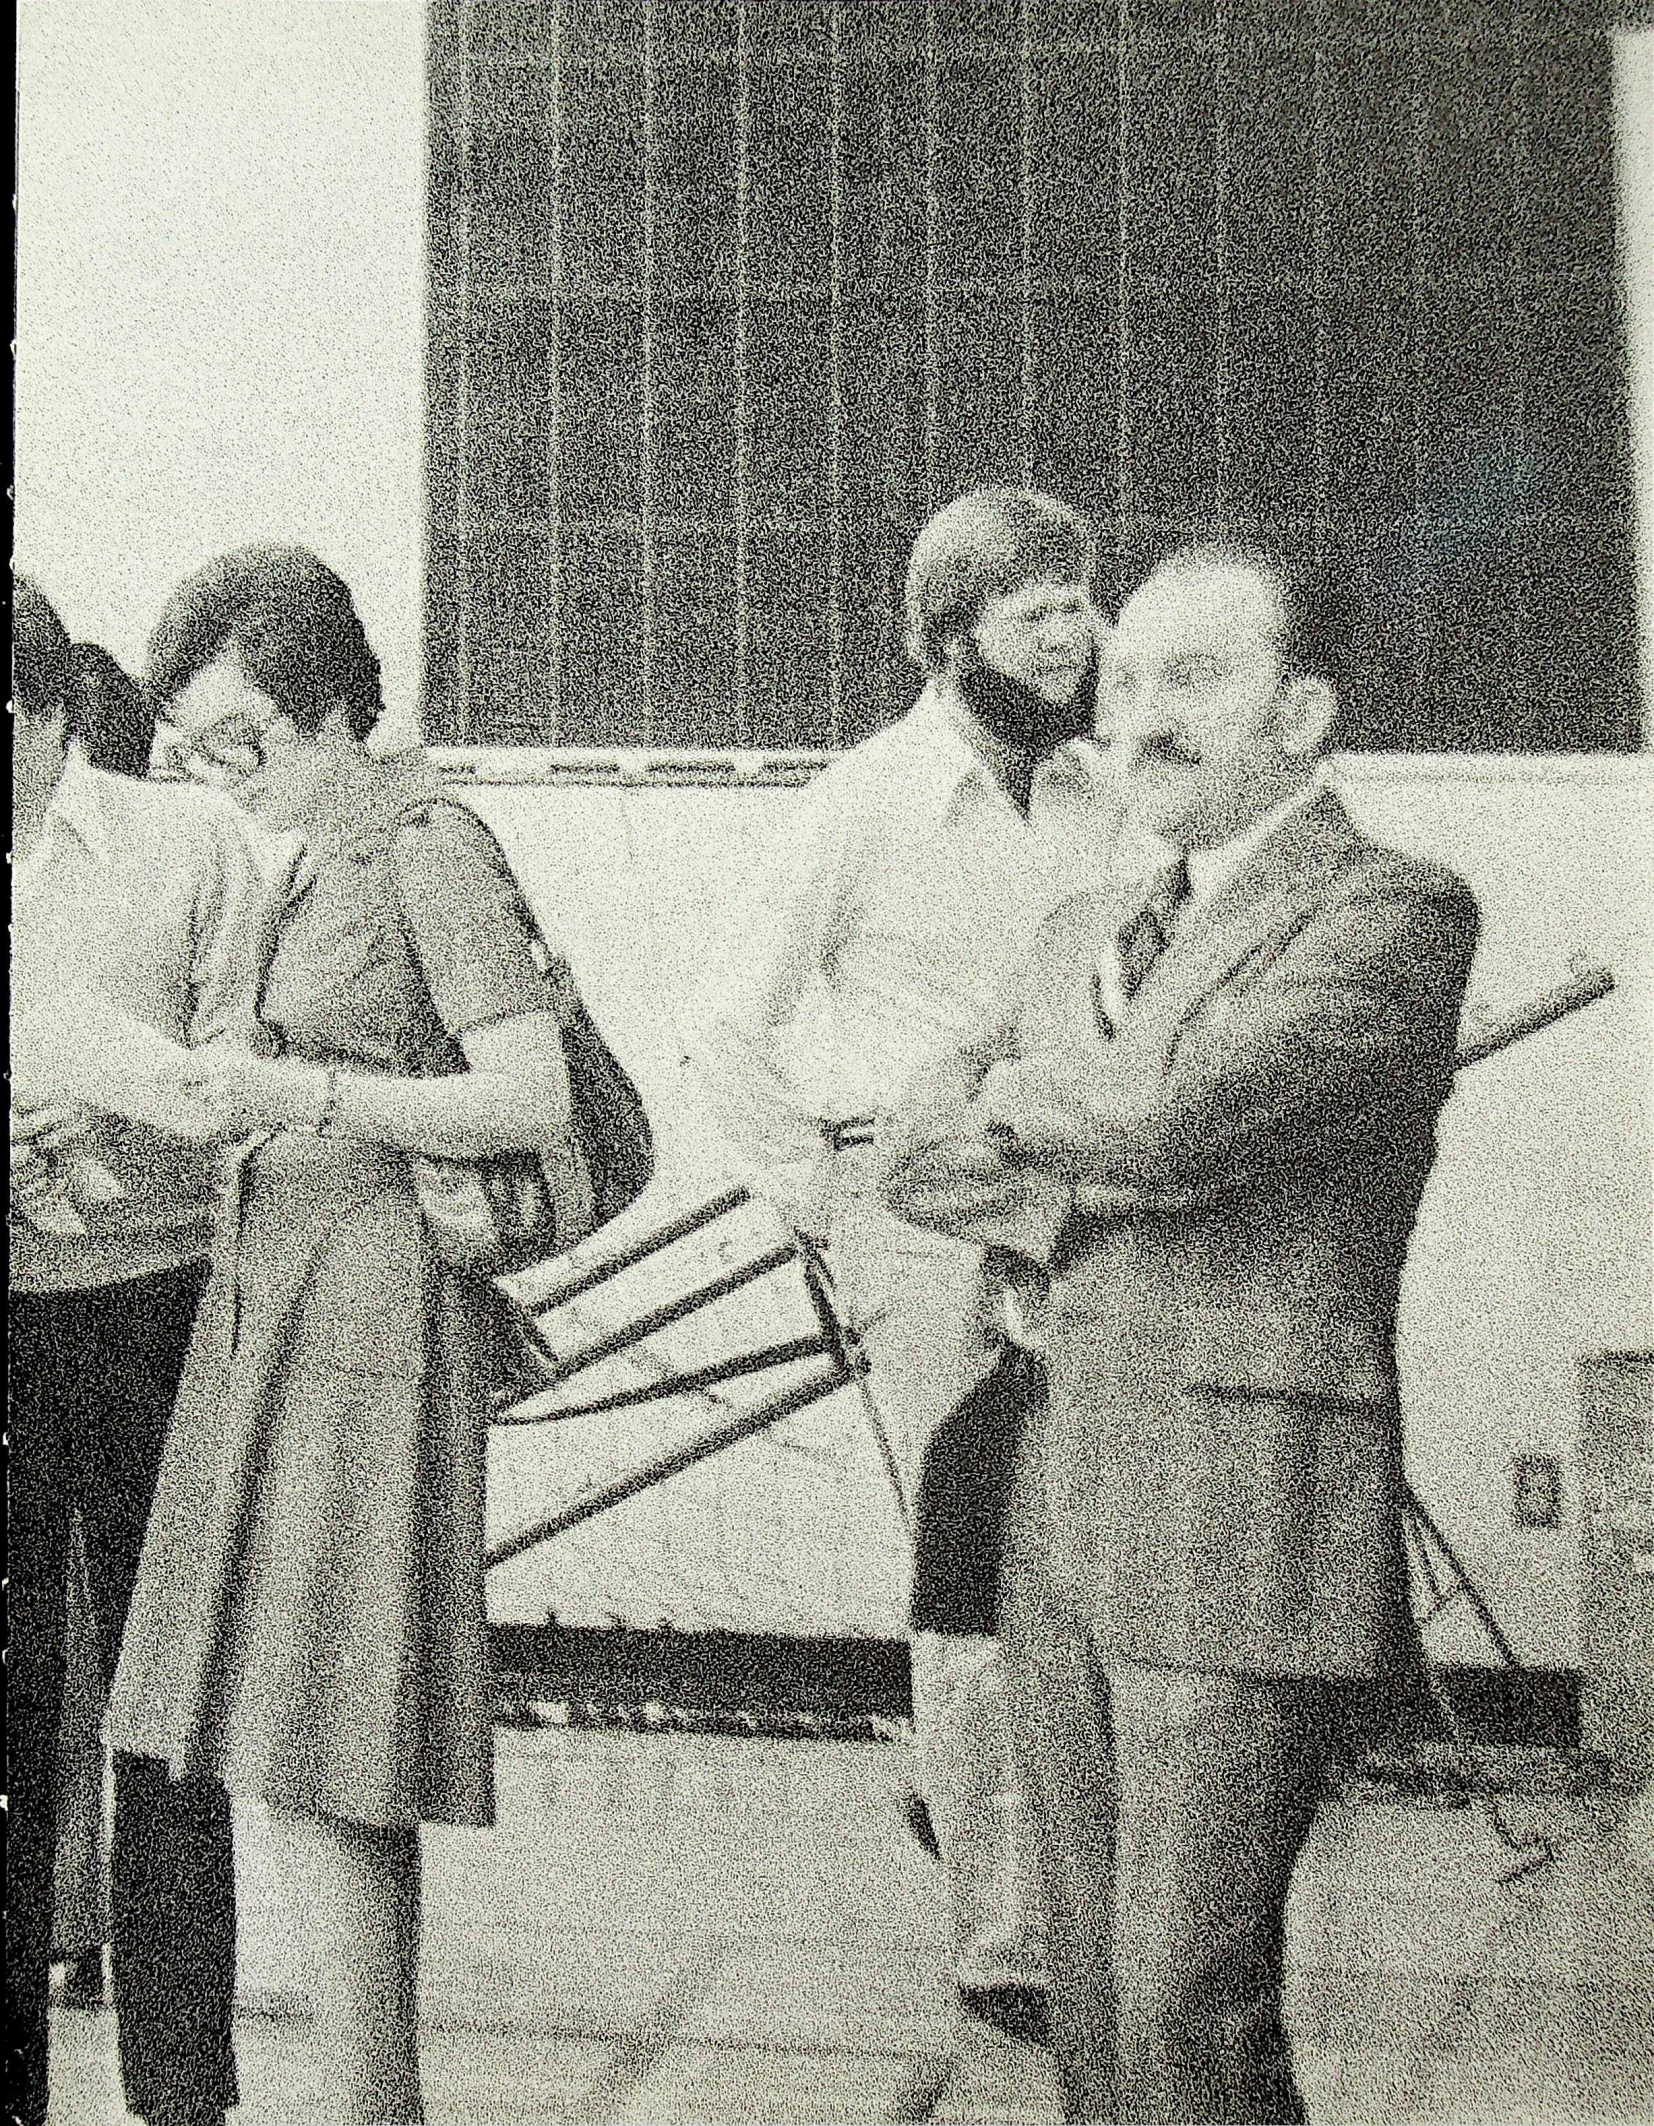
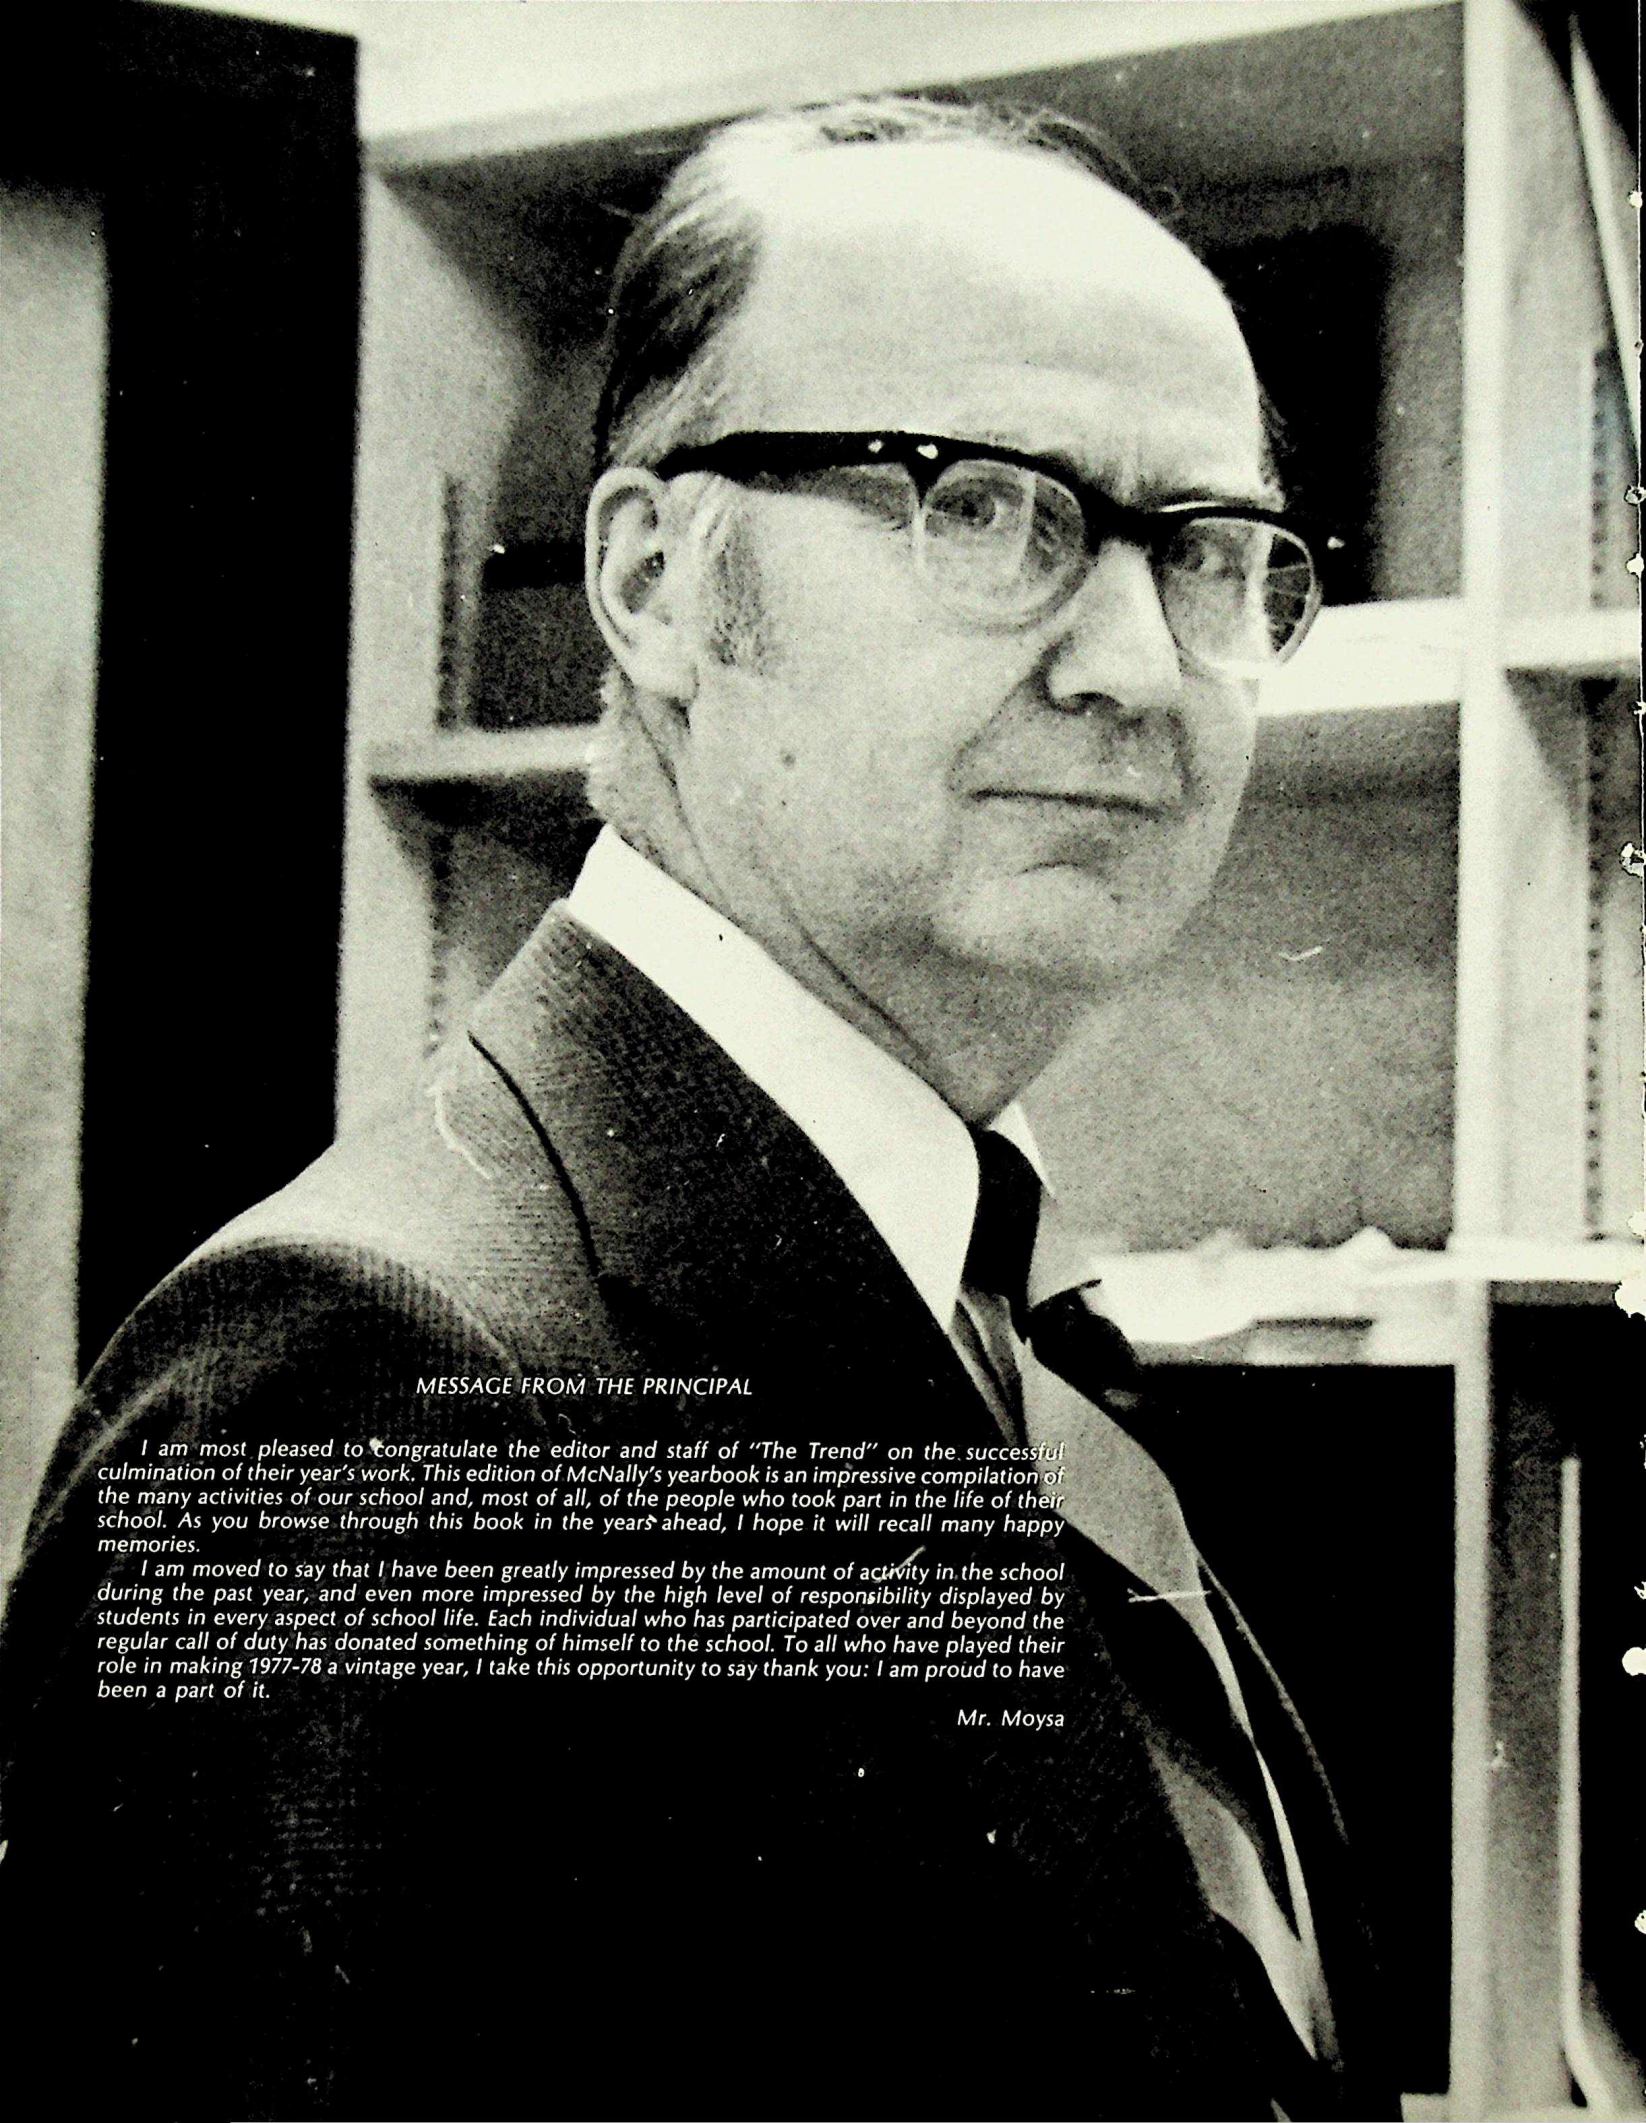
40 BEERS CLUB

Doubtlessly, everyone has at one time or another seen a McNally 40 Beers Club shirt walk by in the hallway. Well, here's the story. The club (not actually a sponsored McNally club) was formed about a year and a half ago with a select few members who managed to consume 40 draft beer in 13½ hours. The membership now encompasses about forty persons. Needless to say, the club is proud of their success.

FACULTY





MESSAGE FROM THE PRINCIPAL

I am most pleased to congratulate the editor and staff of "The Trend" on the successful culmination of their year's work. This edition of McNally's yearbook is an impressive compilation of the many activities of our school and, most of all, of the people who took part in the life of their school. As you browse through this book in the years ahead, I hope it will recall many happy memories.

I am moved to say that I have been greatly impressed by the amount of activity in the school during the past year, and even more impressed by the high level of responsibility displayed by students in every aspect of school life. Each individual who has participated over and beyond the regular call of duty has donated something of himself to the school. To all who have played their role in making 1977-78 a vintage year, I take this opportunity to say thank you: I am proud to have been a part of it.

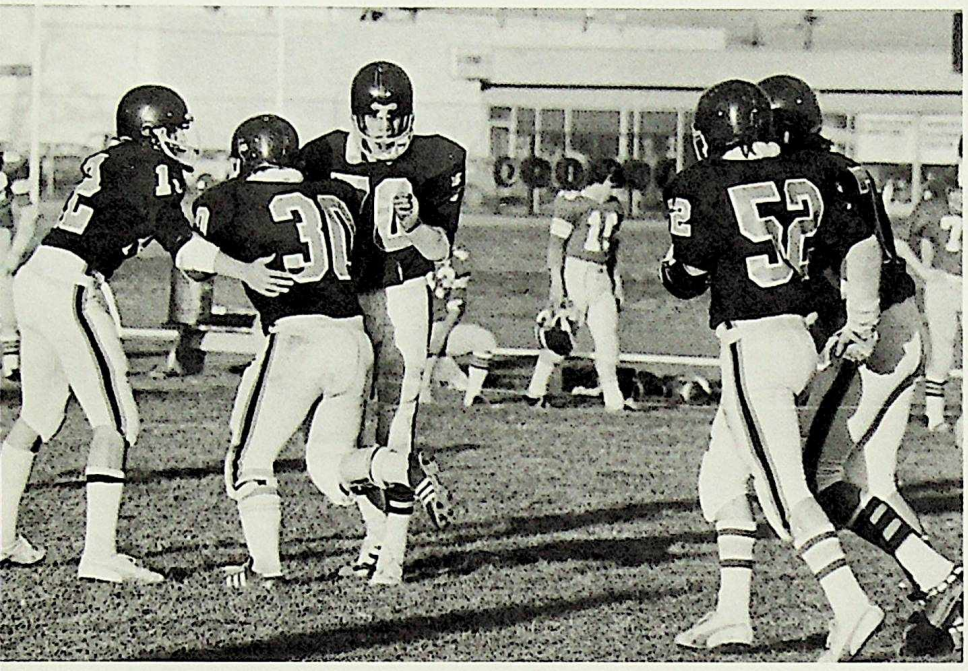
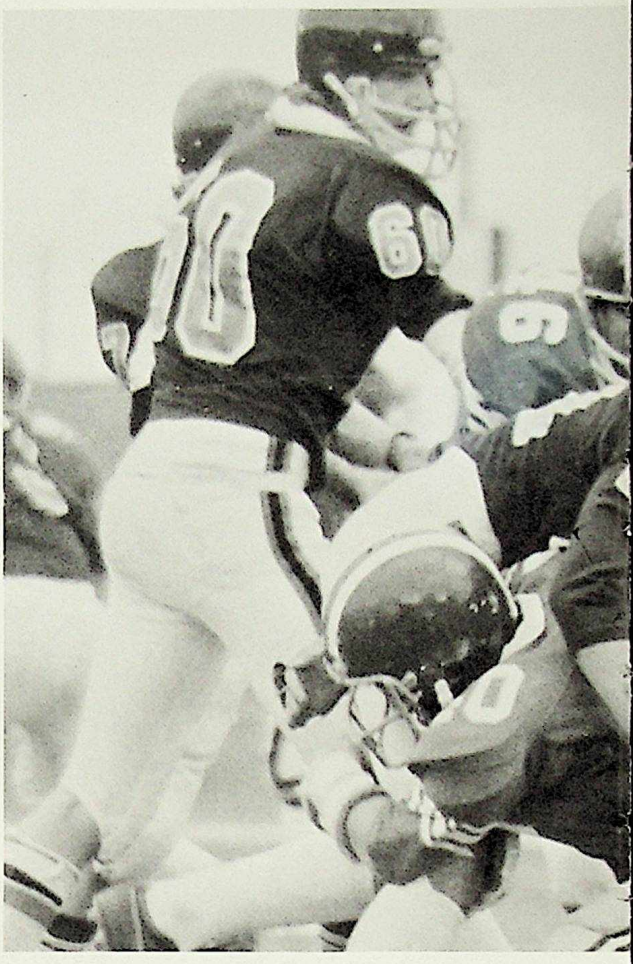
SR. FOOTBALL





Led by Coach McWilliam, our Sr. boys had a fantastic year, full of exciting games, cheering fans, and a team made up of "Nothing but the Best". The team this year, made it to the City finals and played at Clarke Stadium.

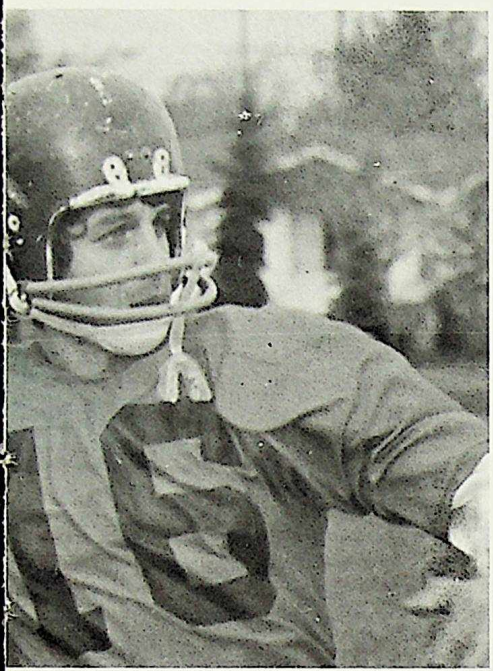
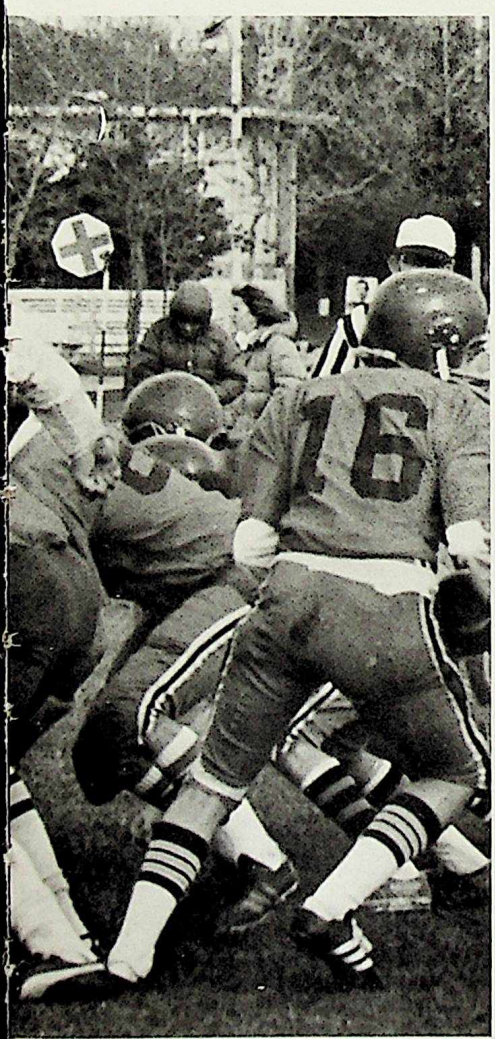
JR. FOOTBALL

We had an enthusiastic team this year, but due to a weight rule, the Jr. boys were disqualified from further play. This was unfortunate because so far, the team had won all it's games. Well better luck next year.

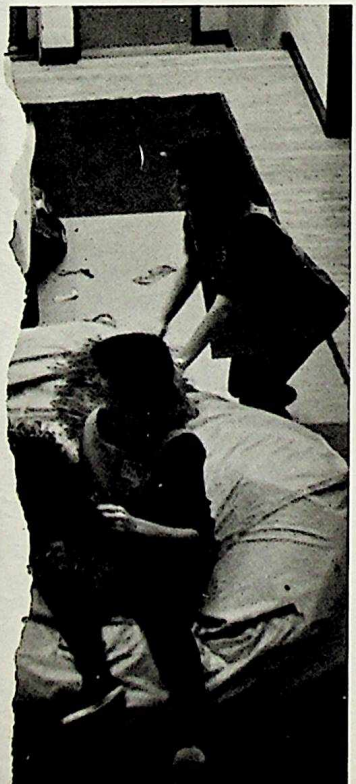


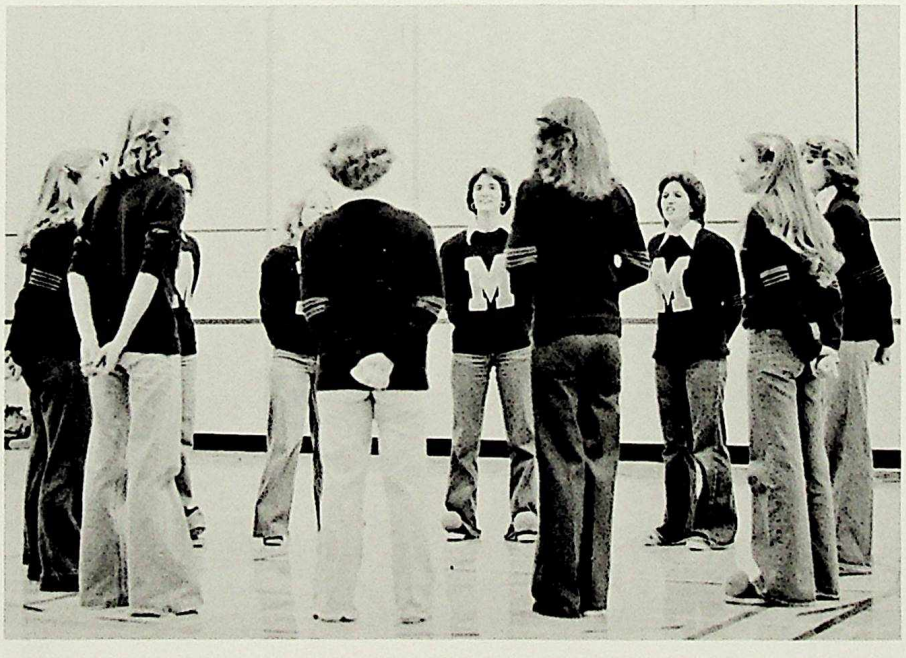


McNally's cheerleaders were once again yelling their hearts out for our favorite team — the Tigers. Not only did they provide school spirit, they also won the C.A.P.H.E.R. tournament. Thanks goes out to the cheerleaders for bringing in the Great A & W Rootbear — Da da da dum da dum da da dum dum.

Back Row: Elaine Moore, Allison Ward, Shelley Robinson, Candace Hogan, Kris Larson, Tracie Williams. Front Row: Chris Moore, Jill Devore, Pam Tuzda, Cindy Buchanan, Celeste Frauenfeld.

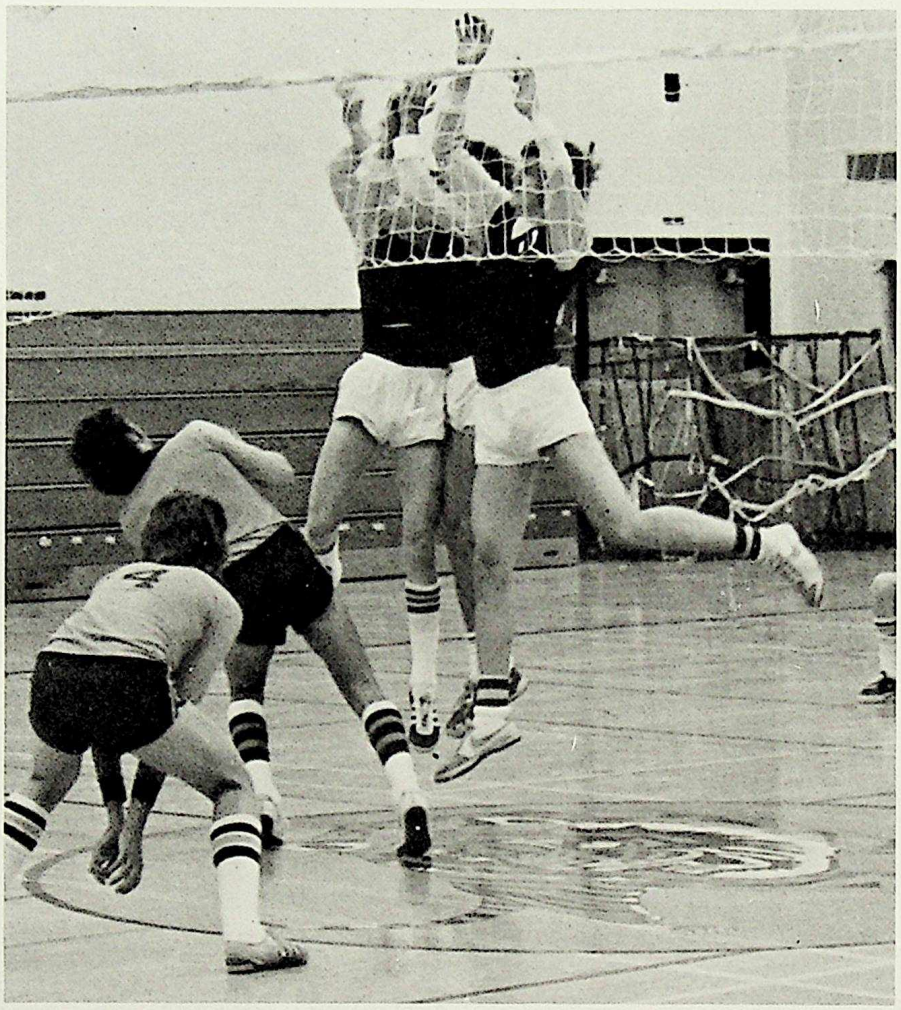
SR. CHEERLEADERS

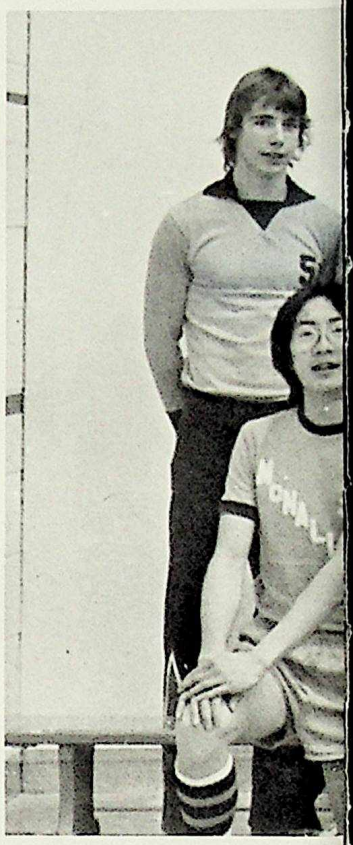


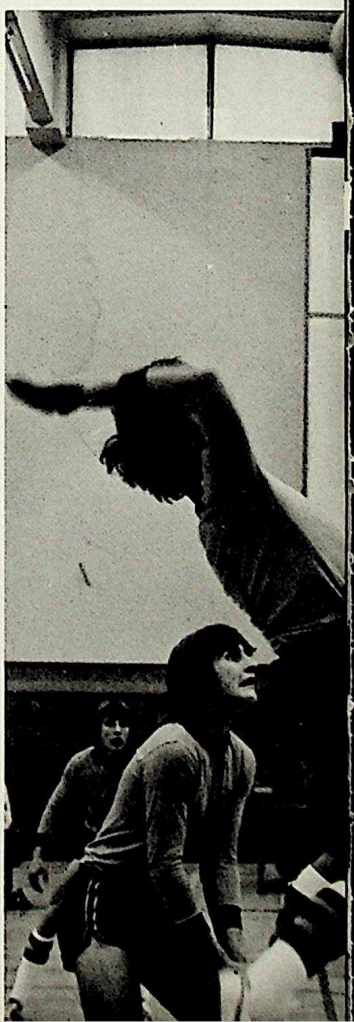


SR. BOYS' VOLLEYBALL

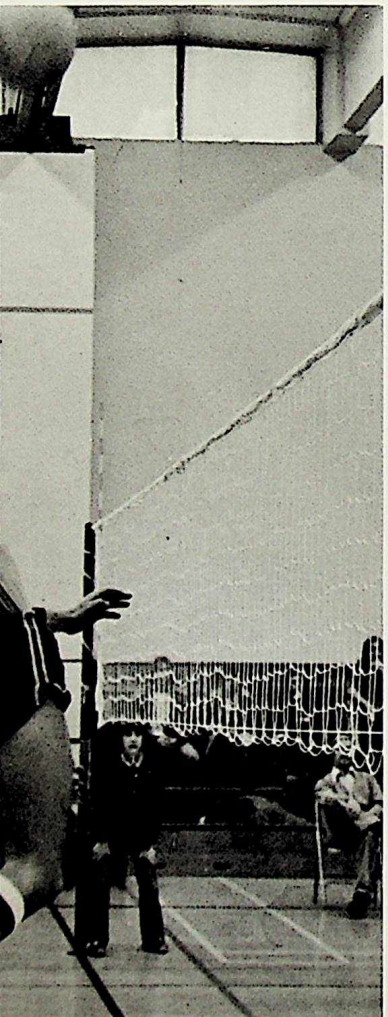
The senior boys' volleyball team had a very successful season. They battled M.E. Lazerte Voyageurs and Bonnie Doon Lancers all year. They were able to defeat M.E. Lazerte in the city finals 15-11, 15-13, 13-15, 15-13. They also met M.E. Lazerte in the 4A provincial finals 15-2, 15-10. A real highlight to their year was the bronze medal they won against Senior Men's teams at the Alberta Winter Games in March. Four of their players tried out and made the Alberta Jr. All-Star team. These included Jim Repchuk, Tim Hominiuk, Dave Wilson and Neil Manson.

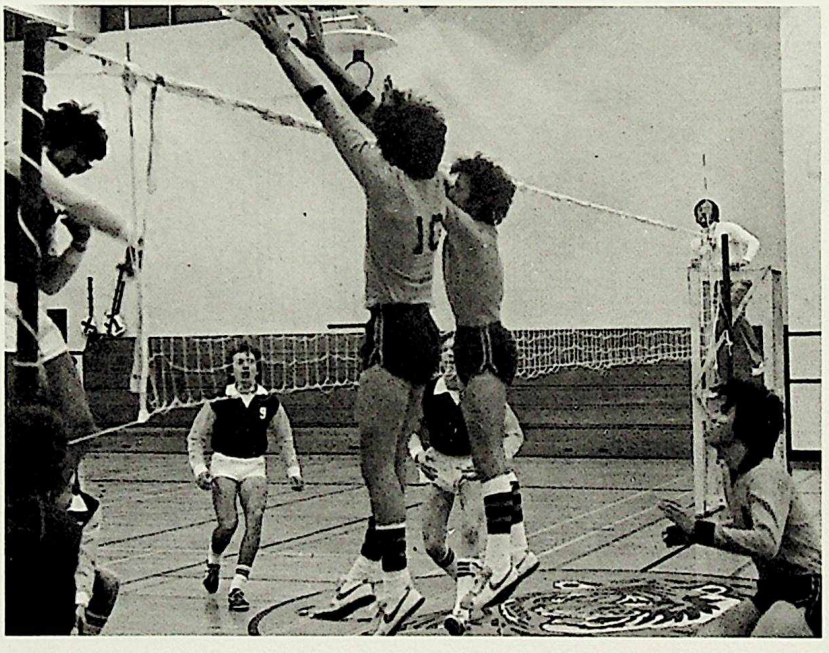






Back Row: Neil Manson, Myles Koshman, Marvin Beyer, Craig Watt, Tim Hominuk, Dave Wilson, Harold Petrich. Front Row: Roger Poon, Jim Repchuk, Rick Hayes, Ernie Huie, Eric Chrysanthous, Mr. Johnston.

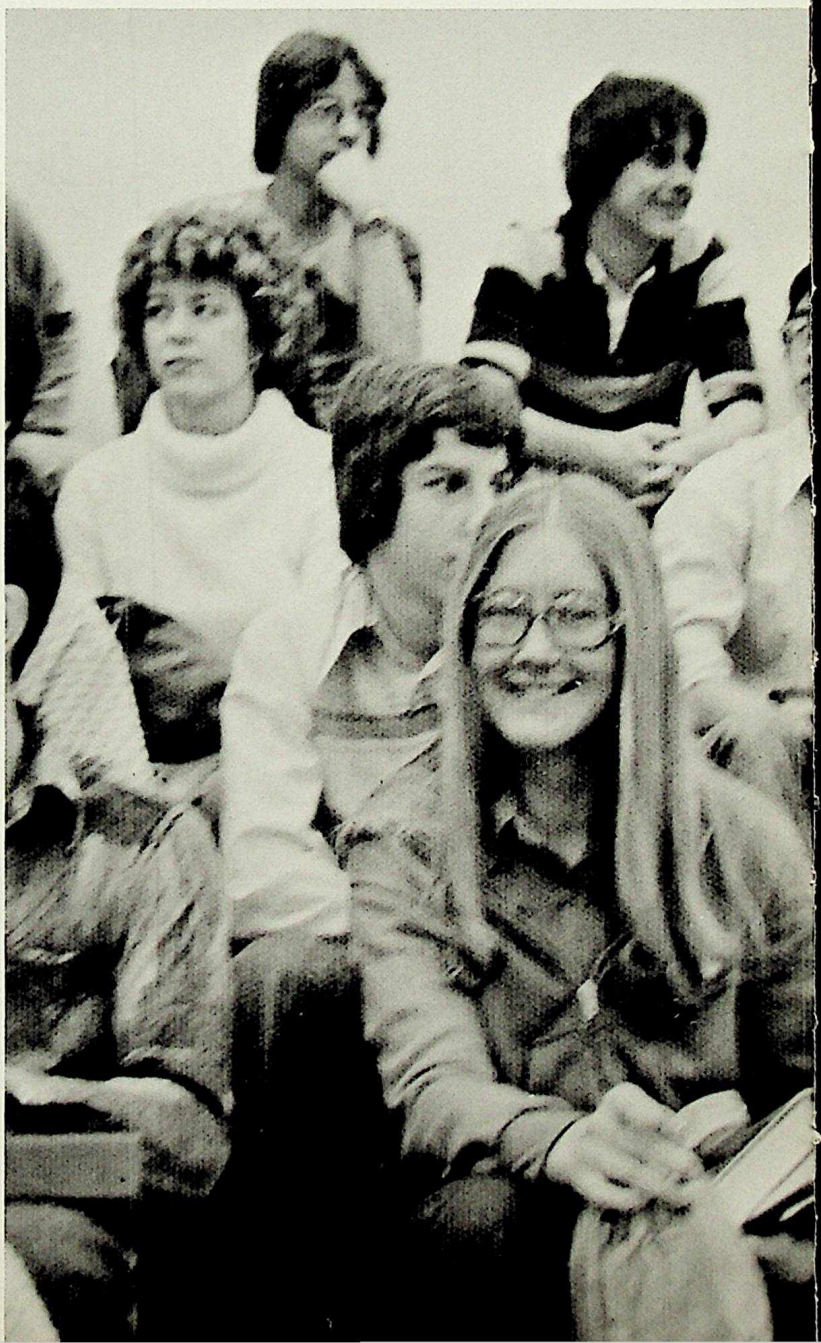




JR. BOYS' VOLLEYBALL

The team finished second under the able guidance of coaches Rob Poole and Bill Dean. The team lost in the quarter-finals to St. Joseph's. Because of the high quality coaching most of this year's team will graduate to next year's senior team.

Back Row: Don Diakun, Jim Hominuk, Mark Burchby, Bernie Beyer, Brian Manson. Front Row: Coach Rob Poole, Mark McCallum, Len Slamko, Jim Park, Coach Bill Dean.



JR. & SR. GIRLS' VOLLEYBALL

Jr. Volleyball had a tough year but did manage to place fifth out of eight teams. Miss Brown, a University of Alberta student, coached the team. The time she spent working with the team was greatly appreciated by all.

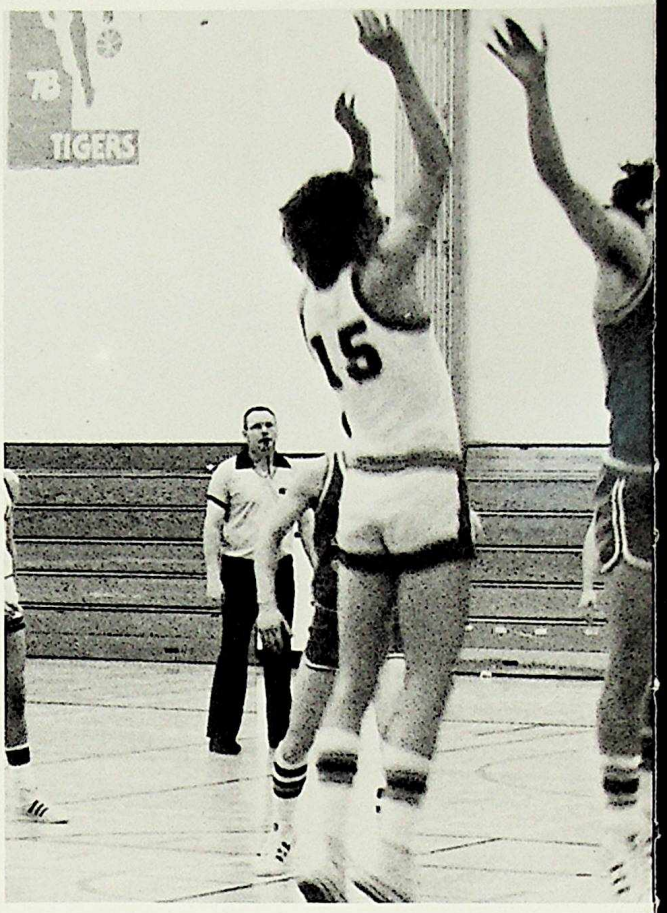
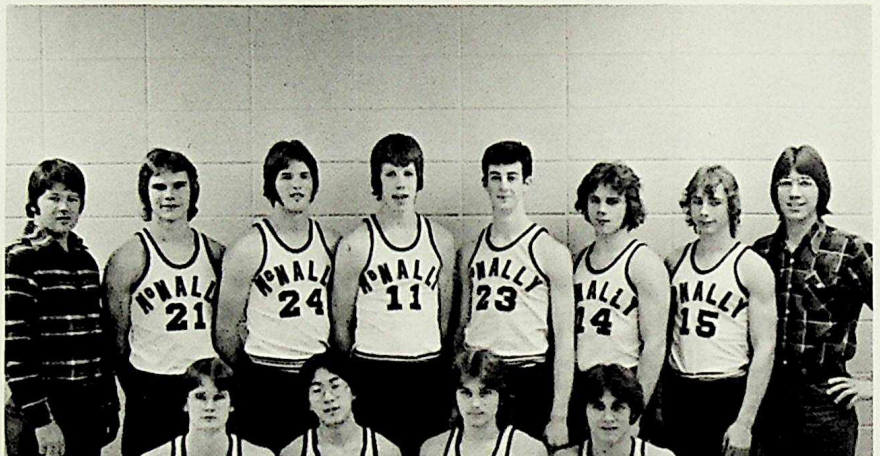
Back Row: Heather Hansch, Wendy Jervis, Donna Christensen, Patty Davies, Linda Parker, Kim Haaydey. Front Row: Vicki Baird, Cathy Clifford, Nancy-Jo Chemerys, Gail Harrison, Miss Caouette, Linda Love.

Miss Caouette coached this year's team for the first time. Everyone is agreed that it was a year of thrills, exciting games and good times together as a team. They finished fourth in their zone in a year that was better than ever. The team was invited to play in the Kindersly Invitational and in doing so, took 3rd place.

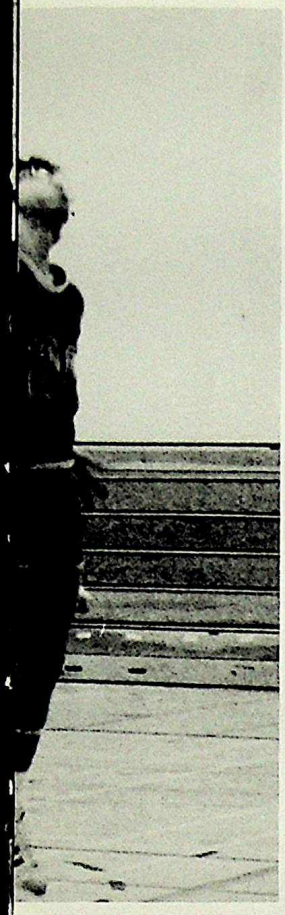




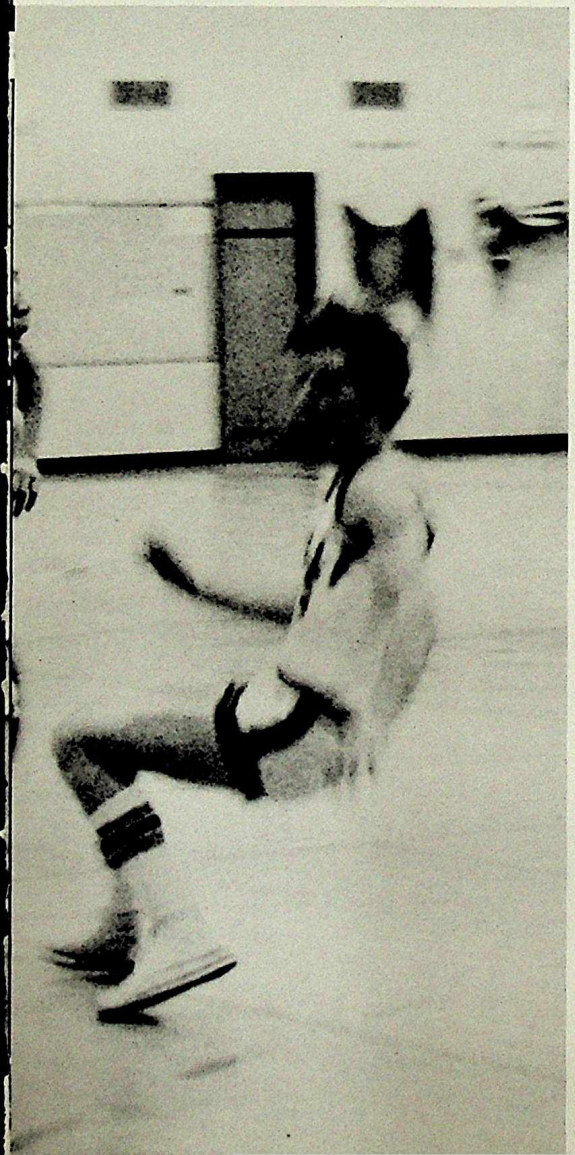
Standing: Coach Morris, Dave Wilson, Tim Hominuk, Dewey German, Craig Watt, Harold Petrich, Neil Manson, Keith Tanner. Sitting: Craig Sheppard, Roger Poon, Mark Dzenick, Jim Repchuk.

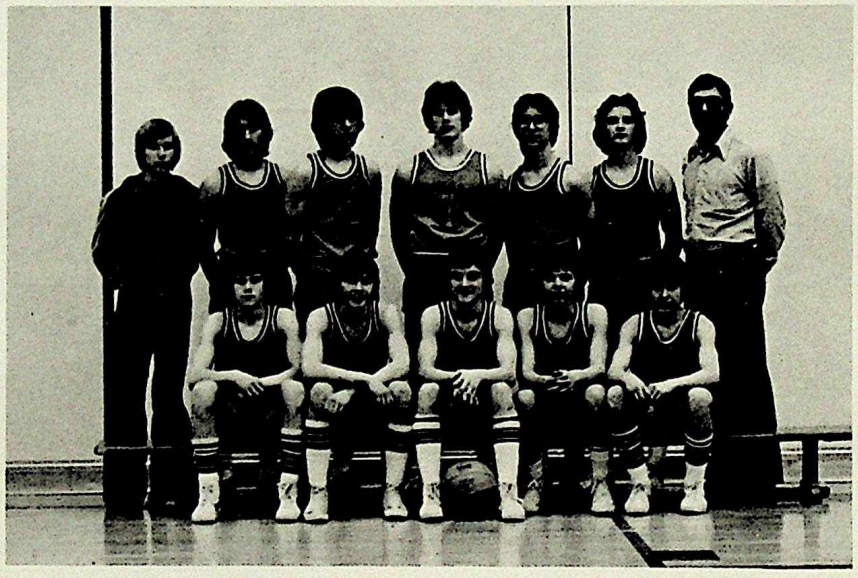
Awards: Top Scorer and Rebounder: Craig Watt, Most Improved Player: Dave Wilson, Most Assists and Steals: Roger Poon, Most Valuable Player: Jim Repchuk.

SR. & JR. BOYS' BASKETBALL



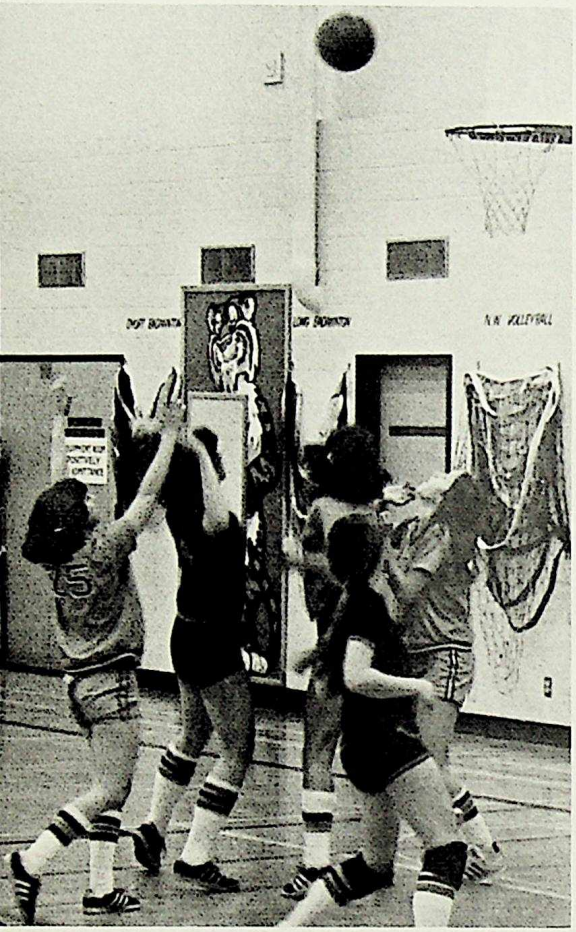
The junior boys' team played their traditional aggressive brand of basketball throughout the year. Although being eliminated early in play off action, the team had a successful season considering the fact that nine of the eleven team members were grade ten students.





Standing: Dave Shortt (mgr.), Bernie Beyer, Rob Hughes, Mark Burchby, Terry Hawken, Jim Hominiuk, M. Ballash (coach). Seated: Mark McCallum, Brian Manson, Don Diakum, Len Slamko, Colin Quast. Missing: Scott Webster.

JR. GIRLS' BASKETBALL



Tournaments, close games, and just an all round super time was experienced by all members of the Jr. team. Diane Helps was the coach again this year and coached the team to fourth place in their zone. The team went to Red Deer for a tournament and beat a Calgary team for the championship.

Back Row (l-r): Dianne Mawhinney, Kim Koshman, Vicki Baird, Janice Place, Beth Hammond. Front row: Lynne Stephenson, Carol Peterson, Albi Hawkeye, Linda Parker, Jane Anderson, Maureen Gallagher, Pattie White.

SR. GIRLS' BASKETBALL

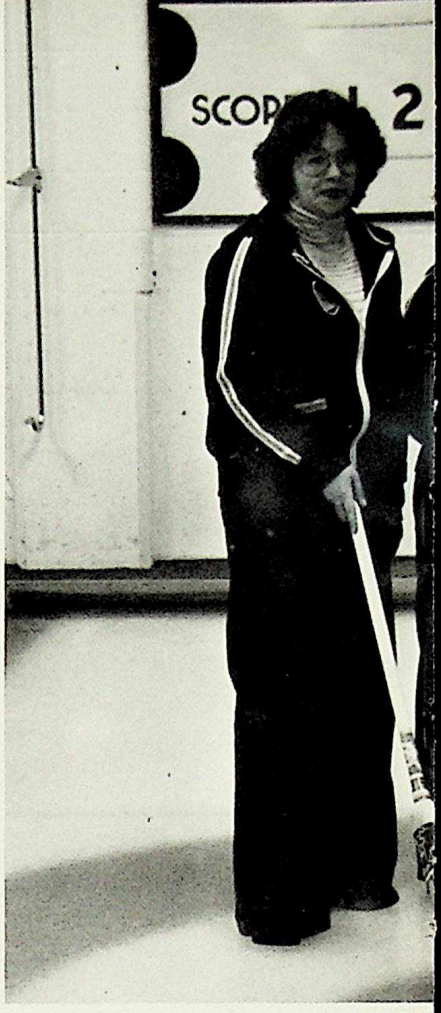
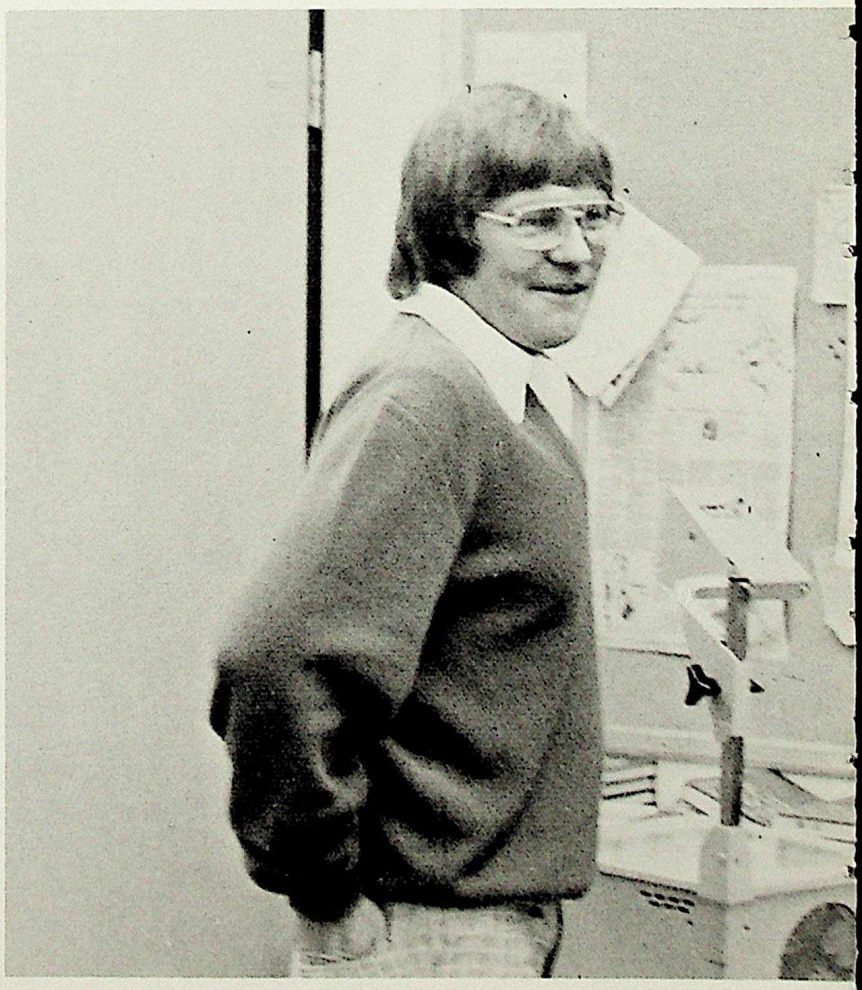
The Sr. team had the best year for basketball in quite awhile. Coached by Ms. Shapka, the team was in the "A" Division which was a first in about 5 years. Some highlights for this year were: new uniforms, The Grant McEwan Invitational, the new rule allowing community players to play both school and community basketball, and finally, beating our arch rivals; Bonnie Doon in overtime! What a year!!



TEAM CURLING

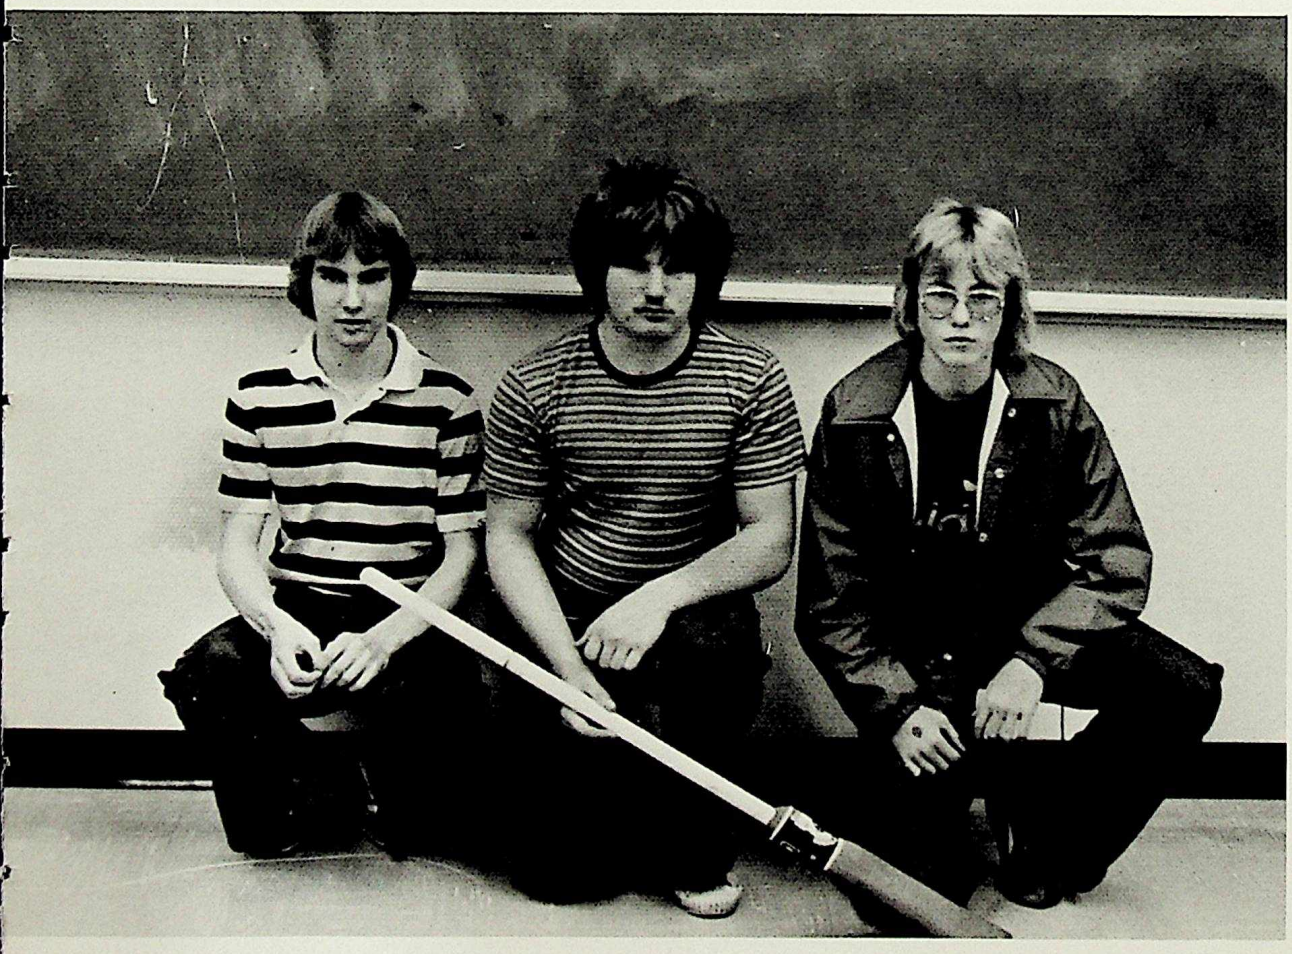
1977/78 was a good year for the McNally Boys' Curling teams, and an excellent year for the Sr. Girls' team. In the Monday Inter-school Curling League, trophies were carried off by Rick Hayes' Sr. Boys, and by Penny Shantz' Sr. Girls, also by Rob Newberrys Jr. Boys. Our Sr. Girls' team, composed of Penny Shantz, Della Ball, and Sherri and Brenda, distinguished themselves by their second place finishes in both the City and Provincial Championships. Congratulations girls for a job well done! And a special thank you to Mr. McKinnon!

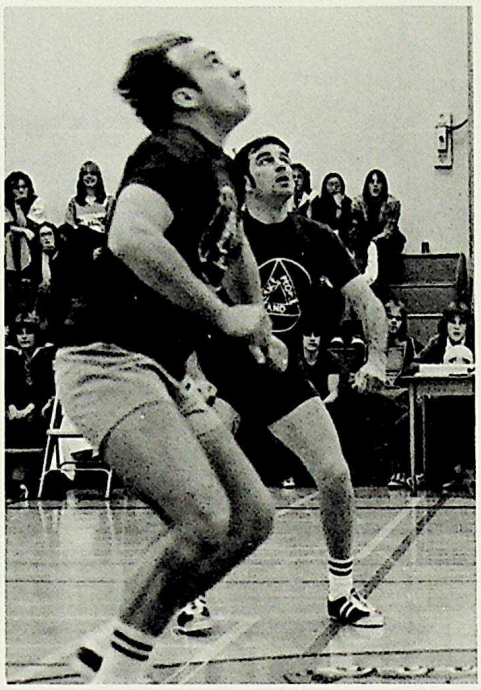


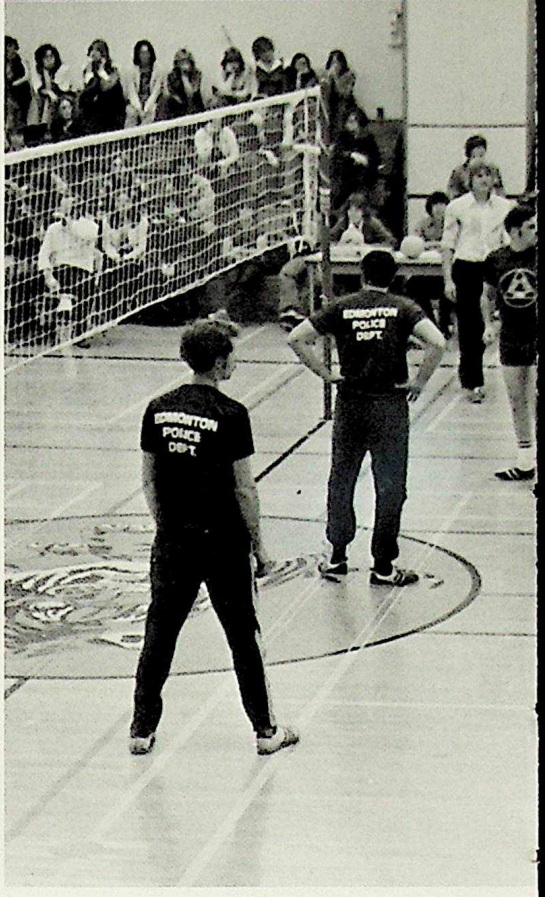
Staff Advisor: Mr. McKinnon.

Brenda Hansen, Sherri Hansen, Della Ball, Penny Shantz.

Preston Paradis, Grant Holmstrom, Brad Willard. Missing: Leigh Pollard.







McNally took the honour of welcoming many visiting sports this year. They included The Harlem Comedy Kings who took on the Sr. Boys' Basketball Team. The Alberta Northern Lights Wheelchair Basketball Team put on a super show by beating members of the Sr. team and teaching staff in a rousing game of Basketball. And once again Larry Highbaugh entertained us by showing us how a one man team can barely beat a Sr. Girls' Volleyball team.

ALUMNI NIGHT

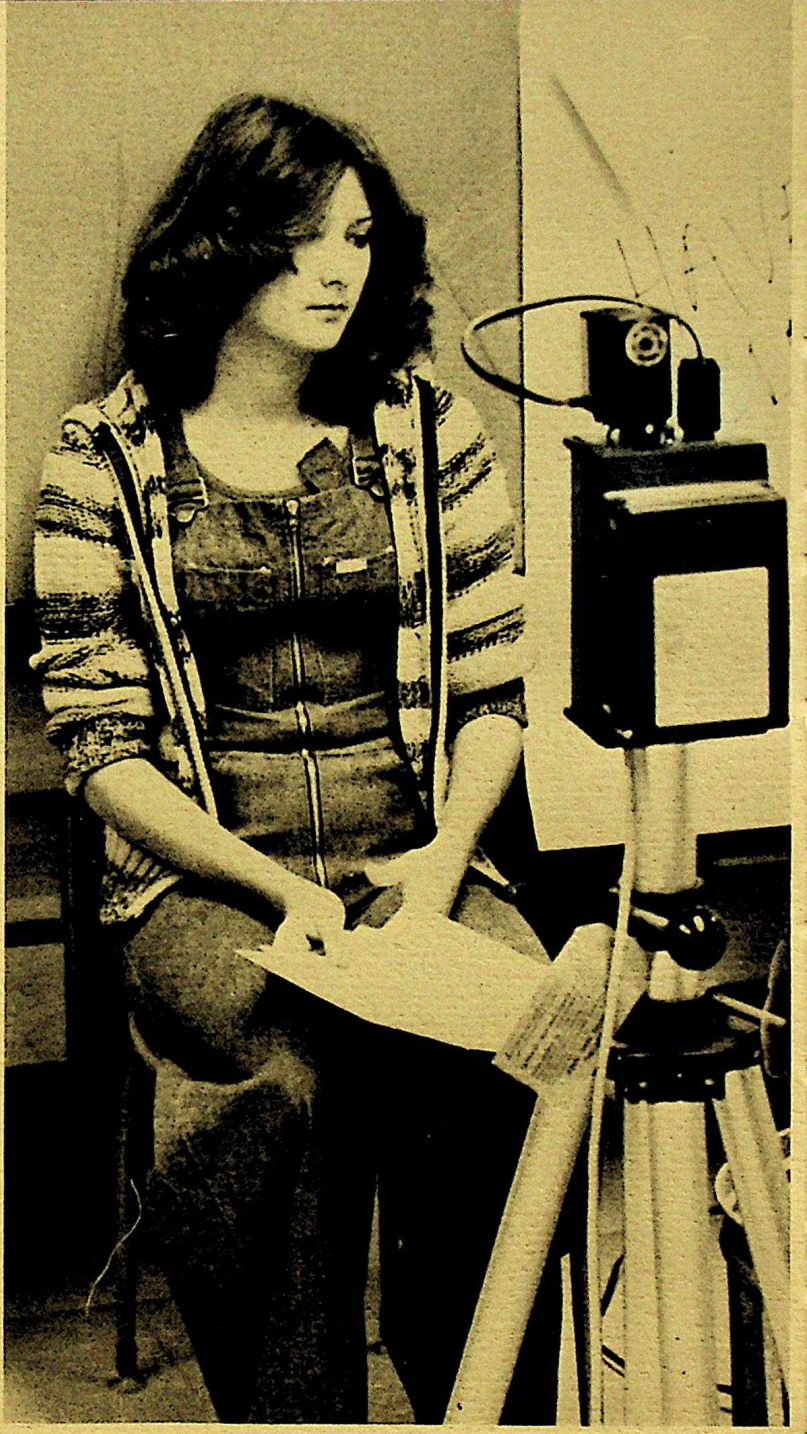
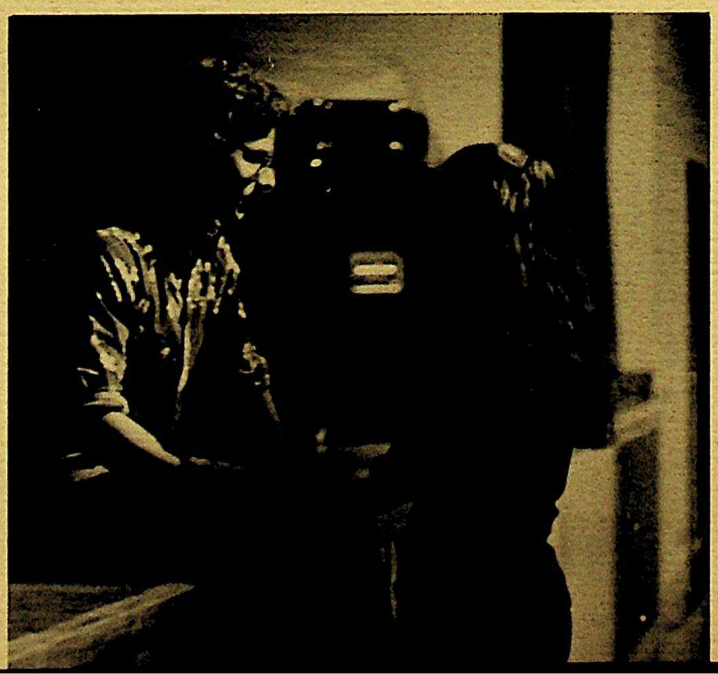
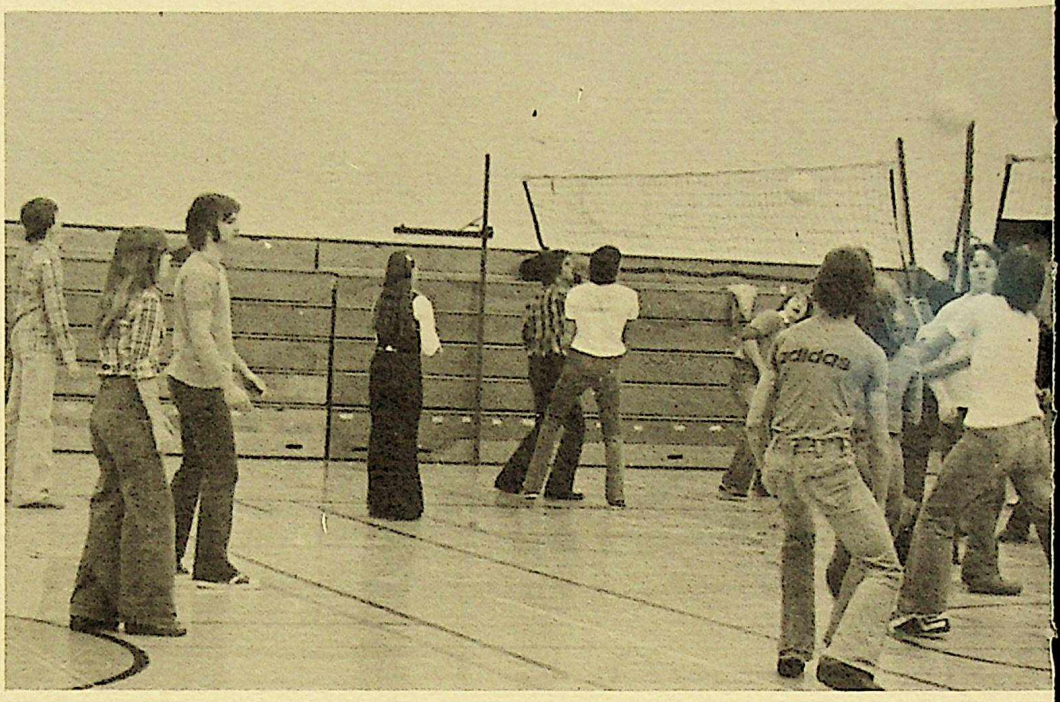
PHOTO THEME

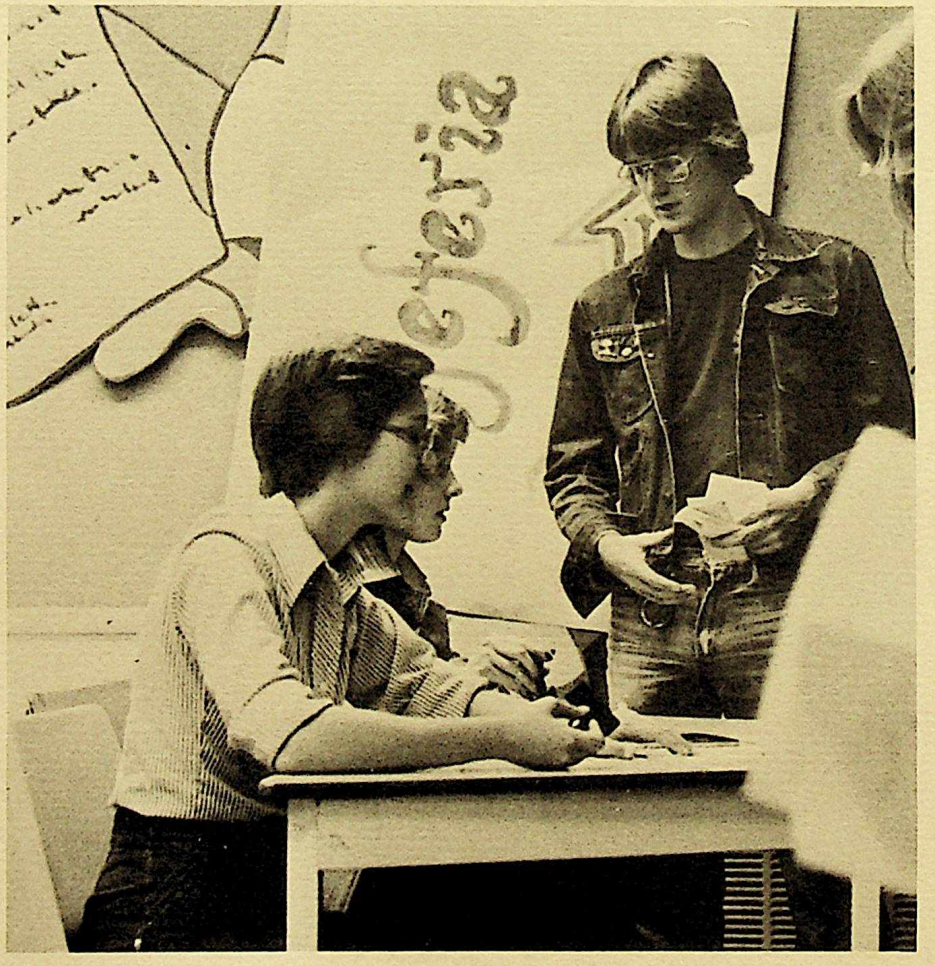
Indeed, yesterday is like a dream already. Here's our yesterday; a full year of classes, spares, noon hours, and friends . . . .

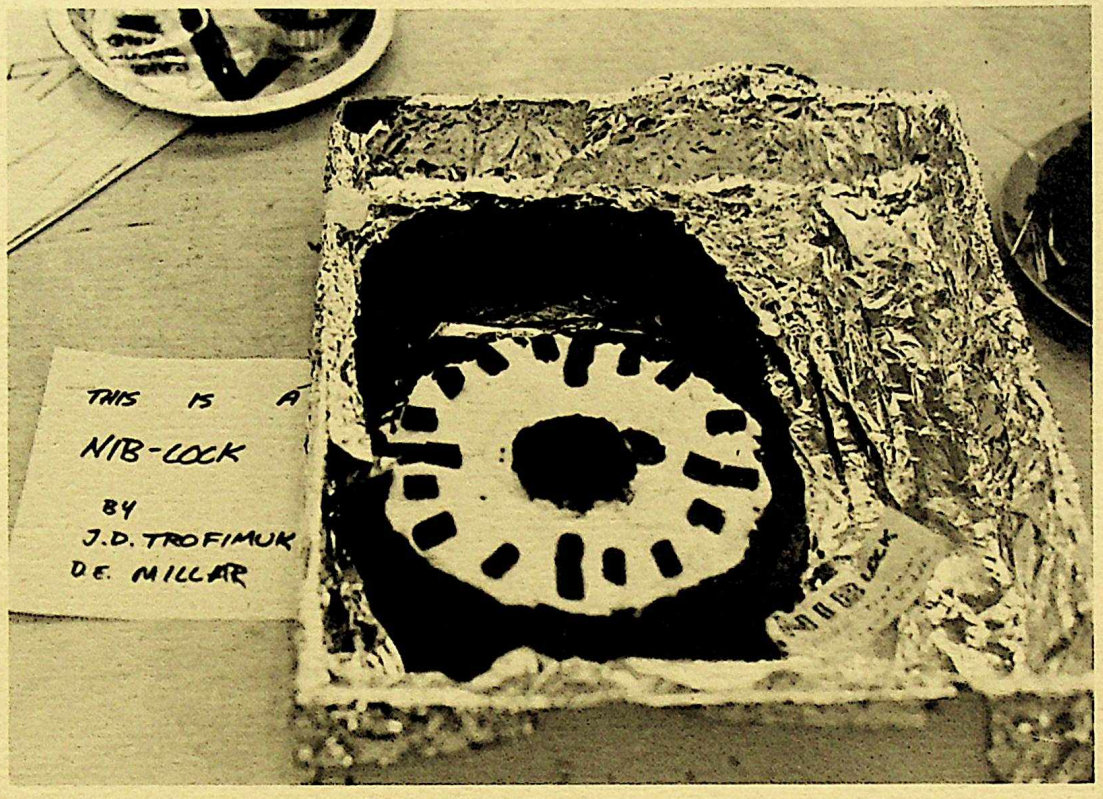




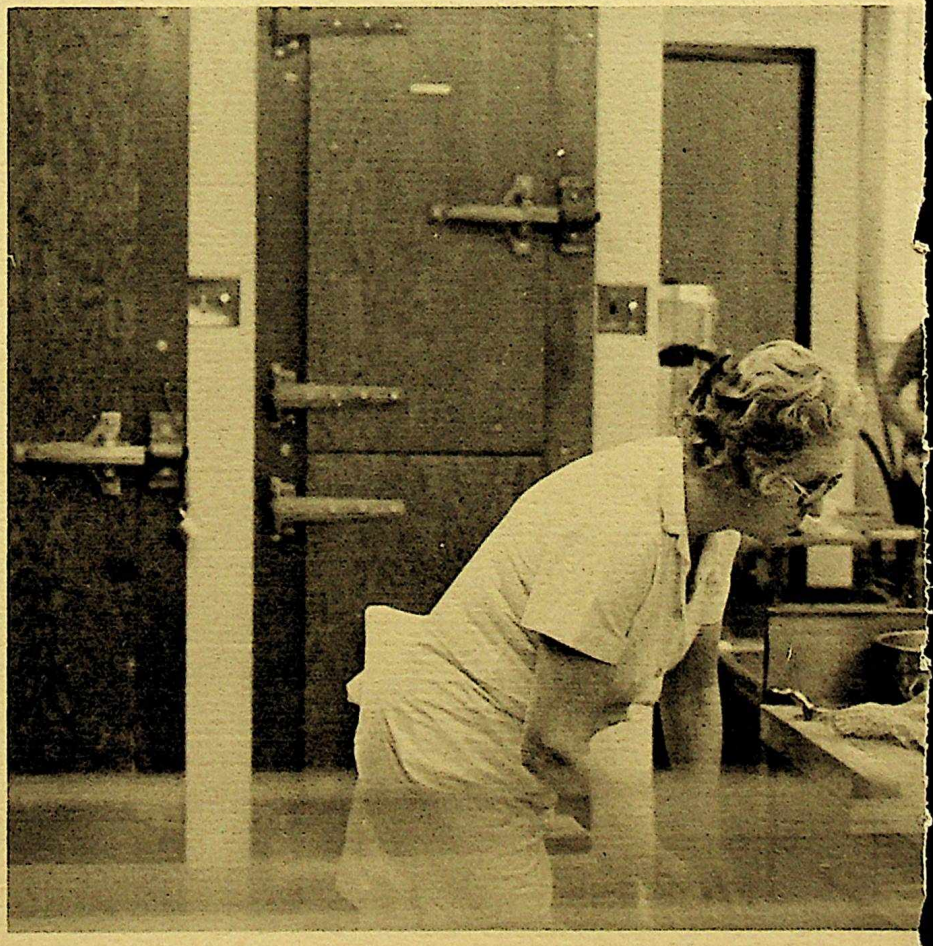


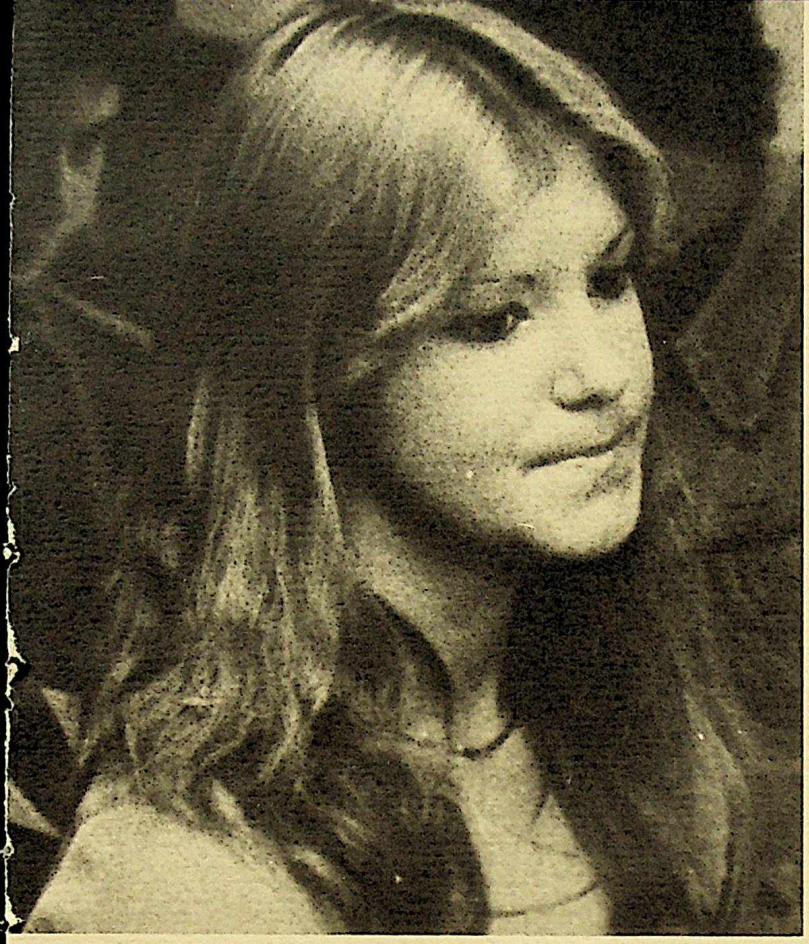
. . . . Special memories of time with special people. Attending or participating in noon-hour activities . . . .

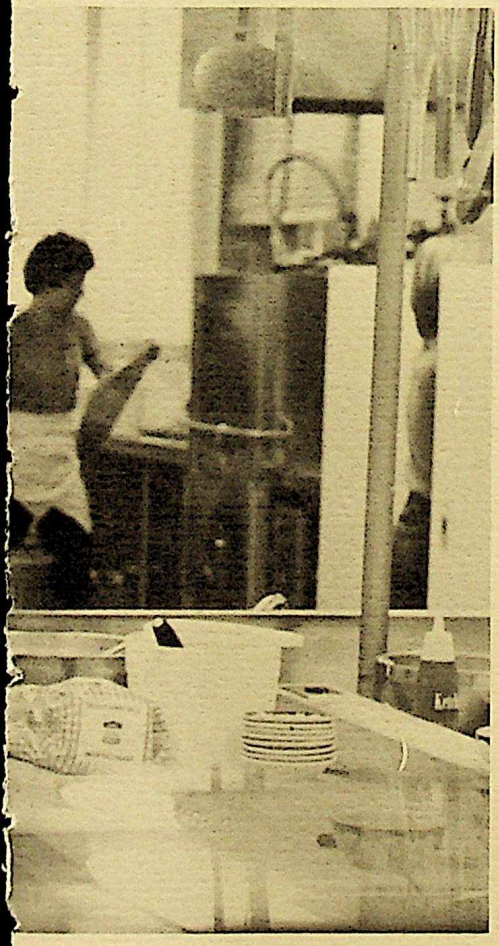




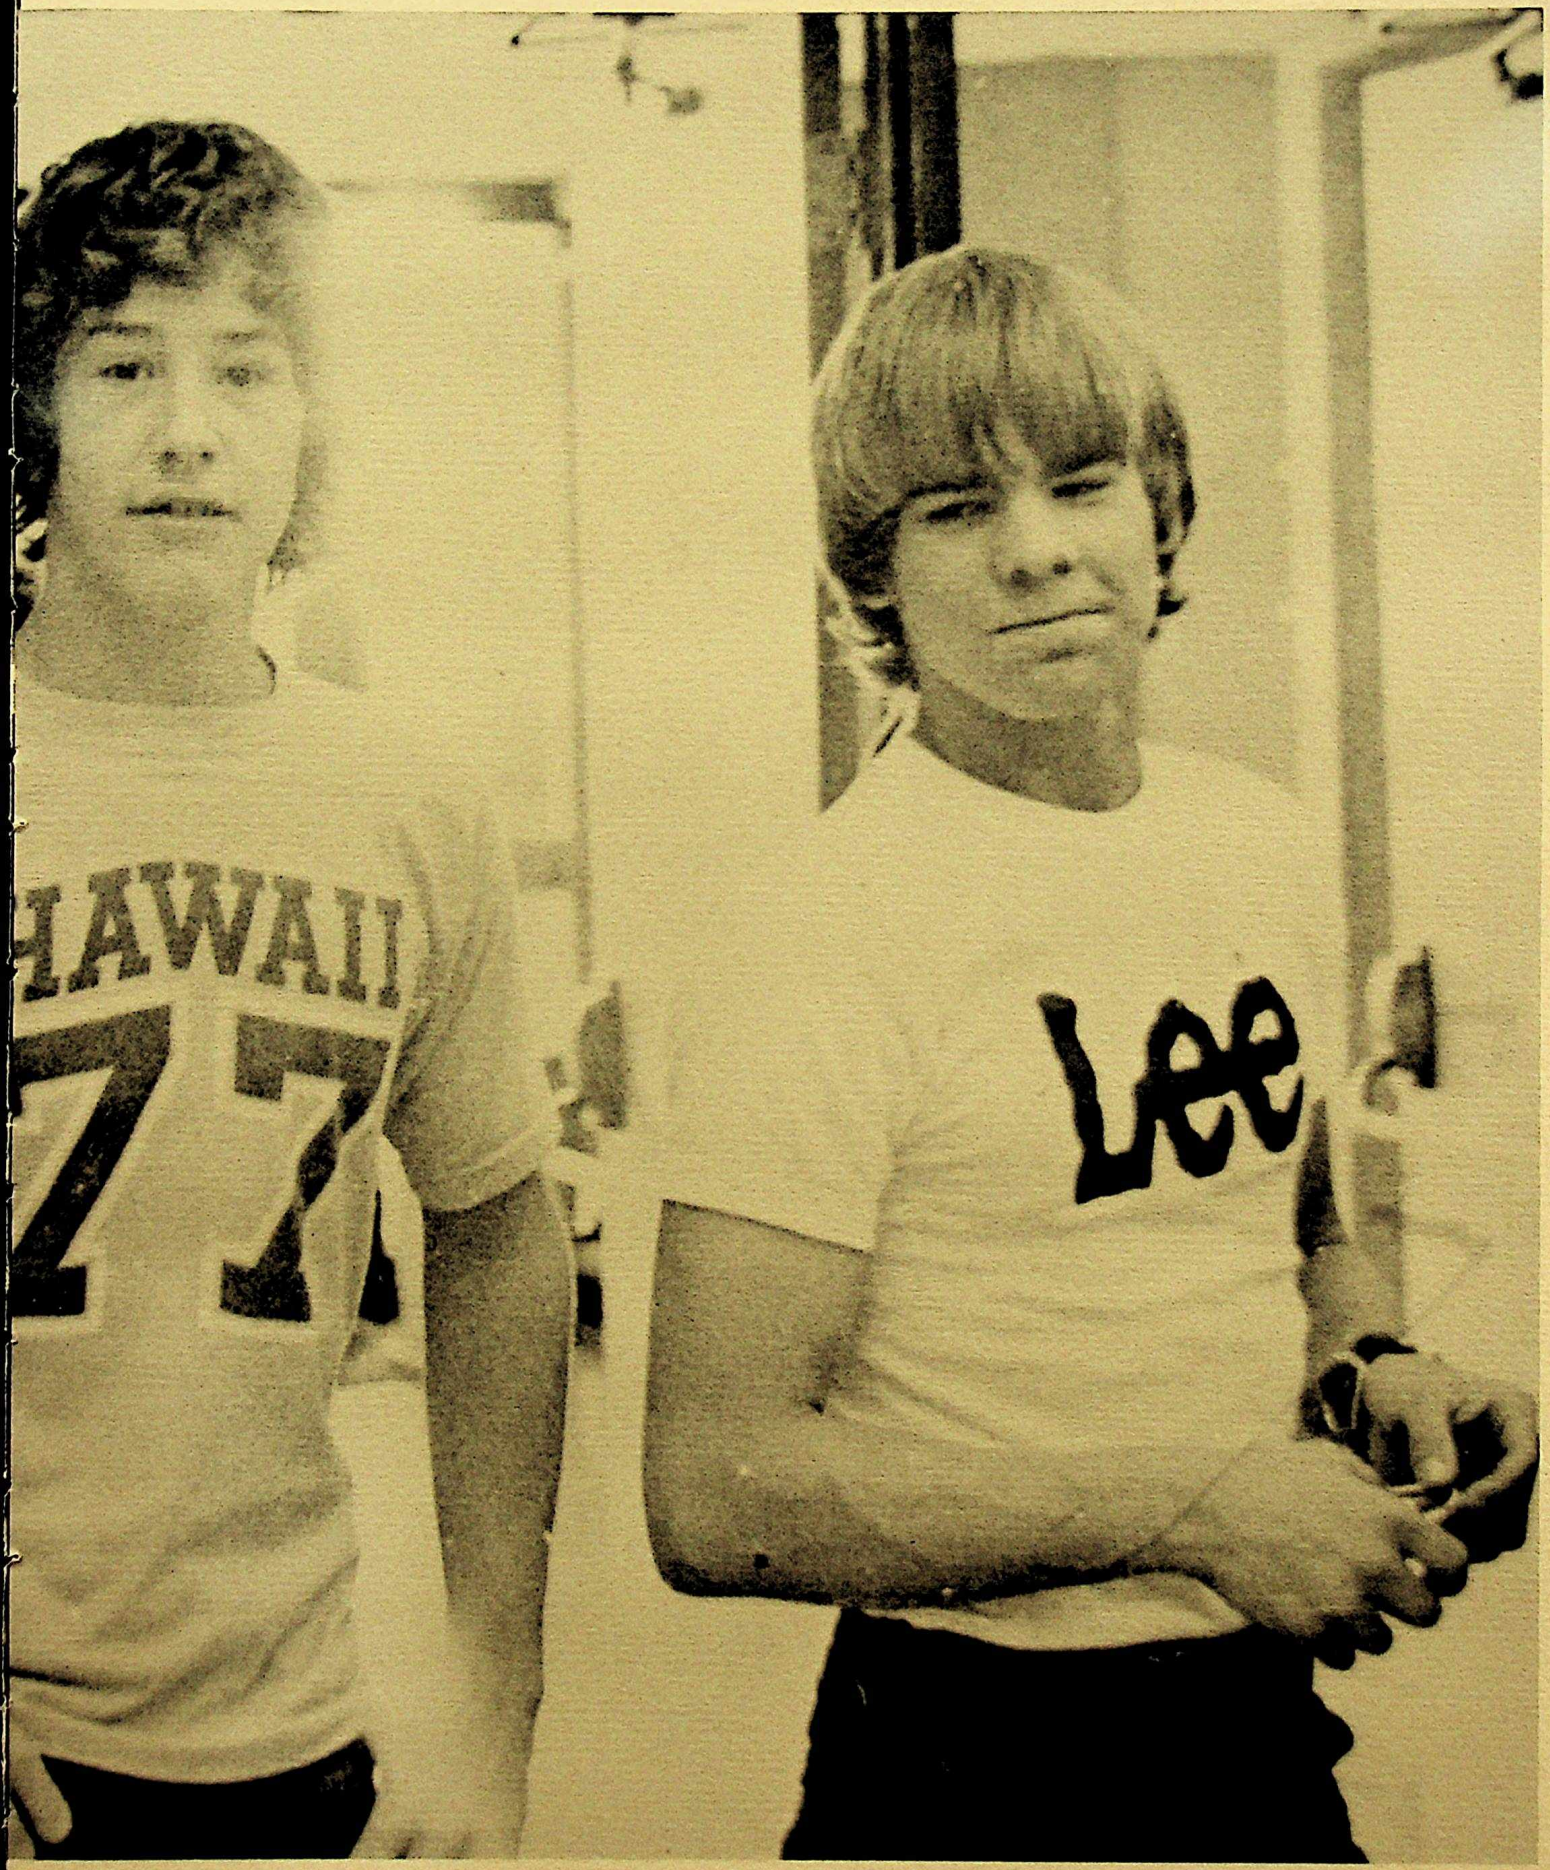
. . . . Classroom incidents. Football games. Sitting out on the lawn on nice days, and eating in the cafeteria when snow was on the ground . . . .







. . . . Now, spring is nearly over, & exams are upon us . . . .



HAWAII

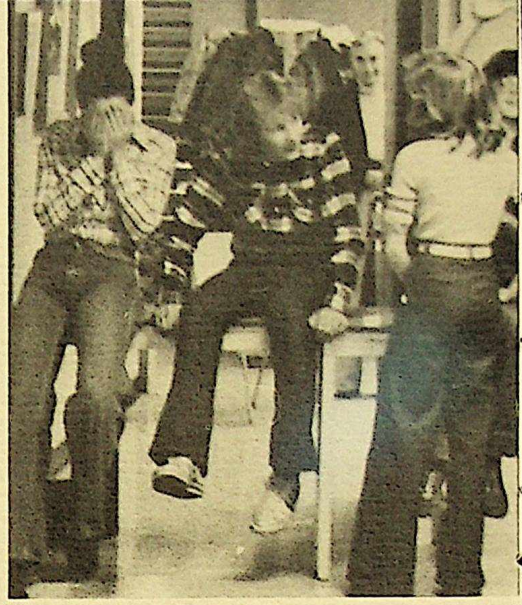
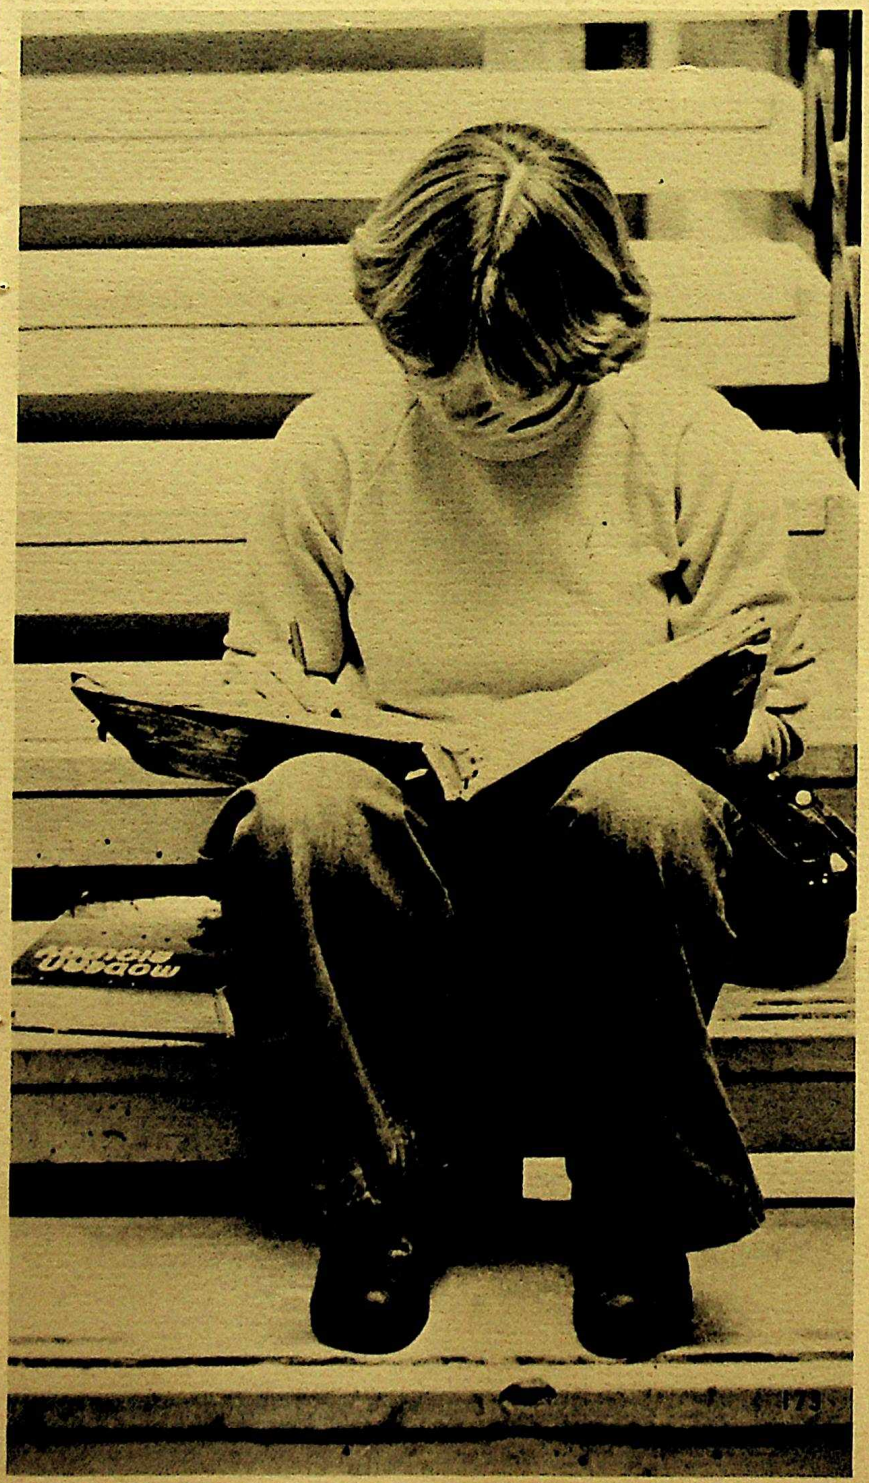
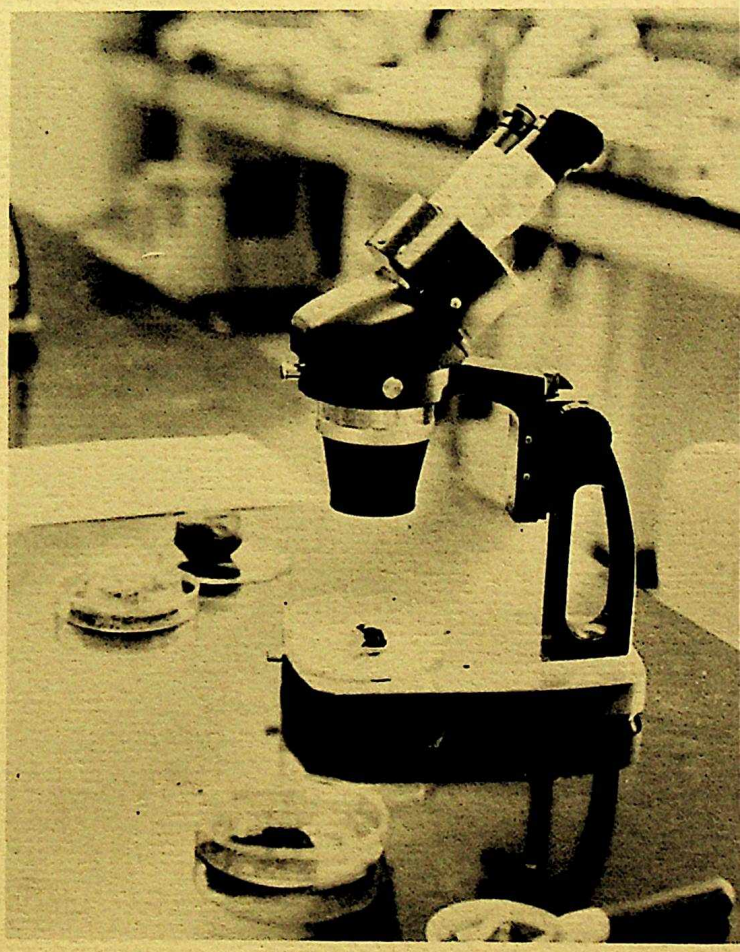
Lee

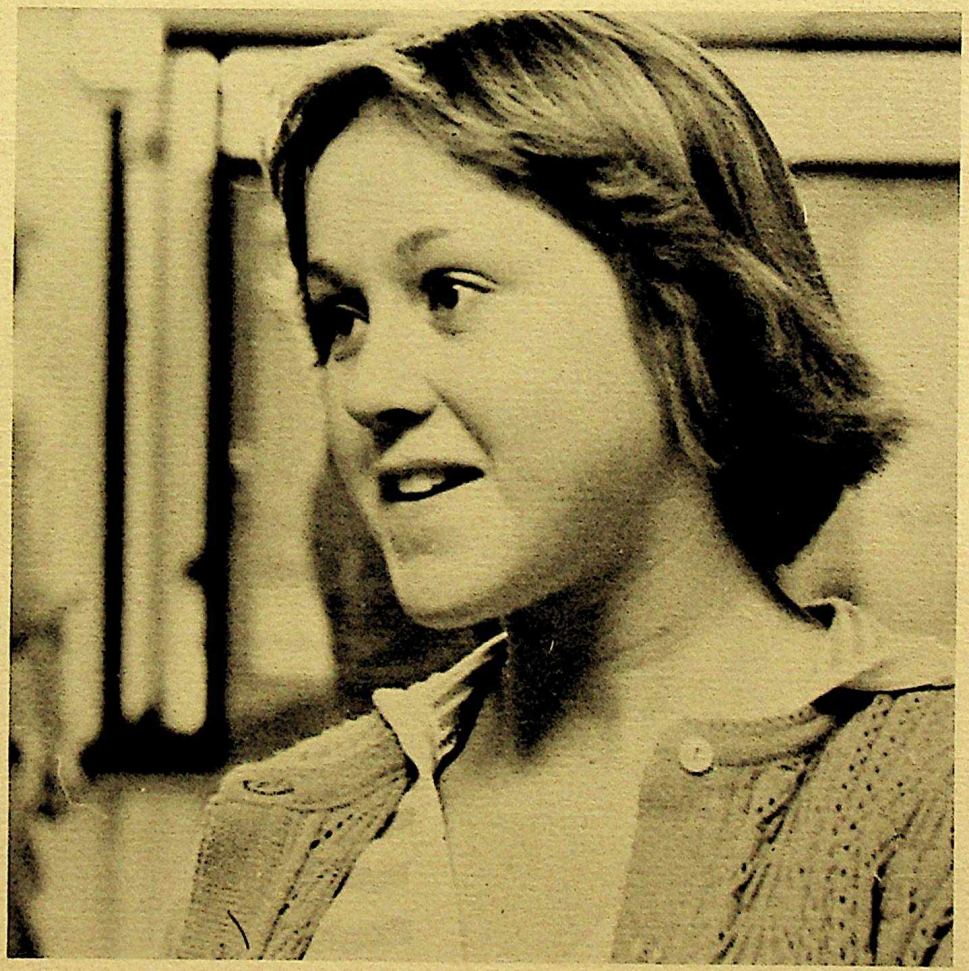


. . . . All of us have visions of hope for tomorrow;
a new day with new beginnings.





. . . . For some of us, these are our last days of school before going on to something new & different . . . .



Each of us has his or her own vision of tomorrow. Whether it is reaching out into either the near future or off into the distance, these past months of school will always be a memory well worth remembering. I would like to extend my appreciation to all those people who spent much of their time collecting these treasured memories for the '78 TREND.
